## INTRODUCTION

This is not an effort to document all of the collected information about Hugh Blunt and his descendants. It is, instead an effort to put sufficient information into the hands of family historians and researchers with the hope that someone will find it useful in completing their own research while adding to this effort.

This document is certainly not error free. As with any collection of data, errors are bound to be created as information is passed from researcher to researcher, from computer to computer, typewriter to typewriter or pen to pen!

Readers are encouraged to add to, correct, amend or otherwise critique this document. No errors have been purposely created to mislead, embarrass or otherwise alienate any family member. If factual errors are found, please notify me.<sup>1</sup>

The greatest credit for this collection of Blunt Family Genealogy is given to Tommie Blunt O'Bier, Shongaloo, Louisiana, and to Jack and Donna Blunt VanderWeerd, Bellevue, Washington, both descendants of Hugh R. Blunt.<sup>2</sup>

The VanderWeerd work is based primarily on the earlier and extensive research of Clifford Edward Blunt, great-great grandson of Hugh and son of James Bert Blunt Jr. Cliff's efforts gave us all a head start when we started searching for our Blunt, Bishop, Braley, and Delafield ancestors.

Earlier research by Tommie and Clifford concentrated mostly on attempting to clear up the mystery of who the father was of Hugh R. Blunt. Jack and Donna, while also working on this mystery seem to have concentrated on bringing together information about subsequent generations of Hugh's descendants. Both have done commendable work.

There have been Blunt families in Louisiana since at least 1806, and possibly earlier.

Hugh, son of James Blunt and Pembroke Powers (North Carolina families) and Miss PHEME Powers, daughter of Michael and Maria Corbett Powers (South Carolina families) were married August 21, 1806. The marriage was performed at St. Joseph's in Baton Rouge, Louisiana<sup>1</sup>.

Jean Blunt<sup>ii</sup>, age 6 and a half months, daughter of Hugh Blunt and Ephemie Bowers (sic) was baptized in St. Gabriel, Louisiana, in 1809. Another daughter, Helene, was born to this family on Sept. 1, 1812 and was baptized at St. Joseph's in Baton Rouge.

<sup>2</sup> I am descended from Hugh through his daughter, Amanda. Amanda married James Monroe Braley. Their daughter, Ora married by grandfather, Albert Lilburn Coffee.

William Blunt settled land in Sept. 1807, Feliciana Parish, Louisiana; Hugh R. Blunt settled land Nov. 1812 in Baton Rouge; and James Blunt settled land in 1807 in St. Helena Parish, Louisiana.<sup>iii</sup>

East Feliciana Parish marriage records<sup>iv</sup> show that William Blount married Rhoda Nettles on Dec. 21, 1843 (p 231). James Blount married Eliza Ann Story on May 13, 1845 (p 231) and that Levi Blount married Judeth Gibson on Jan. 9, 1817 (p 243).

The Index to Successions<sup>v</sup> at Greensburg, St. Helena Parish, Louisiana show the settlement of estates belonging to Hugh Blount (1872), John Blount (1876), and Mrs. Elizabeth Blount<sup>vi</sup> (1902).

Some researchers believe that Nelson Blunt was the father of Hugh R. Blunt. The United States census for 1830, Natchitoches Parish contains information about the Nelson Blunt family<sup>vii</sup>. This record shows that the family consisted of 3 males under the age of 5, one male between 5 and 10 years of age, and one male aged between 40 and 50. Also included was one female, aged between 30 and 40.

Hugh R. Blunt was born in 1822 and would have been about 8 years old in 1830. The one male between age 5 and 10 years could be our Hugh. We just do not know yet.

I am of the opinion that the Hugh Blunt in south Louisiana in the early 1800s and the Nelson Blunt in 1830 Natchitoches Parish were brothers. I also believe that Nelson was the father of our Hugh because the name Nelson appears a number of times in subsequent generations of Hugh's descendants. I believe that Tommie and the VanderWeerds agree with my conclusion although perhaps not with my reasoning.

It is not possible to create a genealogy of one family without including at least some information about the families who marry into that line. The Blunts are not an exception. Many of the early settlers of north Louisiana and southwest Arkansas are included in this genealogy, including the Delafield, Braley and Bishop families.

Extensive work on the Delafield family has been completed by Irma Delafield Pate, a niece of Alpha Anne Delafield, wife of James Bert Blunt. Additional research has been completed by Karen Beth Kennedy, also a Delafield descendant.

Work is proceeding on the Braley family genealogy in conjunction with that of the Coffee family. Additionally, research continues on the Bishop family, the daughters of which figure prominently in the Blunt genealogy. There is a tradition within the Blunt family that the Bishops were Choctaw Indian. Confirming that tradition is not easy, but all leads are being pursued.

