Surnames of County Westmeath

Excerpt from IRISH ROOTS magazine, 1992, Issue Number 4.

Among major Westmeath Gaelic surnames are O'Coffey, O'Daly, McGoeghegan, McAuley, Fagan and Seery. The O'Coffey clan, whose seat was in County Westmeath for several hundred years, produced a number of eminent poets and theologians. It is recorded that Hugh O'Coffey, a learned poet, died in Fertullagh in 1452. Tieve O'Coffey was chief instructor of Ireland and Scotland in poetry. He composed many poems in Irish, including one of sixty-eight verses in praise of the redemption. Owen O'Coffey, "the most learned in Ireland", composed a poem of one hundred and sixty verses in praise of James, Earl of Desmond, and Muircheatach O'Coffey, composed seven hundred verses in honour of various members of the Nugent family, barons Delvin...The most prominent Anglo-Norman family with extensive Westmeath connections is undoubtedly that of Nugent. The Nugents originated in Normandy, accompanied William the Conqueror to England and fought at the Battle of Hastings. In 1172 Sir Gilbert de Nogent came to Ireland with Sir Hugh de Lacy. Through a clever marriage to de Lacey's daughter, he was granted the barony of Delvin in County Westmeath, and distributed this large tract of land among his brothers. By the end of the sixteenth century, the Nugents had fortified this area and had built castles at many places, including Carlanstown, Loughgar, Killough, Drumcree, Brooklyn, Donorc and Streamstown. The Nugents became admirers of the Gaelic way of life and acted as patrons of the O'Coffeys, the bardic clan of Westmeath.....

EDITORS LETTER

Dear Cousins,

The 1994 renewals for CCC have been exceptional with over two thirds already in. I appreciate your support. If you have not seen anything about your line or ancestor in recent issues, I suggest that you send a **query** or story about the family you are researching. It stirs interest and sometimes controversy around these subjects and causes us to check the records. Another researcher may have something that he just never thought to share before.

I do have material submitted by cousins that has not been used, however, most but not all will be printed in future issues. Do keep in mind that there are copyright laws and if we use an excerpt from a book, it must have the title of the book, the author and preferably the publisher. I keep queries current and attempt to use all short subjects in the next issue. Longer stories are harder to fit in. I never throw a letter away. I have a correspondence file for each of you with every letter I've ever received. It will make a great collection for some library some day. I can't thank all of you enough for your contributions to CCC.

Don't forget to make reservations for the convention in April 22, 23, and 24 in Richmond Virginia. If my mail is any indication, it may be the "Mother of all conventions". As most of our early ancestors came from Virginia, we need to keep on top of all available Virginia records and sources. Our convention speaker is Conley Edwards, head of the Archives in Richmond.

The long dreary winter was broken for Jim and I by the birth of a new grandson, Dean James Workman on Feb. 17. He

interfered with my work schedule a little but is worth every minute of it. See you at the convention.

Your Cousin,
Bonnie

PS. I had to do some squeezing this issue. Please excuse. I saved the Documents Galore section for the next issue.

MEET THE NEW COUSINS

LOIS BERTRAM wrote to us last year about her ancestor, but she has found more information. Lois' great grandfather is Benjamin Franklin Coffee/y b. Oct. 3, 1834 in Schulyer Co. MO. and d. July 18, 1926 in Hext, Menard Co. TX. He married Mary Delilia **Nicklaus** (Nicholas). They had four children: Delilah, Bennie Frances, Minnie and a girl whose name we do not know. Lois' grandmother was their daughter, Bennie Frances Coffee (b. July 18, 1879 in Del Rio or Eagle Pass, TX. d. Dec. 19, 1972 Snyder, TX), who married **Acel** Thomas Alexander. Their daughter, **Ettie Ellen** (b. Dec. 22, 1900 Menard TX, d. Feb. 29, 1976 Jourdanton, TX.), is Lois' mother. She married Cicero Felton Randal on Dec. 10, 1916 in Post, Garza Co. TX. Benjamin Franklin Coffee/y was a member of Company C, 33 Regiment, Texas Cavalry. His records spell his last name as both Coffee and Coffey. If anyone has information about the ancestry of Benjamin Coffee/y, Lois would appreciate your help. She is a new cousin.

NORMA RICHARDSON YORK is the granddaughter of Ida Jane Coffey. Ida was the daughter of William & Josephine Jones Coffey and the granddaughter of Colby Coffey 1806-1888. (Colby is the grandson of Benjamin and Polly Hayes Coffey) Norma would like to correspond

with other descendants of Colby Coffey or anyone working on these lines. Her address is in the new cousins list.

THOMAS A DANNELLEY is back. His ancestor is Agnes Nancy Coffey Caskey. We hope that he will let us know where his research has taken him lately.

