Rhymes of a Corn Field Lawyer

<p>1. Up near Muskogee, Tuesday morn, John Coffey tried to light His trusty Meerschaum, but he failed And got a mighty fright. The match he struck lit in a can Of kerosene nearby And when that can of gas went off Things certainly did fly.</p>	<p>2. A cat of John's was dozing near Without a thought of harm, But he decided pretty soon That place was far too warm He lit a shuck straight for the barn His coat a blazing flame And when he dived into John's hay Oui! Oui! it was a shame.</p>
--	---

3.
The barn burned down, the hay was lost
The cat no more was seen.
All just because that match lit in
John's can of kerosene.
How careful now will Coffey be
Whenever he takes a smoke!
For losing full two thousand bucks
Is not a pleasant joke.

Dear Cousin,

We had several letters telling about how interesting and **exciting** the special stories were to you. They're likely **in** second place as our favorite feature. First place has to be any new proof of a **family relationship**. There is always a new story or family development at convention. We're looking forward to hearing those and seeing you **all** in a few weeks. Remember, **if** you would **like** to have the convention in your area next

year we'll do our best in presenting your proposal to the group.

Cousin Len

CONVENTION 1988

The **Coffee/Coffey** convention is a gathering of people from widely scattered locations but **with** common interests. The meetings are relaxing, friendly and can reveal knowledge of your family past.

Place: THE SEASONS LODGE AND CONFERENCE CENTER
 In the **Hills** of Brown County- **Nashville**, Indiana
 Dates: 3:00 PM May 6 to 12:00 Noon May 8, 1988
 Chairman: Len Coffey

Reservations: \$75.00 deposit needed by April 1, 1988 (earlier if possible). Make checks payable to THE SEASONS and send to CCC. The **deposit** is a prepayment of **approximately** one night's hotel room fees. It reserves your room. **Additional** nights are to be arranged **with** the hotel. You **will also** wish to **plan** to attend the buffet luncheon for Saturday noon. The buffet is **\$10.00** per person, payable after arrival **in Nashville**.

Nashville, Indiana is a town of under 1000 population. The attractions vary, but at appropriate times include the beautiful **fall foliage**, over 250 nearby antique and craft shops and art **galleries**, **nationally** known entertainers, performances at Brown County Playhouse, Little Nashville Opry, locally traditional foods and dining **facilities**. Brown County is the home of the legendary Abe Martin. Abe Martin and his homespun "**neighbors**" such as Miss Tawney Apple and Lafe Budd have for many years been looking behind the facades people erect, and finding the plain truth with humorous comments.

Nashville is at the junction of Indiana Highways #46 and #135. It is 50 miles south of **Indianapolis**, 17 miles east of **Bloomington** (and Indiana University) and 20 miles west of **Columbus**. Bloomington and Columbus both have some attractive points of interest for **visitors**.

LAST CALL FOR **CONVENTION** - WE NEED YOU NOW

From the Ada **Weekly News** (Companion story to poem on P. 1)
 Muskogee, OK Sept 26, 1928 - It cost John Coffey, farmer **living** six **miles** northwest of Wagoner, Haskell Co., **approximately \$2000** to **light** his pipe today, and then he didn't get it lighted. Coffey stepped into his yard to smoke and when he struck a match to **light** his pipe, the head of it popped off and **landed** in a can of kerosene. The petrol exploded, throwing blazing **oil** onto a cat which was also set afire. The feline ran into a hay barn. The barn, hay and cat were a total **loss**.

CURRENTS IN THE STREAM

Both **J.C.** and **MARY COFFEY** of **Dallas** have had their **health** crises in 1987 and as this is written, J.C. faced serious surgery. They could use some encouragement and prayers from their cousins in CCC. They **live** at 6235 N. **Jim Miller** Road, **Dallas**, TX 75228.

KATHRYN (HAYES) JOHNSON of Longwood, FL says husband **Bill** is slowed down **with** heart attacks during 1987.

WILL ISRAEL found that the **arthritis** he was being treated for was a torn shoulder muscle. Now recovering after surgery. **Will** is keeping busy making appearances at the 68 **units** of the **Alabama** Retired Teachers Association. He became their president on **April 1**, 1987.

Thanks to **ANDRE' CUFFEZ** we have learned that Mrs. Catherine Moore Richter will **celebrate** her 100th birthday on May 15, 1988. Andre wrote about her in Coffey Genealogy 2 and has written to her recently. Mrs. Richter is the granddaughter of Col. James A. Coffey who was the principal subject of The Coffey Clan from 1690. She was recently chosen by Saddleback **Colege** as **one** of three outstanding women of Orange Co. CA. She shared the magazine cover of National League of American Pen Women **with** others of her age group, and **is still** actively drawing. If you would **like** to congratulate her write to 379 Jasmine St., Laguna Beach, CA 92651.