Rush Springs, Oklahoma May 27, 1928 Mrs. Amanda Braley

My dear Auntie I will try this afternoon to write a few lines in answer to your dear sweet letter of a few days ago. I was so glad to know you got home and the trip didn't make you sick for you was so hoarse I was uneasy about you. I came home that night from Alberts and I was in bed for too weeks with flu and grief together. Oh Aunt we have been so lonely since our papa went away and left us. I feel like some times I can't ever stand it. When mama left us we had him left but now they are both gone. I feel like I want to go too but of course I can't until the good lord calls for me but heaven seems so near by with them and Edgar are all there.

Oh Auntie I am so glad you were here and glad Doss came to. I think I have got such a good able man for a cousin. I sure do love him and I hope I get to come see you all this summer but don't know just yet. Aunt Mandy I hope you are well and feeling good all the time and I trust all the rest is well. How is cousin Dora's boy is he all

right? I was so sorry to hear of Boots losing her boy. Well the weather is pretty raw but we sure have lots of rain washed every boddys crops away and they had to plant over sure is hard on the farmers. We are still living in the School building but we won't be here when school starts this fall and Mr. Barksdale don't know if he will have the job anymore or not but we hope to anyway. I am still keeping the little baby and I keep another little fellow through the day only on Sundays his mother is working and I keep the baby for her she is only the child's step mother so I don't think she cares much about him. Well Jim's and Albert's folks are all well. Auntie tell Doss and Ada I will write to them sometime soon. Nova said you all got the things we sent you. I hope they were all in good condition when they got there. Well deare Auntie I will close for this time hoping you will answer real soon and a long letter for I am so lonely and am always so glad to heare from my dear old Auntie. **CAPTAIN L. GRADY COFFEE KILLED IN PLANE CRASH  
Body Will Be Returned With Military Escort**

For Funeral Service In Minden Captain Loy Grady Coffee, 27, army air forces, was one of the ten servicemen killed when a plane exploded in mid-air and crashed at Walker Field, Hays, Kansas, Saturday, December 30. Only three of the crew were reported to have bailed out and one is not expected to live. Son of Mr. and Mrs. A. L. Coffee, Captain Coffee was born and reared in Minden. He was a graduate of Minden high school, where he was a football star, and attended L.S.U. He volunteered for service on December 8, 1941, just six months before receiving his law degree. His initial training was received at Maxwell Field, Alabama, and he was commissioned a second lieutenant after completing training at the bombardier school, Midland, Texas. After graduation he remained at the school to serve as an instructor. From there he went to San Angelo and on to Harlingen. He was commissioned a first lieutenant at Gowen Field, Boise, Idaho, which was his last station before reporting to Walker Field as bombardier instructor. Soon after his arrival there, he was assigned other duties and promoted to the rank of captain. He married the former Miss Martha Easley of Harlingen, Texas in March, 1943. She has been with him since their marriage and will arrive in Minden sometime today accompanying the remains, which are being shipped with military escort. Funeral arrangements have not been completed, but services are expected to be held at the First Baptist Church of which the deceased was a member, sometime following the arrival of Harry D. Coffee. Besides his wife and parents, he is survived by four brothers, Frank H. Coffee, Minden; Dr. James Coffee, Baton Rouge; Harry D. Coffee, U. S. Coast Guard, now serving overseas; and Carl Coffee, Hope, Arkansas; and three sisters, Mrs. S. B. Samuel and Mrs. Gus Howell, both of Minden; and Miss Ruby Coffee, Shreveport. From "Men and Women of World War II from Webster Parish" published by American Legion and VFW Posts in Minden and Springhill, LA: Entered Army Air Corps, 1941, trained in Midland, AAF, Boise, Idaho and Walker Field, Kansas. Served in American Theater. Killed in B-29 crash in Walker Field, Kansas.

The Frank Hurley and Helen McCormack marriage license was recorded at the courthouse in Benton, LA, parish seat of Bossier Parish, LA. The application indicates that Helen did not have a former husband. However, the later divorce record, recorded at the court house in Baton Rouge, LA indicates that Helen had been previously married to Peter Kolb and had at least one child, Barbara Ellen, from that marriage. Witnesses to the marriage were Kathryn L. Samuel and J. H. Maxey. Frank and Helen initially resided in Caddo Parish, LA then moved to Webster Parish. Later they moved to Honolulu but returned to Baton Rouge in 1937. They lived at 224 N. 14th St. in Baton Rouge and were divorced in January, 1938.

The record. "Adoption of the minor Kenneth Norman Kellow No. 37" dated June 20, 1947, is recorded at the parish court house, Minden, Webster Parish, La. This record shows that Frank adopted the minor son of Mary, his second wife.

Frank owned a company, Tri-State Novelty Company, a juke box vendor, in Minden. Date unknown and no records at Webster Parish courthouse have been found that will probably document the business details.