LYLE B. COFFEY is the brother of Vic and Phyllis **Coffey**. They descend from Amos D. Coffey b. 1811, the son of Elijah and Mary Abby Dyer Coffey. We hope to see him at the convention.

LOTUS WANDA TERRY is the sister of Frank Duvall. Frank has traced their ancestry to Jessie Coffey b. 1798 in Wilkes Co. NC. Jessie married on Dec 22 1821 to Winford **Crump** ton b. 1801. Frank and Lotus descend through Jessie's son John Gordon & Mary Pettitt Coffey, John was b. 1840 in Georgia. The next generation we find Raymond Lucious (Lucas) & Fannie Mullinax Coffey. Raymond was b. Dec. 12, 1871. Raymond and Fannie had Ida Pearl b. April 23, 1894 in GA. and d. Sept. 26, 1967. She married Walter Duvall. They were the parents of Lotus and Frank Duvall.

DR. JOSEPH P. CAIN is the nephew of our Merle Hobgood. He descends from Benjamin Coffey son of John and Jane Graves Coffey. The Benjamin researchers will be glad to welcome another cousin.

PHILLIP MURPHY is interested in the family of Margaret **Coffec** who married James B. Henly. Margaret was the youngest child of John Coffee and Margaret Baskin. Margaret's siblings were Elizabeth, William, Hugh, David P., James Jonathan N., Susan and Isabella. Margaret died in Ashley Co., AR on 10 Nov. 1874. Phillip would appreciate any information on Margaret's sibling or parents. Address in the new cousins list.

BEVERLY BAGWILL asks if we could please help her straighten out the Reuben Coffeys of North Carolina. She says that there seems to be several and some information seems related to the wrong Reuben and calls attention to the "Wayne County Kentucky Pioneers Vol. IV". Beverly descends from Reuben Coffey born **1744** in VA, who married Sally Scott 1769/70 and had 13 children. He is the son of John and Jane Graves Coffey. She would **like** some help before she begins digging the wrong Reuben. Beverly descends from Reuben & Sally Scott Coffey through their granddaughter Malinda Caroline Coffey who married Isaac G. Franklin. She would also like to know who is the Benjamin Coffey, age 14, living with Isaac G. Franklin in the **1850** Owen Co. Indiana. Beverly 's address is in the new cousins list.

BILLY G. LEE is looking for parents of the Simeon Coffey listed in the Jefferson County MS, 1850 census. He has not found a cemetery record or marriage record, but says that one source says that he refused to fight during the Civil War and he would hide from the troops. He does not appear with the family after the 1850 census; therefore, it is concluded that he either deserted the family or was killed during the war. One undocumented source reported that his name was Simon Peter and that he had Indian ancestry. There was a prominent Coffey family in the area (Chesley L.

Coffey who married Mississippi L. Davis in Jefferson Co., MS on Oct. 10 **1850**). In fact there are ten Coffey-Coffee's with marriage records in **Jefferson** County, but none during the time when Simeon and Sarah Elizabeth "**Sallie**" Beaubé would have married. Billy would like help. His address is in the new cousins list.

MAIL BOX

ROD A. COFFEY wrote to answer my request for Wm. D. Coffey Sr. of Colorado's address. Bill has had a heart attack but was doing better **whcn** Rod last heard. We wish Bill a speedy recovery.

CONNIE PLATT wrote that she wishes that "**Tim** Peterman would make some more great discoveries for our line!" We would love to see him doing Coffey research again.

J. ASKEW COFFEY sent us some old pictures of his family for the Coffey scrapbook. Possibly someday we will be capable of printing some of them. Thanks

KATHY RHOTEN wrote that **shc** would be glad to help others with their research. She is a retired nurse and still in **thc** habit of helping other people whether in need of medical care or genealogy. She says that she has had a lot of help from others. Kathy has been researching in Pulaski Co. KY recently.

FRANK & FRANCES DUVALL have been very busy collecting Coffey material. I hope they come to the convention and show it off.

We want to thank **Boyce Coffey** for answering an inquiry in the December issue. Jan Hodgson wrote that she was so pleased to hear from a cousin who she hadn't heard from in a very long time.