Andre' is taking advantage of his retirement time to organize his genealogy and for travel. For example he had a February trip scheduled to Egypt to Khufu's pyramid, and **Amarna**.

Marion Oliver Coffey and **Lyda Edmisten** Coffey of Boone NC celebrated their 70th wedding anniversary on Dec. 30th, 1987. They have four **children, Bill, Eula Mae Fox, Nancy Haas and Geneva Hall**. The couple has **lived** on farms on George Hayes Road for **all** their married **life**. (Clipping sent by LOUISE PETTUS)

KENNETH COFFEE, usually of **Del Rio**, TX can be found these days in Taif, Saudi Arabia. His CCC and other **mail** is forwarded from his home and Ken expects to return in May.

DEAD END ROADS

FAYE MCQUILLING, **Indianapolis**, IN continues to search for information about the **family** of Feilding G. Coffey b. 1819, married Sarah Hughes in 1847 **Russell Co.**, KY.

It seems one of the deepest mysteries of **Coffee/Coffey** genealogy is the family in Russell Co., KY. CCC Cousins **GEORGE L. COFFEY** and **MARGARET BILLING** are two who need answers from **Russell** about Joel and Jane Coffey, Arthur and Albert G. Coffey.

MEET OUR NEW COUSINS

MARGIE COFFEY is a volunteer in the Adair Co. Library in Columbia, KY. She has collected data on Edward Coffey, John 1700-1775, and the members of Chesley Coffey's family. She lists **Annanias** 1785-1828, Zidner 1810-1869, Andrew Jackson 1846- 1928, Cassius 1884-1972, and Raymond Coffey **1928-**.

JACK KENNETH COFFEE is an **Engr. Tech.** born in Baton Rouge, LA Dec 1 1939. His parents were Frank Hurley Coffee (**1910?-1976?**) and **Velma Imogene** Roe (1923-1966). Frank was born in Hempstead Co., DeAnn Ar. Velma was born in Baton Rouge. They were married around 1939 and divorced about 1940. **Frank's** father was Albert **Lilburn** Coffee, b. about Oct. 22, 1873 in **Abilene**, TX and died 26 Mar 1960 in **Minden**, LA. Albert's father may have been a John Coffee, his mother a Bowman. She is thought to have been born near **Grapeland**, TX and buried near Boston, TX.

After John "**disappeared**" his wife is known to have married **William** Watson and had daughters, **Lillie** West and Mary Ellen Watson. **Lillie** later married a Courtney. Mary **Ellen** is thought to have moved to CA early in the century and to have died there.

Albert was married three times. The first was Delia Lenora King about 1885 in DeAnn, Hempstead Co., AR. They had Carl Glenn and Ora W. Lenora died about 1899 and Albert married Ida Lee **Timberlake** also of DeAnn. Albert and Ida had two **children**, John **Timberlake** and Ruby M. Ida Lee **died** about 1908.

In about 1909 Albert married Ora **Elizabeth** Braley of **Springhill**, Webster Parish, LA. The **family** later moved to Shreveport and then to Minden, LA. The five **children** of this third **marriage** were Frank Hurley, James Lilburn, Harry Devon, Loy Grady, and Myra Lee. Albert died in Minden in 1960, and Ora in 1984. Harry is the only living child.

Our new cousin has had some success in tracing the King, Braley (**Braily**) families. He is also working on paternal lines of Coffee, and Blunt. His maternal **lines** are Smith, Henderson, Roe(Rohe), McLennon(**McClendon**). He hopes a CCC cousin **will** have information on the Coffee connection>

CARLTON M. DILLARD descends from Jane E. Coffee who married Cunningham Daniel ca 1791, about the time they migrated from Prince Edward Co., VA to Wilkes and Oglethorpe Counties in Georgia. In Wilkes Co. they reared three girls and two boys. She died in **Wilkes** in 1847 where her **will** is recorded. One Peeter Coffee owned land in Prince Edward Co., VA adjoining the land of James Daniel II, father of Cunningham Daniel. Some researchers have said she was the sister of General John Coffee who died in Hancock Co., GA **in** 1833, but Carlton has found no **documentation** for that.

