Dear Cousins,

I hope that you have enjoyed **Tim Peterman's** **lists** of Federal Court cases as much as I have. **Jim** and I went to the Missouri Supreme Court Library and found some of the cases cited **in** the Index. There **is** everything from murder to the lady, **S.A. Coffey in Carthage MO.**, who sued the **City** for **negligence** because she stepped **in** a hole **in** the sidewalk. — Now I need to go to the County Court and get a transcript of the trial. The books **in** the **Index only** have a synopsis of the case.

We wish to welcome our new members. It seems that we have **quite** a few **this** month. It **will** be sincerely appreciated **if** our very **knowledgeable**, long **time** members, **will** help any of the newcomers when possible. Your help **will** be welcomed by them and also by me. Thanks **again**.

I want to thank everyone who has sent articles for **C.C.C.** They **will** **all** appear **in** due **time** as soon as I can get **it** **all** entered in the computer and spaced so that **it** **fits**. You are the wonderful people who keep the paper going.

MEET OUR NEW COUSINS

MARGARET C LAY wished to correspond with anyone researching COFFEYS **in** Knox Co., TN, Adair Co.. KY. or Pike Co., IL. Margaret descends from Mary Coffey, born 5 May, 1779, married to John McClain 17 Apr. 1800 **Knoxville**, TN. They **lived** **in** Adair Co. KY and died shortly after 1844 **in** **Pike Co. IL** Margaret **included** some records that we hope to print **in** a later **issue**.

DEAD END ROADS

CHARLOTTE SLINKARD of 158 **Lakeview Dr. Apt 102, Ft. Lauderdale, FL 33326** wants to correspond **with** someone from any of the three Coffey families that she descends from. 1. **Cleveland Coffey** m. Jane Wltherspoon (**called Jennie**) 7 Feb 1794, Wilkes Co. NC: She descends through son **Elijah Coffey** and **Marlah Coffey**, dau of **El 1 & Mary Polly** - through their daughter **Emeline m. John Hunter Grinder**.

2. **El 1 Coffey** b. 8 May 1775 son of **Salathiel Coffey**

3. **Marv Polly Coffey** b. 7 Dec 1780, dau of **Nathan**. **Marlah Coffey** was the daughter of **ELI** and **Mary Polly**.

Charlotte says that she finds Coffey family research confusing since they often used the same given names and married cousins. (Amen)

VIRGIL O. COFFEE is looking for parents for **Larkln Coffee/y**. He was born in Tennessee between 1810 and 1814 according to census records of Hopkins Co. TX. He also needs the maiden name of **Larklins wife** and where they were married. One child was born in TN. and **Larklins wife** was born in KY.

CHARLES E. MORELAND wishes to **find more information** on the **Reuben Coffey Jr. family**. Reuben Jr. was born, 1772 in VA., according to the federal census of Monroe Co., IN. Charles wishes to know **if** anyone has any information on the parents of **Naomi Hays/es Coffey** and places of birth of Reuben's children. Quoting from Charles' letter.. "There are many conflicts in the places of birth shown for the **children** as submitted to the LDS Library. The earlier children were born in NC but conflict between **Burke and Wilkes** counties. That would **include Temperance, Cella and Hiram** and possibly **Alfred** depending on whether born in 1798 or 1809. Reuben acquired land in Carter Co., TN. deed dated 10 Oct. **1803**. The deed stated that Reuben was from **Burke Co. NC** and the land he was acquiring was located on **Roan's Creek**. **William Moreland's** family owned land on **Roan's Creek** and **this is** probably where **Temperance Coffey** first met **William Moreland**. As yet. I have no way of knowing when Reuben **actually** moved to Carter Co. TN. or exactly when he left there. I do know that he was there until at least May 1820 (court document) and that he sold the **aforementioned** land in March of 1821. If he **lived** in Carter Co. TN during that **period**, then **all** the remaining **children** (**Nancy, Deniza, Isom, Minerva, Thomas and James**) were probably born there - assuming birth dates are correct. Other sources say these children were born in Grainger Co. TN and one, **Minerva, in Wayne Co. KY**. It **is** probably safe to say that Reuben went from Carter, TN to **either Grainger, TN and/or Wayne Co. KY**. I could not **find him** in the Monroe Co. IN federal census until 1840 but several of **his** children were married there in the late **1820's** and early 1830's. I think he must have been there before 1840, but can't prove **it**." If any of you can help Charles, his address is 15508 Saranac Dr., **Whittier, CA 90604**

Dead End Roads (contd.)

