PREFACE

The list of descendents of Salathiel Coffey has been compiled as accurately as possible, but not as complete as we would like. We acknowledge with sincere thanks the help given us by the following people: Mrs. Lena Compton (now deceased); Dr. Walter McKinney; Mr. David L. Davidson of Tulsa, Okla. for the information on Lettitia Coffey descendents; Mrs. Jessie Hedgcoxe; Mrs. Edith Martin; Mrs. Myrtle Orr; Mrs. Mayo Melton; Mrs. Rose Weaver; Fred Coffey; Vira Garrett; Mrs. Vesta Crouch; Mrs. Willie Coffey of Ardmore, Okla.; Mary Wiley Czarowitz; Mr. & Mrs. Leslie Liggett; Mrs. Florence Bragg; Mrs. Birdie Barker; Mrs. R.M. Watkins; Mr. & Mrs. Cecil Richards; Mrs. Sales Liggett; Mrs. Lee Cook; Mrs. Anna May Bolin; Mr. & Mrs. Wolford Wetsel; Mr. & Mrs. Luther Hunter; Mrs. Clyde Strain, and many other who were kind enough to give of their time.

It has been a sincere pleasure to talk with and correspond with the several people from whom the information has been collected, and a source of pride to find that the Coffey family has within its ranks so many very fine people.

PREFACE # 2

This re-print of the 1961 original is printed in 1991, and follows the original as closely as possible. The original copy used for the revised copy was of very poor quality, and parts could not be re-printed. A few pages were re-typed. Parts of other pages were partially re-typed, always duplicating the original, as nearly as possible. Certain materials have been added, and a complete Index is included.

My heartfelt thanks to Bill and Pearl Dungan for doing the "leg-work" to make this a readable, usable, needed addition to the numerous Coffey/Coffee papers and other publications. The only address that I have for Bill and Pearl Dungan is McKinney, Texas.

A BRIEF HISTORY OF THE COFFEY FAMILY

Mrs. Lena Compton (Nee Lena Wolford) made quite a study of the background of the Coffey family, and most of the information contained was given us by her, and was obtained through a lot of reading and research.

The ancient Irish family from which John Coffey came is said to be descended from Milesius, King of Spain, through the line of Hermon, his eighth son. The founder of the family was Eros, son of Olliol Molt, King of Ireland, A.D. 463. The ancient name was Cathmhoghas and signified "Leader in Battle". Other variations in the name appear quite frequently in "Irish Pedigrees" or the "Origin and Stem of the Irish Nation", by John E. Hart of Queen's University in Ireland. The original name was spelled O'COBHTHAIGH, but when anglicized was spelled O'COFFEY, COFFEE, COFFY, COFFEY. The prefix "O" was used to denote "Grandson or Descendent of".

The records indicate that the first emigrant by the name of Coffey was John Coffey who was born about 1621 in Ireland and came to this country in 1637, married Rebecca Ireland in 1648. He had a son, also named John Coffey, born in 1660 who married Jane Graves in Surry County, Virginia. Their children were: Edward, Martha, Elizabeth, Anister, John (from an old, old will). Martha Coffey married John Cleveland; James Coffey married Elizabeth Cleveland in 1725, children of Alexander Cleveland of Bull Run, Prince William County, Virginia. Rev. James Coffey -- born 1700, died 1786 -- lived in Albemarle County, Virginia, until about 1759 when he moved to Wilkes County, North Carolina. He was an early convert to the Baptist faith, and became a missionary about 1757. He is said to be the founder of the old Mulberry Fields Baptist Church which was located at the present site of Wilkesboro, North Carolina.

Joel Coffey, son of this James, served as a private in Salisbury District, North Carolina, in the Revolutionary War. He had at least two brothers who served, and two sons -- James and Nathan -- privates in North Carolina militia. Several of the Coffeys participated in the Revolutionary War and were active in affairs of the communities where they lived, as evidenced by the record compiled by Mrs Compton and others.

The Coat of Arms of the Coffey family is a symbol of the bravery, heroism, and meritorious deeds of our ancestors. The symbols did not note an exclusive class and were not aristocratic or undemocratic. They were the reward of personal merit, and could be secured by the humblest as well as the highest. They are today a testimonial of the bravery, heroism, and valiant deeds of our ancestors; and they appeal to the pride of the intelligent and enlightened descendants of those distinguished families today. The motto usually represented some characteristic of the family or sometimes the war cry of the clan. The motto on the Coffey Coat of Arms is:

"NON PRUDENTIA SED VICTORIA" -- "Not by Prudence but by Victory"

These records of their valor and worth form an added ornament to their ancestral Irish inheritance, and their kindred may justly and proudly retain the double honors so bravely and nobly won.