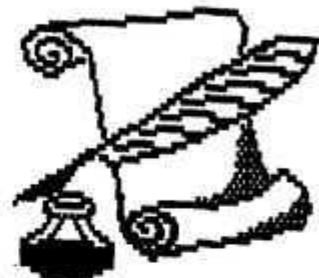

FREDA C. BLESSING has been researching many of our **well** known Coffee/Coffey families to **tie** in her ancestors. She traces to John, the son of Hugh and Agnes Montgomery Coffey. Other **children** of Hugh and Agnes were Hugh, Jean, Mary, Henry, and Alexander. Hugh states that **all** his brothers were in the Revolution. Freda's records indicate Hugh was the son of a John Coffey. Hugh's son, John married Sussanah Crockett and their daughter, Sussanah married James Craig. **Their** son (by **tradition**) was John Coffey Craig who married 1. Susan Thompson and 2. Nancy James.

Though not connected to her **family**, Freda **collected** data on the Peter Coffee family, his sons Peter and Joshua, their sons the generals John

(Cont. from P. 4)
 Coffee. John Coffee, the son of Peter of Virginia, **all** of whose **children**, two sons and seven daughters, moved to Georgia in 1781. Those were Elizabeth b. 1775 m. 1. C. Daniel, 2. T. Ligon; Nancy b. 1778 m. 1. **Abram** Heard 2. Jas. Kennedy} Susannah b. 1780 m. T. Randal; John (general in 1812) m. Miss **Bryant**; Sarah b. 1784 m. **William** Harris; Joshua b. 1786 bachelor; Mary b. 1789 m. H. Gibson; Cynthia b. 1791 m. Thomas Stocks; **Patsy (Martha)** b. 1793 m. George Heard.

WILL DUNCAN advises us that the John Coffee mentioned in John **Donelson** adventure in CCC #29 was **actually** John **Cafferty** who married **Donelson's** daughter, Mary. Will says Cafferty may have been the son and grandson of John Caffertys. Apparently there is reason to **believe** that John Coffee, John Cafferty, and John **Caffery** (see CCC #23 p. 12) are one and the same. In **Will's** own family he is now looking to a Coffee **family** of **Campbell** Co., KY that in 1820 consisted of Nancy, over 45, sons Spencer, Elijah, and possibly Hiram. There is no clue as to the identity of the father.

ROBERT HACKNEY found a listing of marked graves in cemeteries of Crawford Co., AR. The **Gill** Cemetery 2 **miles** ear.! of Van **Buren** **contains** John S. Coffee 1861-1929, **Jula** E. Coffee 1865-1940, and **Hirschell** Coffee 1902-1905.

TIM PETERMAN sends the latest report of publishing a genealogical work. It is Hal **Eagleson** Genealogy Vol. I: Asa **William** **Eagleson** and his **Family**. Tim has sold 105 so far but must **sell** more to break even.

MARCIA and BILL MORGAN report on a trip through Amherst Virginia. Asking for assistance in the Town Clerk's office they found they were talking to a Debbie Coffey. Fifteen miles from Amherst they found the **site** of **Coffeyton** marked by a **boulder** in a farmhouse yard. Nearby was a cemetery with many Coffey graves. In the neighborhood they chanced to meet a Mr. Crawford, whose mother was a Coffey.

GEORGE and ETHELYN COFFEY of Mt. Sterling, KY found time on a trip to see The Sabine Crossroads battle **site** at the Mansfield Louisiana State **Commemorative** Area. George's grandfather, Moses Coffey was wounded there and captured by the confederates along **with** his brothers, Frances Marion and George A. C. A **small** museum on the **site** had state flags of the states represented in the battle, except Kentucky. George corrected that by sending them a 3x6 flag of the **Commonwealth**. **Ethelyn** had questions about **family identification** for 1. Benjamin Coffey of Adair Co., KY, **commission** merchant at Lebanon, **Marion** Co. who **committed suicide** on the **railroad** in 1870. He had recently purchased **\$40,000** in **life** insurance. 2. Lewis Coffey who m. **Permilla** Ann Tucker in Pulaski Co., KY 6 Nov 1879. **Permilla** was the daughter of **William "Billy"** Tucker and wife Abby or **Ibby**.

BENNIE LOFTIN expanded on the James Lee (or Wm. Lee) Coffey information. (See CCC #26 **P.5**) Coffey, of **Pittsburgh** Co., OK died in 1946. Is it possible he was the son of Harmon and Ella Coffey who divorced in January 1892? A Mrs. **Ella** Coffey married James **Bullard** in February **1892**.

