CCC is a newsletter originating in January 1981 to collect and disseminate information on the COFFEE/COFFEY families of North America. It is issued quarterly (MARCH JUNE SEPTEMBER DECEMBER).

History, family trees, queries, and current data is solicited and welcomed.

Subscription for 1982: \$4.00

DEAR COUSIN

Thanks to you, we have achieved goals recently that were originally set in January of 1981. In the beginning we declared our area of interest to be all of North America, With this issue we have become international by the addition of a cousin from Canada, We also now have cousins in all four "corners" of the U.S. since two from Florida have joined. And last September we were struggling to reach fifty members, now we have 94 as of August 15th, 1982. While not representing every state, we are in all geographical areas of the country. Again credit is due to all the cousins for promoting CCC so effectively. We hope you are reaping rewards like cousin Len and wife Donna did recently. We had a surprise visit from good friends, Bennie and Juanita Coffey of Monticello Ky, If you recall, they and daughter Jacqueline Sexton are responsible for THE COFFEYS OF WAYNE undoubtedly the best single Coffey genealogy in print. Among the many things discussed in an all too short time was how we both are sometimes unable to properly answer an individual query simply because of personal time limitations. For this reason we often recommend a query in CCC and hope later we can locate the desired data.

About reunions: we did not this years bunch announced formally. Perhaps our publication months are ill fitted to reunion times. Cousins should notify CCC of early June reunions by Feb. 15th for inclusion in the March issue. Later summer events should be reported by May 15th for the June issue. It will be best if a family member advise us each year, so that CCC does not send a cousin across country to a postponed or revised reunion date,

And now "HAPPY HUNTING"

Cousin Len

DEAD END ROADS

County Histories of a century ago are sometimes called "mug books". Many had hundreds of pages and no index when published. Some have been reprinted recently and indexed by local Societies. Later the WPA indexed 76 histories of 60 Ohio counties. this card index is at the Ohio Historical Society, In 1979 Charles Morford indexed 120 Iowa County Histories containing 44,000 biographical sketches, using computers. Now Genealogical Indexing Associates, P.O. Box 102 West Bountiful Utah will send

a printout of a single surname in its 300,000 name Ind. Index. Price \$7.50

A PEEK IN THE MAILBOX

MARVIN FRAZEE wrote in December reporting that a Titian J. Coffey was U. S. **Atty.-General** under Lincoln, CCC's reference sources showed only Edward Bates and James Speed filling that **office**. At our request for his source Marvin sent back page 901 (not a copy) he had salvaged from U, S, History. A Survey published about **1957-60**. It **lists** Bates in **1861**, Coffey in **1863** and **Speed in 1864.**, as Abe's top **lawyer**. Now Marvin and CCC **wonder**: Who was Titian Coffey? Where was he from? Marvin also says the Madison County Iowa DEATH RECORD Book 3, #134 Pg. **84 lists** Dicy Blair, widow died 12 May 1912, age 87, Born Kentucky 15 June **1825(Adair Co.)**; father: Sale Coffey, b, Va, mother: Polly Blair, Dicy m. 1st Milton Simpson in Adair Co, 2nd Elza Blair 28 Nov 1880 at Winterset Iowa, Elza d, 1886,

Their children were Nancy "**Nannie**" Kinner b, 28 Oct 1863 who m. a Hutsell, twin Joe W, and a Bister Matilda, **J.W.** Brown's **will** was contested in 1870 -71 in McMinn Co, Tenn,

The announcement of Salathiel Coffee **descendents** reunion at Amarillo Texas was a newsletter in **itself**. It mentioned the early John Coffey who sailed to VA,, data on Salathiel, and boosted CCC, Enclosed was a folder on a great outdoor historical pageant TEXAS performed in Pioneer Amphitheatre at Palo Duro State Park in the summers. Alas the reunion was Aug 8, 1982. PATTI YOUNG will be telling us later of the date for 1983.