Salathiel Coffey -- Our ancestor, as noted in the history was born in 1812 in Russel County. He was the son of Mary Coffey (maiden name) and Eli Coffey (her cousin). He married Nancy Dunbar on Aug. 20, 1835 and to them were born seven children. When his first wife died, Salathiel Coffey married a widow, Mary Ann Ballew, in 1854, who had six children by her first marriage. The following year, 1855, the family emigrated to Texas by wagon and settled in Collin County. Three other children were born to Sales Coffey and his second wife after they settled in Texas. From these ten children were descended the large number of people listed in this booklet. We wish to dedicate this booklet to those hardy pioneer ancestors of ours who did so much to help lay the foundation on which our state and nation were founded, thereby making it possible for us to enjoy the wonderful way of life we have today. Our sincere hope is that this will help in a small way to remind our children of this debt and cause them to want to help preserve the blessings given us by our ancestors for many future generation of the Coffey Family.

Copy of a letter written by Rice Coffey, a brother to Joel
Coffey who was Salathiel's Great Grandfather,
(Sent to us by Dr. Walter McKinney)

Shelbyville, Tenn.
Nov. 15, 1844

Dear Jefferson (Coffee)

I received your letter of Sept. 15, 1844 and have read it with entertaining interest. Indeed it is always a source of gratification to hear from my friends and that they are doing well.

You request information respecting the history of our ancestors. I have no written biography of the COFFEE FAMILY and therefore can relate to you such facts as have come within my own recollections and such as have reached me by tradition.

I remember to have seen my paternal grand-father. His name was JOHN COFFEE and he was raised in one of the lower counties of Va. and died in Albemarle. My grand-mother's name was JANE GRAVES, and my father's name was JAMES COFFEE. He was also raised in the lower part of Va. and from thence moved to Essex, and from thence to Albemarle, where your father AMBROSE COFFEE was born in the year 1762. From this County my father (JAMES) removed to Amherst, and here his children grew up to manhood.

My mother's name was ELIZABETH CLEVELAND. My maternal grandfather's name was ALEXANDER CLEVELAND. He was a descendent of the English and was an own cousin to Oliver Cromwell, a gentleman who figured conspicuously in the sixteenth century. He was raised in Va., born in the year 1663 and died in 1775, at the age of 112 years.

My father was born in 1729 and died in 1786. His children were nine sons and two daughters. My brother's names were JOHN - ARCHELUS - JAMES - REUBEN - AMBROSE - ELI - JOEL and LEWIS COFFEE. They are all dead save ELI and LEWIS. The first of these resides in Missouri and the other in Kentucky.

I became acquainted with your maternal grandfather, Jessie Moore about the close of the Rev. war. He then lived in Burke County, N.C., where you were born. He was born in Virginia and many of his descendents now live in Kentucky.

I am still living at the same place you last saw me, bu cannot expect, in the course of nature, to remain much longer. I am now in my 80th year.

May God Bless You
RICE COFFEE

 COPY OF LETTER GIVING PERMISSION TO USE RECORDS OF LETITIA COFFEY

David L. Davidson
 133 East Haskell Place
 Tulsa 6, Oklahoma

May 6, 1961

Dear Cousin W.T. (Bill) Dungan:

It is with pleasure that I give you permission to use the enclosed family records information of Lettitia Coffey, daughter of Salathiel Coffey, and her descendents.

I will appreciate your including a copy of this letter with the records information as I promised the families who have sent their family record information to me that I planned to publish the records in album form when my set of records of Henry E. Rexrode and his descendents were completed; and the selling price would be only - the cost of publishing and mailing.

As some of the families in these records will receive a copy of your collection, my desire is - that they know this is not the publication that I promised them. Also, that I have given you permission to use this information in order that you can have your Coffey information more complete and in time for the reunion this coming July.

My set of records are in the form of family records and much more detailed information is given; including some information of allied families.

I will appreciate your courtesy in passing this information on to others of the Coffey lineage as there may be some who would like to know that they will be able to get more detailed records in my album of records as soon as I get the album ready for sale.

My love and best wishes to you and your loved ones.

Your Cousin, (Coffey lineage)

SOUVENIR OF TEXAS.

