Dear Cousins,
 Jim and I wish all of you a very MERRY CHRISTMAS. It's been a big year and I can't believe it's almost 1992.

It won't be long till we see many of you in San Antonio. Jeff Coffey, our host this year, is a very enthusiastic worker and I know we will have one of our best conventions in Texas. I have a lot of new Coffee/y books to share this year also.

I want to thank those who filled out the four generation charts. You will note the results in the "Ancestor and Address" section. I was surprised by some of the matches we made. I'm not sure we want to print it this way too often as it is a space hog. I have many things I wanted to print this time but not enough room. If we could get about 20 more subscribers we could mail 3rd class, therefore mail more pages. I guess the first thing to wish for is to keep all of you as subscribers for 1992. as subscriptions are due by March.

The idea has been presented that we make a Coffee/y genealogy/sightseeing trip to Ireland. Benny Loftin has recommended the ladies who escorted her genealogy trip this last June. She was very pleased. We can make it a topic of discussion at the convention.

MERRY CHRISTMAS, Bonnie and Jim

MEET OUR NEW COUSINS

CARLENE COFFEY SMITH is about as "Coffey" as you can get. She descends from Lewis Coffey 1813, son of James Coffey & Sally Sumpter on her father's side. Then her mother's father was Henderson H. Coffey 1870 son of James Nelson Coffey and Carlene's mother's mother was Margaret Coffey 1970, daughter of Henderson Coffey 1843. This gives her lots of Coffeys to research. Does anyone want to help on some of these lines? Her address is in the new cousins list. Carlene says that she would love to attend the San Antonio convention but she is a florist and the May date is too close to Mother's Day. Her son, George Smith III is an Air Force pilot stationed at Del Rio, TX. We have to thank Alma Whitis for telling Carlene about us.

BEULAH DANDELLEY is also researching the line of Agnes Nancy Coffey who married Samuel Caskey, 12 Dec 1811 in Lancaster Co., SC. Agnes Nancy died in 1883 at Florence. Williamson Co. TX. Beulah is Mrs. Clyde Dannelley,

THOMAS and RUTH DANNELLEY are researching his mothers line. His mother is Georgia May daughter of Thomas D. May. Thomas D. was the son of Vianna Caskey and she the daughter of John Coffey Caskey. John Coffey Caskey was the son of Samuel and Agnes Nancy (Coffey) Caskey. Agnes Nancy was born 1795 and died 1898. She may be the daughter of Hugh Coffey Jr.! Thomas and Ruth would like to hear from some of the Cousins researching the Hugh Coffey line.

HARDING C. COFFEY descends from Martin Coffey, born 15 Sept. 1762 and died 27 Nov. 1867. He lived to be 105 years, 3 mo and 17 days old. Harding says that he is looking forward to the convention in May. He wishes that he had heard of us sooner. (So do we.) He is looking forward to meeting and hearing from distant relatives and possibly some new friends. We will look forward to meeting him and his family too.

MARY COFFEY LOWER and her husband (Monte) were at a reunion in San Antonio this summer where they met Jeff and Kitty Coffey, who she described as pleasant and helpful. What a stroke of luck for CCC. Mary says that she and her brother Francis Coffey (who lives in Long Island) are 1st generation Americans. Both of their parents were born in Ireland. Her dad Francis B. Coffey, born Jan 1901 - 1970 in Raycoslough, Kenmare, Ireland. His father Jeremiah Coffey 1862 - 1900, County Kerry, Ireland. Mary still has several 1st cousins living in Cork & Dublin. She would like to exchange information concerning "Coffey's".

Sallee Garner doesn't tell us who recommended CCC but we are pleased to welcome her. Her Coffey ancestry comes by way of her ~~ggg~~-grandmother Rachel Coffey, who married Thomas Jefferson Jones. Her father, and Sallee's ~~gggg~~-grandfather, was Lewis Coffey, whose 1850 will was recorded in that year in Wayne County, KY. Lewis is the son of James and Elizabeth (Cleveland) Coffey, grandson of John and Jane (Graves) Coffey and g-grandson of Edward and Ann (Powell) Coffey,

Brenda Haddock is researching the Marvel Coffey line from Wilkes County and Caldwell County, NC. It would be appreciated if someone of this family would contact her. Brenda's address is in the new Coffey Cousins list.

Charlene Lawler Upton descends from great grandmother Leona Coffey Overturf of Walla Walla, WA. Her father is Charles James Lawler who is terminally ill and unable to help Charlene with the family's origin. But Charlene was luck enough to contact Anna Cassell through the "Prodigy" bulletin board. So we are indebted to Anna Cassell again for another new interesting member. Charlene asked for Marvin Coffey's address (1018 Clay St. Ashland, OR, 97520) as she is interested in a copy of his book "James B. Coffey, Vol II: Ancestors". Possibly some of the researchers for the James Coffey (1729-1786) will contact her.