DEAD END ROADS **0**

ROD COFFEY is having a lot of success with his Coffey family research and is sharing his research with his cousins Ruth Warburg and Alan Coffey. Rod has found Elijah Coffey's wife's maiden name, **along** with her family history. Elijah Coffey (b. **1817** KY.) married Margaret Armstrong (b. **1824** in Maury Co. TN.) in Davles Co. Missouri. NOVA A. LEMONS, who is not a Coffey cousin, but would like your help. She writes: "I have found several connections between the **Coffee/ys** and my ancestors. They all lived in the counties of Albemarle, Amherst and Nelson in Virginia before migrating to Casey Co, KY. Later they ended up in the counties of Gallatin, Franklin and Hamilton, IL. So far I found two marriages and would like to know more about them. And if there are other connections, I descend from John Matthew(s) Hatter through his daughter Lucy who married James Sneed. Jessee Coffee sold land to James Hatter, son of John M. Hatter, in Casey Co. KY in **1802**. Lewis P. Coffey was the first husband of Nancy Ann C Laswell (married 5 Oct. **1842**, Hamilton Co., IL). She married second to Eldridge **Sneed** on 25 Oct 1853 and he died **in** 1857. Nancy did not marry again. Her children were: Sarah J. Coffey, Sophronia(Coffey) Hicks Griswold, Louisa (Coffey) McGill, and

LadoniaSneed. The daughters were born in Hamilton Co., IL and possibly lived there all of their lives. Melvina J. Coffey, daughter of Eli Coffey, married on 22 Feb 1882 in Hamilton Co. LARRY & MARY COFFEY are searching for anything on John (Jack) Coffey, who was in the Central New Jersey in the mid-1800's. This Jack Coffey allegedly owned a large tract of land which is now a bustling suburb of Trenton ("White Horse" area in Hamilton Township). This tract was said to include a large clay quarry, but Mary has not found a record of this (clay was important to Trenton as a source of the porcelains & fine china industry). Allegedly, this Jack Coffey married an Indian woman who smoked a **pipe!** "(Where do these stories come from?)" The only possession Larry has of Jack's is a powder horn, which seems to predate even the mid-1800's. Jack had a son, also named Jack Coffey, who had a drinking problem and lost the family property. Jack Jr.'s son (yet another Jack Coffey) was a policeman in **White-Horse/Yardville** area **ca 1925-1945**. Mary's address, **118 Lambertville Hdq. Rd Stockton, NJ. 08559**

MARGIE COFFEY is looking for help on the children of Nebudezzar and Elizabeth Coffey. Her address is P.O. Box **112**, Columbia, KY 42728.

ELIZABETH DOWNS is researching the Elisha Coffeewho had a twin Elijah and other brothers; Edward, Joel, Cleveland, John and one sister. They came from the Pendleton District SC to Raben Co. GA about 1820. (Elisha & Elijah was born in SC according to the census records). Elisha was in Franklin Co. GA in 1840 and Murray Co in 1850 - 1880 census. He died in **1891**. Elizabeth would like to correspond with others working on this line or related lines. She is also looking for a good description of the Coffee/y coat of arms, as she would like to do a water-color of it. Her address is 4780 Haygood Point Rd., Virginia Beach, VA 23455.

BERNIE COFFEY of Dallas has had a tremendous amount of success with his research this year. We hope that he comes to the convention prepared to "show us how it was done". He descends from Michael & Mary Smith Coffee from Ulster and Sullivan Counties of New York. Michael & Mary married in New York City in St. Peter's Church on Barclay St. on 28 Sept. **1849**.

RICHARD L. ALLEN is working on the **NORDYKE** family. He says that they were a Quaker family taking a round about migration from New Jersey through Virginia, Georgia, the Carolinas, Tennessee, Kentucky and Ohio. Their daughters would marry and be left here and there along the way. By the Civil War, all of that surname had left the South. If any of the **Coffee/ys** have wives with the maiden name of Nordyke, Richard would like to hear from you. His address is 8043 Greenleaf Terrace #33, Glen Burnie, MD 21061-4949.

DR. ROY COFFEY wrote that he found the grave of his great grandfather *in* Northwest Missouri near Anthus. He is wondering how many of this family migrated to Missouri. I hope that Dr. Coffey sends us more about the grave he found.

DIVISION OF CORRECTIONS

CONNIE PLATT called it to our attention that in the last issue, Dec. 1993, page 5. We listed Vince Mobley's address as **McMinnville, OR**. It should have been Oklahoma. Please make this correction in your issue.

WILLARD ISRAEL responded to Virgil O. Coffey's questions on page 6, issue 53 of CCC. Willard says that what concerns him most is that it is implied that Lewis Coffey, born Jan 12, 1777 was a son of James and Elizabeth Cleveland Coffey. The facts are that he was a grandson. Lewis was the son of John and Molly Coffey, a brother of Willard's Sarah Coffey Israel. Lewis Coffey was born Jan. 12, 1777, d. Nov. 29, 1853 and married Elizabeth Coffey, b. Nov. 22, 1778, d. Mar. 5, 1853. They are buried in the Old Suwanee Baptist Church Cemetery, Gwinnett Co. GA. The following was copied by Willard A Israel, Rt.2 Box 209, Crossville, Alabama 35962. There are many births and

deaths of the Archelaus A and Elizabeth Coffey Strange family in the Bible record, many of which are too dim to read. Sally (Sarah) Coffey Israel born May 1, 1779 is **Willard's** 3rd great-grand mother.