—◆◆◆—
SALATHIEL COFFEY was born in Russell county, Kentucky, April 20, 1812. His father, Eli, was born in North Carolina, May 8, 1775, moved to Kentucky when a young man and there died July 18, 1833. He was a boot and shoe maker by trade, and spent most of his early life in the shoe shop, but after going to Kentucky turned his attention to farming and distilling. His wife bore the maiden name of Mary Coffey. She was born in North Carolina, September 7, 1782, and died in Kentucky about 1873. She bore him twelve children, the fifth of whom, Salathiel, was reared in Kentucky on the home

farm and in his father's distillery. In 1855 Salathiel came to Texas, and in 1857 settled on the farm where he now resides. He is an extensive farmer and a large land-owner, although he came to Texas poor and has dug what he has out of the ground. August 20, 1835, he married Miss Nancy Danbar, of Kentucky. She bore him nine children—Willis S., Jesse P., Lettie, Mary A., William S., Harriet, Milton, Zachariah T. and Nancy J. Mrs. Coffey died November 14, 1853, and May 10, 1854, Mr. Coffey married Mrs. Mary A. (Ballew) McFarlan, of Kentucky. To this union have been born three children—Margaret E., Josie C. and Sterling P. The family are members of the Baptist church.

S. COFFEY.

THE COFFEY FAMILIES

Salathial Coffey, the fifth child of Eli and Mary Coffey, was born in Kentucky on April 20, 1812. He was married twice. Children by his first wife, Nancy Dunbar Coffey, were: William Stanley, Z. T., Mint W., Mrs. Joe Liggett, and Mrs. Alonzo Richards. His second wife, Mrs. Mary A. Ballew, had six children by a previous marriage to Houston Ballew. These were: Mrs. John Horton, Mrs. John Whisenant, Mrs. G. W. Bigler, J. W. Ballew, and two children who died young. Salathial and his second wife, Mary A., and their children came to Texas in 1855 from Russell County, Kentucky, and in 1857 settled near Allen. The trip to Texas, which required six weeks, was made in one ox-team wagon, three horse-drawn wagons, and one buggy.

Salathial and Mary A. Coffey were the parents of three children, Sterling P., Mrs. John C. Kerby, and Mrs. George Kerby. Will A. Kerby, who was sheriff of Collin County from 1924 to 1928, was a son of Mrs. John C. Kerby. In addition to their own children, Salathial Coffey and his wife reared several orphans and materially assisted W. F. Wolford, a son of his sister. Wolford later practiced medicine in Allen for many years.

Salathial Coffey served as county commissioner of Collin County from 1862 to 1864. He died in 1892 and his wife died on December 15, 1900.

William Stanley Coffey was born in Kentucky on July 9, 1842. He came to Texas with his father and family in 1855 and settled east of Allen. There he married Eliza Lucas, sister of Colonel Gabe Lucas. He served in the Confederate Army for four years and was wounded three times. In 1896 he was elected sheriff of Collin County, which office he held until 1899. In June, 1922, he and two of his brothers, Z. T. of the Wetsel community, and Mint W., of Lone Grove, Oklahoma, died within a period of seventy-two hours. Three of his children preceded him in death. Those surviving were: Dr. J. C., R. H., Sales, Mrs. W. D. Goode, Mrs. W. S. Ledbetter, Mrs. S. E. Walker, and Homer L. The last two were living in McKinney in 1957.

Homer L. Coffey was a county commissioner of Collin County from 1920 to 1922.

Sterling P. Coffey, son of Salathial and Mary A. Coffey, was born two miles east of Allen on June 6, 1862. On June 27, 1886, he married Ida Elizabeth Rountree. Both lived to celebrate their golden wedding anniversary on July 31, 1936. They were the parents of five children: Laurin, Fred S., Dudley Otto, Mrs. Frank Lockhart, and Mary Frances, who died in infancy. For several years Sterling Coffey was a successful farmer. Later he moved to McKinney where he operated a livery stable. His death occurred on September 21, 1944.

Fred S. Coffey has been for many years proprietor of the Coffey Drug Store on the southeast corner of the square in McKinney. Laurin lives in Bryan, and Mrs. Frank Lockhart lives in Pharr.

Jesse P. Coffey and wife came to Collin County from Kentucky in 1855 in a caravan of eight wagons and settled near Anna. He was a county commissioner of Collin County from 1860 to 1864 and justice of the peace at Melissa for forty years. He and his wife are both buried in Old Highland cemetery.

James Perry Coffey, son of Jesse P. Coffey, was born in Kentucky on January 18, 1851, and came to Texas with his parents in 1855. He attended school at old Mantua. On December 8, 1875, he married Sallie Griffin. For four years they lived at Anna and then moved to a farm near Westminster, where they lived until in 1918, at which time they moved to McKinney. He died there on January 16, 1937. His survivors were his wife and four children, George A. Coffey, Mrs. R. L. Johnsey, Mrs. J. R. Williams, and Mrs. A. W. Jernigan and twelve grandchildren. He was also survived by one brother, Will Coffey, and two sisters, Mrs. F. L. Coffey and Miss Cynthia Coffey. James Perry Coffey served two terms, 1904 to 1908, as county commissioner from the Blue Ridge precinct.

As far as the writers could determine, Jesse P. Coffey was not related to Salathial Coffey.¹⁵