Cousin of the Month

*

T. J. Coffey, Jeff to us, deserves a special thanks for spreading the word to the Coffee/Vs in Texas. I think he attended all of the family reunions in the state (and it's a big state). He even volunteers to work for his genealogy society, to pass genealogy information at various functions, as one of our new members got our address from him at a fair. Thanks Jeff for recommending CCC.

DIVISION OF CORRECTIONS

ATTENTION: NEBUZARADON 8. JOEL COFFEY RESEARCHERS

Daraleen Wade, 4305 Toni Ave., N., Salem, OR 97303, wrote to correct an error that was printed in the September CCC. We greatly appreciate her input in calling our attention to material that is incorrect. Her documentation requires our respect and we should correct our records to reflect these corrections. Her letter is as follows:

"On page 13 of the September 91 CCC, there are some statements made regarding the Ananias Coffey lineage which are in error. Ananias Coffey was, indeed, the son of Nebuzaradon Coffey, as evidenced by Nebuzaradon's will which was proved on 07 Mar 1797 in Madison County, Kentucky. Nebuzaradon wasn't, however, the son of Joel Coffey. This is one of the misconceptions we have had to contend with for years and is one of the reasons I asked the Daughters of the American Revolution, "DAR", to close the Joel Coffey line because they were perpetuating an erroneous line by continuing to circulate the information in their files.

Joel Coffey did have a son Nebuzaradon, but he was born after his father's death in 1789 - much too late to have married and had a large family by 1797. The older Nebuzaradon was one of the executor's of Joel Coffey's will (Wilkes County, NC), a will which does not name a son Nebuzaradon but makes reference to his wife being with child. Nebuzaradon Coffey, the son of Joel, was born in August 1789, shortly after his father's death. Nebuzaradon, the father of Ananias, is thought to have been a brother of Joel and, while we have no proof, Preponderance of Evidence, "POE", indicates they are both sons of Chesley Coffey.

Descendants of Nathan Coffey, the one who married Mary Saunders, have also joined the "DAR" as descendants of Joel Coffey, a lineage which is also erroneous. This Nathan appears to be another brother of Joel and Nebuzaradon. Joel's son Nathan was born in 1788 and married Sarah Meredith."

Another piece of information on Ananias Coffey - Ananias appeared before the Court of Adair County Kentucky on Monday, July 6, 1807, to answer a complaint by Jane Hindman, single woman, against him "for getting her with child". He was ordered to pay Jane \$100.00 for the maintenance of the said bastard child. [Adair County, KY Court Orders, Vol. B, page 20]. Apparently he decided to marry her rather than pay the fine - they did marry as evidenced by the Bible record and by the marriage which was recorded in the Green County Marriage Records [BOOK A pg 109] and taken from "Green County Marriage Records. 1793 - 1836" published by the Green County Historical Society, date not given. There is a discrepancy in the date between the two records referred to - in the material on the Bible Record it gives their marriage date as 24 Aug. 1807 while the published marriage record give the date as 24 Aug. 1809. It is unclear to me if the marriage date as published with the births for that family was actually taken from the Bible record or was it information added by someone just to enhance this particular item? Whether the marriage took place in 1807 or 1809 needs to be resolved by looking at the actual marriage records in order to resolve the discrepancy.

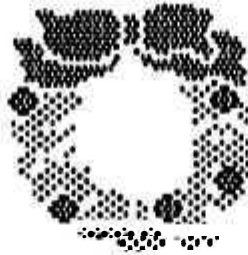

Interestingly enough, there is no child listed in the Coffey/Hindman Bible Record as being born before 1809. The question comes to mind - was it Nancy, whose birth date is given as April 11th 1809 in the Bible, with a misinterpretation of her birth year, it really being 1807? Or, did the "bastard child" die young and the name was omitted from the record so as not to "muddy" the family record? The birth date of Zidner, June 15, 1810, fits nicely with a marriage occurring in August 1809 - if that is indeed the correct marriage date. (Possibly some of the descendants of Ananias and Jane have resolved the questions posed above. If not, maybe this will encourage them to do so.)

Another Coffey was charged with bastardy in Adair County, KY Court in 1811, Nebuzaraden Coffey appeared before the court on November 4th of that year to answer the complaint filed against him by Dicy Bellow. While Nebuzaraden doesn't seem to have denied the charge, he did ask it be dismissed because it wasn't brought against him within twelve months from the birth of the child. The Court overruled the motion and Nebuzaraden was ordered to pay for the child's support with George Bellow named as guardian. On April 6th 1812, George Bellow acknowledged that he had received \$150.00 from Nebuzaraden Coffey as full satisfaction of the Judgment.