The descendents of Rev Newton Eli Coffey reunited in Corydon Iowa on June 6. TIM PETERMAN took advantage to gather data from DARRELL AND **ILLA**, CARL, AND RAYMOND COFFEY who were also **there**.

WALKER COFFEY wishes we could be more specific on dates names and locations listed in CCC, It would make research more **meaningful**. To illustrate he submits this:

LESLIE R. GILLUND says our family was pretty thick in Minnesota. In 1860 St. Louis Co. had Coffee: Irving, Joseph, Levi B., Margaret, William, Huston Co, Coffeys were: Ann, Catherine, Edward, Julia, Even more showed up in 1870 in Fillmore, Ramsey, Olmstead, Houston, St, Louis, and Morrison Counties.

MIC BARNETTE is enthusiastic about the Genealogical Institute at Samford University in Birmingham Ala, While there, he heard of the DRAPER MANUSCRIPTS, Lymon C. Draper 1815-1890 foresaw the great history unfolding in North America and proceeded to record it from eye witnesses. The collection is at many libraries, is indexed and lists some Coffee/Coffey names,

JOHN C, COFFEE of Coffee Farms in Grand Rapids Mich. descends from immigrants, William and Mary Gordon Coffy of Enniskillen, County Fermanagh, Ireland in 1817. They settled first in Cumberland Co, Pa, and about 1834 moved to Marion Co, Ohio.

MRS. RICHARD E. COFFEY 18023 Rd. R-17, Columbus Grove Ohio 45830 would like to connect Jesse C. Coffey(1833-?) m. 1853 Nancy F. Loney Allen (1840-?) and had children 1853-1881: Mary Jane, Joshua Elmo, Beatrice Ann, William Garland, Nancy Elizabeth, Allen F. Sherman, George Robert, Jacob W, John Franklin, Emily Susan, Rosea Bell, and James R,

PAT PETRONELLA has a copy of page 473 of PORTRAIT AND BIOGRAPHICAL ALBUM from (Warren?, Knox? Fulton?, Co, Ill.) It states: " Sarah Jane Meadows who married Patton Johnson was a descendent in the maternal line of Martin Coffee who came from England to America and died in Kentucky at age 101. A large estate in England was left by a member of this family but the record is not sufficiently clear to prove the claims of our subject's family." (See page 8, for more from Pat)

CONSTANCE BAARSCH is interested in sorting out the Owen Co, Ind. Coffey Clan that CCC has promised to work on. Particularly the several Reubens that confuse us all. She is also asking cousins with her Estes and Greene linesthat appeared in the June CCC

PATTY ROWSEY wants to know how the various Reubens relate in the family tree. It has also confused CCC, Maybe a cousin will submit an analysis clarifying the case,

ANOTHER TIME ANOTHER PLACE

Ellettsville, Indiana today is still a very small but not backward community located in the gently rolling hills of Southern Indiana that may remind one of the Cumberland river valley of southeastern Kentucky. Perhaps that was the appeal that lured (along with other factors) people from one to the other 150 years ago. While it nestles in Monroe County it is about halfway between the Monroe County seat and Spencer, the Owen County Seat. Coffeys were among the settlers and while near enough each other to maintain a family nucleus they resided in both counties. The first lands were entered in 1816 and by 1822 Elijah Coffey had come from Tennessee and settled on the east line of Clay Twp, in Owen Co, Several sons of Elijah were still living in 1884 one of whom was Joel A, the postmaster at Spencer, There are several biographical sketches of this family in the 1884 histories. Also the U.S. Census of 1850 lists these heads of families . (Date of birth calculated from age in census)

James Henry Fauset and Matilda Coffee were married in St, Louis MO in March of 1842,
 There was a great migration and other Coffees and Fausets are to be found there.
 After the birth of their first child, my grandmother, they moved south into Grayson
 County Texas. There is where Holland Coffee had large holdings; the year 1843-44.
 Five children were born there. After the death of her husband, James Henry, Matilda
 Coffee Fauset married Milton P. Whatley and moved on to Tulare County, California,
 There they would have one child of that union. WILLARD H. DUNCAN