Gene submitted the following **items** from his files:

1. In the Alameda Cemetery, Eastland County Texas, the marker for Martha Coffee reads - "Given in honor of Mrs. Coffee, **killed** and scalped by Indians in 1860 on the Duffer Ranch.

2. According to The State The use of the **pillory** and of **unusually** cruel and disfiguring punishments is usually connected to colonial times and states other than North Carolina. But as late as 1818 such sentence was pronounced in **Statesville** on the person of Jonathon Coffey. The Iredell County Minute Docket reports the judgement against the prisoner to stand in the pillory for one hour, then to have his ears completely severed from his head and **nailed** to the pillory post to remain until sunset. Coffey's crime was perjury. Later entries indicate Coffey was pardoned and the sentence was not executed.

3. A will of Charleston, South **Carolina** reads: In the name of God, Amen. The Sixth Day of August One Thousand Seven Hundred and Thirty Three, and in the seventh year of the reign of his Majesty, King George, the second I Thomas Coffey mariner belonging to his Majestys ship the **a 1** borough Captain John **Gascoigne Commander**—I do give and dispose the same (property) unto my dear wife Mary of Charlestown in the Province of South Carolina.

4. Marriages of Pendleton Dist., SC included that of Mr. Elijah Coffee to Miss Nancy, daughter of Mr. Hardy Owens by Rev. Mr. Stevens Oct. 30, **1822**.

The Hereditary Register of the United States of Yoncalla, Oregon advises CCC that the Coffey Family is not listed in "The Burkes Peerage" of America. They are willing to correct this for a fee.

MELBA MCCASKILL sent in a clipping from The Dallas Morning News of October 9, 1987. In discussing Mormons in Texas the article says about 150 Mormons under Lyman Wight contained many artisans. They entered Texas in 1845 at the Red River town of Preston. Residing there for about six months it is believed they built the log home occupied by Holland and Sophia Coffee, the largest in Texas. Later they moved on building jails, grist mills, and furniture factories at Texas locations.

Shonna Lawhorn, 501 Walnut, Sweetwater, TX 79556 would like to correspond with descendents of James Bruton Williams and Sarah Elizabeth Coffee. He was born in Madison Co., KY 1822 to Isaac and Sabra Bruton Williams. Sarah was born in Ky 1821. They m. 1839 in Morgan Co., KY. Children born to James and Sarah in Washington Co. AR were: Mason 1840, Elizabeth 1842 (m. 1. John Mankins 2. William Howell), Isaac Milton 1844, Sabra Jane 1845 (m. Evan B. Mankins), David 1847. Children born in Williamson Co., TX were Kelse Harrison 1849, John N. 1851, Mary Ellen 1853 (m. G. W. Tackett), Malinda Lynn 1857 (m. Wesley Salyer), Sabra "Maggie" 1860 (m. Bill Tackett). James Bruton was a farmer and rancher and 1st Sgt. of the 2nd Co. of Texas Rangers under John Williams. Sarah died in 1862 and James m. 2 Mrs. Rachel Roberts. James died in 1891. They and many of the children are buried in Williamson Co., TX.

Edward Coffee was enumerated in the 1790 census of Lincoln Co., Maine. A daughter, Hannah, married Abithar Smith about 1781 in Thomastown, Maine. P. A. Merithew P. O. Box 2 North Weymouth, Mass 02191 would like information or contact with their descendants.

Martin Coffey of 22, Cromlech Court, Poppintree, Dublin 11 Ireland deals in histories, genealogies, and heraldic products through Family Heritage. His brochure included a photo of Martin with his wife and 6 children. He reminds us that the Clan Coffey originated in Spain sometime before 633 BC. They "settled in the midlands of Ireland where they served as kings of Erin for many centuries". Martin's great grandfather left the area and settled in Dublin. Other Coffeys went to America and Australia. Martin would be happy to hear from you and to share his data collected the last 10 years.

Sarah Ridge Rockenfield is the author of Our Boone Families. This second printing is 850 pages plus index, bound in library buckram. It contains the Boone genealogy from George the immigrant grandfather of Daniel. It mentions many allied families including Strange, Howell, Martin and Coffey. It is \$53.00 incl. post. from Rt. #1 Box 8, Sullivan, IN 47822.

RUTH STUDER spent a week last summer in Salt Lake City. She found her husband's (Andrew Studer, Jr.) Gr-Grandparents mentioned in the Washington Co., KY court records of 1891. They were William Martin Coffey and Rhoda Holt. Ruth says, however that one week is not enough!