The Nebuzaraden Coffey named in this complaint hasn't been positively identified, but he is thought to have been my (Daraleen's) ancestor, the Nebuzaraden Coffey who was born in 1789, the son of Joel. There were 2 or 3 other Nebuzaraden Coffeys in the Kentucky counties of Adair and Russell, but not enough is known about them to know if they would have been old enough in 1811 to have been the one named in the suit. This "bastard child" appears to have been Houston R. Ballew who died 16 January 1853 in Russell County, KY, at the age of 45, the death record showing Zarah Coffey as his father [Russell County Deaths 1852 - 1858, LDS microfilm 216,839, item 3]. The name Zarah Coffey appears in Adair and Russell Counties, KY and in Wilkes County, NC and is thought to be a nickname for Nebuzaraden.

The Coffey families weren't very imaginative when it came to naming their children. We find the same names used in several families living in the same area, at the same time, with their ages being about the same. Consequently, it is very difficult to place the Coffey descendants in the correct family and this has caused problems for Coffey researchers down through the years. Much of the information circulated on the family is erroneous, simply because early researchers didn't have research facilities available to them as we do today and they inadvertently attached themselves to someone of the name they "knew" was their ancestor without realizing there were more than one of that name. Unfortunately, the patriotic societies, as well as the LDS Church, have been pretty lax on documentation in the past, something which all of them have clamped down on in the past few years. Consequently, we not only have to "prove" these early families, we also have to combat the erroneous material which keeps getting circulated, and recirculated, and "that ain't easy". It behooves each of us to take with a grain of salt any undocumented material we see on the Coffey family. We should use it only as a clue to lead us to a primary source record which will get these families into their proper order. And, believe me, we all have "caffeine fits", sooner or later, when we've had too much COFFEE/COFFEY!

Sincerely, Daraleen Wade.

THE MAILBOX

We were pleased to hear from MARIE AMELL again, We missed her and her husband at the convention this year.

DEAD END ROADS

RUBY Buck says that her third great-grandfather is Newton Coffey (b. 1773. Wilkes Co., NC) married Sarah Meredith in 1802, Adair Co. KY. Has anyone found this record? Ruby says that she has searched Adair and Green Counties with no success. Newton's daughter, Nancy (b. 1810. Adair Co., KY) married Thomas Wiley in Montgomery Co., IL., 7 Feb. 1831. Newton and family had moved to Montgomery Co. before the 1820 Federal Census. Ruby also wishes to know if anyone has proof that Newton is the son of Salathiel and Elizabeth Coffey. Also was Elizabeth (Salathiel's wife) a Cherokee Indian? If you can help Ruby with any of the following questions, her address is 1555 Pebblewood Dr., Sacramento, CA 95833-1608. P.S. (later letter) Ruby says that she has a record of a "power of attorney" being given to Newton by Ephraim Ellison in Adair Co. KY. (Deed Book A Index) on 16 December 1805. Newton was in Wilkes Co., NC on 4 November 1797 as he was a witness to a deed between members of the Noland family. He moved to Bond Co., IL., c1816 or 1818. He was in the 1820 FC of Bond Co. IL.

Margaret Billing is searching for the parents of Mahala Coffey b. 1803 (per 1850 Russell Co. KY census). Also when and where did James and Mahala (Coffey) Coffey marry? James Coffey died 25 April, 1857 in Russell Co. KY. Their daughter Matilda Evaline Coffey married 20 Dec, 1854 in Russell Co. KY to John Holt. If anyone can help Margaret with her family please write her at 7210 Twin Oaks Dr., Indianapolis, IN 46226.

Lillian Thomas is searching for help on her Coffee/y line. She is looking for any lead on Ella Coffee of KY who married J. J. Novell. Ella was the mother of Marlah (Novell) Smith. Lillian's ancestor. Lillian's address is 211 Schaumburg Rd., Streamwood, IL 60107-1460.

John Czarowitz has found another Coffee/y line in his genealogy. Margaret (Coffee) McKinney b. abt 1710-1720 and lived in New Jersey in 1740. She married Daniel McKinney abt. 1734. Margaret died abt 10 Apr. 1807/09. John would like to correspond with someone working on this line. His address is 4102 Chestnut, Temple, TX 76502-2247.

CONVENTION 1992

Dear Cousins:

Plans are all set for our May 1, 2, 3, 1992 reunion. Sightseeing during the day Friday May 1, (\$12.00/ person), Dinner on the river Friday evening (\$23.00/person - limit 40 people), and our Saturday Banquet at the EconoLodge, Airport (\$12.00/person). There are still some seats available for dinner on the river - get your money in to me if you want one of these places!!

The number for sightseeing is not limited, but I do need to know if you want to be included and it would help if you would send your money since I must put up a deposit in advance.

We have a banquet hall that will seat 100 - - I hope you will fill it. And Again - I need to know how many are coming so I can tell them how many to prepare for. Also, your money with your reservation would be helpful since a substantial prepayment is required several days ahead - \$12.00/ person includes tax and gratuity.

Make your room reservations directly with EconoLodge, Airport - 333 Northwest Loop 410 - San Antonio, Texas 78216-5397 or phone (512) 344-4581. DO NOT CALL the 1-800 number for EconoLodge as you will not get the special convention rate.

Sincerely, your cousin,
Jeff Coffey