JAMES M. COFFEY JR. states: "My ancestor **is** Jesse Coffey. He was born 19 July 1799 according to his tombstone **in** Pickens. Co. GA. The 1850 Gilmer Co., GA census **indicates** that he was born **in** North Carolina. We have located his marriage bond, 22 Dec 1821 Wilkes Co.. N.C. to **Winnefred Compton/Crumpton**. After that nothing until the family shows **in** the 1830 census for Gwinnett Co.. GA. From 1830 on we have he and the family fairly well **identified**. If any of our cousins have anything on Jesse between 1800 and 1830 he sure would appreciate the **info**." James address **is** 5691 Mill Trace Dr., Atlanta, GA 30338

James M. Coffey Jr. also writes that he is attempting to locate **William** Coffey after 1853. **William (b.1786 NC)** was the son of John (1753-1825) and Mary (**Polly/Molly**) Coffey. William and his wife Sara were **identified in** the 1850 Gwinnett Co. GA census. Living with them was Jane **Compton** (age 80). Jane **Compton** is the daughter of Thomas Field (brother of Sally Field that married Thomas Coffey (1742-1825)). She **is** also the mother of Wlnnefred Compton that married Jesse Coffey. **Jane** Compton (and her husband **Hezekiah** Compton) had a daughter Sal 1 y who married a Coffey. It **is** suspected that **Sally** Compton is the same as the **Sara, wife** of William **in** the 1850 census. William and Sara Coffey and Jane Compton received their letter of dismissal from the Old Suwanee Baptist church **in** Gwinnett Co., GA 26 Aug. 1853. James **is** unable to locate them after 1853. If any of our cousins have anything on **this** please let **him** know. **His** address **is** 5691 Mill Trace Dr., Atlanta, GA 30338.

KAREN McLEMORE 1409 Easy Street, Needles, CA 92363, asks if any new research has been done on the Smiths, **Powells**, Places, Graves, and **Mayfields**. She would **like** to correspond **with** someone doing **this** research.

ANICE DUNGAN DUKES **is** interested in obtaining **information** on Simeon COFFEY/COFFEE, born ca 1812 in **Miss.** and died prior to 1860. He married before 1840 to Sarah **Elizabeth** Beaubé, born ca 1824. He was shown on the 1840 census of Jefferson Co.. **Miss.** with a wife and one son under 5 and 2 daughters under 5. (They had at least 6 daughters total.) The son's name was Anderson Coffee. One of the daughters was Emily Coffee who married Leroy Clanton 15 Dec 1875. They were the great grandparents of **Anice**. She would **like** to correspond with anyone who has any information about Simeon Coffee or **is** working on this line of Coffee's. Her address **is** 359 Twin Branch Dr. **Satsuma**, AL 36572

JOHN BURNETT **called** last week looking for **C.C.C.** He **is** researching the line of Jessie C Coffey born 12 Jan. 1833 **in** VA. He married 22 Dec. **1853** to Nancy F. Allen. She was born 6 Jan. 1840. John's address **is** 606 S. Cass, **Delphos**, OH 45833.

DOCUMENTS_GALORE by Tim Peterman
Continued - 1 thru 36 is ln Vol #35.

Documents galore is a feature provided by Tim Peterman. It is from his collection of references to the Coffey/y Family.

The following is a list of Federal Court cases involving a Coffey or variant as a plaintiff. These cases were found in the 1906 Decennial Edition of the American Digest. A Complete Table of American Cases from 1658 to 1906, Vol. 22, 1912. This index indicates which books the cases appear in. Federal Court records can contain a gold mine of genealogical information.

Explanation: These cases appear in a number of different law books. They are indexed according to volume and page number. For example, the case: Coffee v. Adams will be found on page 347 of the volume 65 in the series of Georgia law books.

There are collections of law books in law libraries which can be found in most large cities. The valuable genealogical information will probably not appear in the law book, but rather in the court dockets and files which are stored in various repositories. Depositions filed in relation to the case probably contain useful information.
