**MARK YOUR CALENDAR FOR
CONVENTION '96**

GAIL BACHMAN, our convention chair-
woman writes that she is in the pro-
cess of firming up the details for our
accommodations, meeting room, etc
and will be able to provide us with
definite information on the convention
by the December issue. Gail is doing a
good job of getting everything planned

early and we appreciate her hard
work.

Bernie Coffey suggested to Gail that we
might try to have a genealogy work-
shop. Gail would like to hear from
cousins who might be interested in
attending. If you have any comments
or suggestions, let Gail know. Her
address is:

DEAR COUSINS,

Summer sure has flown by in a hurry. It has been very hot and dry here since June. I think I complained about the excess rain in the last issue. That is typical Missouri, too much in the spring and nothing in the summer. Jim and I are staying in the cool.

We did attend the Hot Air Balloon National Competition that was held in Columbia, MO last month. Did you ever see 200 hot air balloons go up at one time. "Spectacular!" We are planning to attend the National Kite Flying Competitions in Tulsa, OK the last of September. Jim doesn't think that he will be able to compete because of his knee problems, but it should be fun to watch.

We had planned to attend the Coffey Family Reunion held in Texas this year, but I got a bad case of poison ivy on my face, neck and hands just before time to send in our registration. I hope that we can attend next year.

I have lost the "Maries Co. MO History" and would appreciate it if those who were in Baton Rouge would check their books to see if it could have gotten mixed with yours. Thanks.

It is a special privilege to be able to print the Coffee and Coffey records of St. Mary's Church, Youghal, Ireland. We wish to thank Tom Veale of Dublin, Ireland for these records. I hope we hear from him again.

Keep those letters coming and have a good fall.

Sincerely,

ffiannie Culley

New Cousins

Arnette C. Detyens is the daughter of Arnold Justin Coffey (22 June 1913/ 14-8 Apr. 1966) and Beulah Eloise Smith (26 Apr. 1918 -) of Catawba Co. NC. Arnold is the son of George Franklin Coffey (28 Oct 1884 - 10 Dec 1941) and Mary Emma Greene (25 Feb 1883 - 10 Oct 1967) Mary Emma was the daughter of Joel H. Green & Martha **Elrod**. George Franklin is the son of John Nelson Coffey (7 Aug 1858 - 10 Dec 1932) and Laura **Henly** (10 Apr 1862 - 2 June 1936) daughter of Henry Henly and **Amey** Greene. John Nelson Coffey is the son of Larkin Coffey and **Libbie** Wyatt. This is where Arnette needs help! If you have anything that might help her with her research, her address is in the new cousins list. Arnette says that on the death certificate of George Franklin Coffey, H. E. Coffey of Blowing Rock was listed as the informant and brother.

Pam Folden wants to share research on the family of Hugh Coffey Sr. (b. 1710 Harpers Ferry VA) and his children: Henry b. ca 1730, John b. ca 1740, Rebecca b. ca 1744 and married William **Gualtea** in 1762, Nathan b. ca 1747, and Hugh b. 13 Mar 1750 and married Agnes Montgomery. Pam says that their descendants went to

Lancaster Co. SC in **1754**. Pam's address is in the new cousins list.

Darlene Henson would like to correspond with persons who have information on the John and Elizabeth (Coffey) Cleveland line. She was given information on C.C.C. by Vikki Lynn Cleveland, Editor of the Cleveland Newsletter. If you can help Darlene, her address is in the new cousins list.

M. Yvonne Coffey is in the process of updating the record of the descendants of three Coffey brothers who came from County Cork in 1853/54: Michael (Yvonne's great-great grandfather), Patrick and Maurice. They were supposedly from Waterford area. I'm having some difficulty locating the children of Patrick Mahoney Coffey (**1 June 1907 - 28 Jan 1968**), a **grandson** of Maurice. A son, Vernon Mahoney Coffey did live in the Chicago area. Any information on him would be appreciated. Yvonne's address is in the new cousins list.

Raymond and Donna Coffey of Stockton MO called me for information on CCC. We need to get them to write their lineage so as to share it with the cousins in the next issue of CCC.

New Cousins contd. next page.

Paul C. Summitt found all of the back issues of CCC in the Daughters of the American Revolution (DAR) Library and is interested in corresponding with others working on the Chesley Coffey line. He descends as follows: his mother, Maurine Burch Summitt b. Nov. 21, 1905 in Columbia, MO to John Henry Hunton, Jr. and Eliza Ellen Coffey. Eliza was b. June 10, 1865 in Columbia, MO to Meredith Washington Coffey Jr. b. Feb. 21 1843 in Pike Co. IL. to Meredith Washington Coffey Sr. and Eliza Hutchenson. M.W. Coffey Jr. d. May 19, 1928 in Columbia, MO. Meredith Washington Coffey, Sr., the son of Nathan Coffey and Sarah Meredith was b. in Simpson Co. KY on March 3, 1813 and d. in Pike Co. IL on Oct. 30, 1842. This Nathan Coffey was b. in Wilkes Co. NC on Jan. 10, 1788 and d. in Pike Co. IL no Sept. 19, 1834. Paul says that he believes that this Nathan is the son of Joel Coffey who died in Wilkes Co. NC in 1789 and that his mother was Martha Step. Substantial detail on this Nathan Coffey and his family is contained in a book on Pike County history by Jess M. Thompson. Paul wonders how this Joel Coffey relates to the other of his contemporary Coffeys in North Carolina and Virginia and who his parents were. Paul says that he is interested in filling in the gaps as far back as possible and is willing to share what he has found. Paul has purchased CCC for his mother Maurine B. Summitt and his daughter Julia Summitt Miller. Paul and his family's addresses are in the new cousins lists.

Lorisa McDonald is the eldest of 4 children. Her mother, Donna's maiden name is Coffey. She was born in Estevan, SK, Canada in 1940 and is the eldest of 3 girls. Her father Ralph DeVere Coffey, was born in Thurman

Iowa in 1909 and moved to Glentworth, Saskatchewan, Canada at the age of one. He is the eldest of 5 children, 2 of whom have passed on. Lorisa says that she is able to keep track of the descendents of these 5, but has little information on the generation before. Ralph's parents were Ebberly **Judson** Coffey and Laura Jeanette (nee Proctor). They spent their early years in Thurman. Ebberly was one of 8 children: Edward, Nell, Mollie, Boyce, Thomas, Emma, and Hattie. Lorisa would like to **find** out who and where the children and grandchildren of these siblings are. There seems to be some rather different names in this part of this family tree (**Scofield**, Ebberly, Judson for instance) and Lorisa wonders if they are common names anywhere in the states? If you can help **Lorisa's**, her address is in the new cousins lists. Her e-mail address is llmcdonal@direct.ca

Sue **Chaffin** is researching the family of Martin Coffee who married Mary Bailey on 21 Sept. 1873 in Ray Co. MO. Her address is in the new cousins list.

MAIL BOX

I had a phone call from Brad Howland, 502 Market Street, Scottsboro, AL 35768-1812. He is researching the line of Weightstill Coffey and would like to hear from others working on this line.

Ron Payne writes that as part of his County's enhancement of the 911 emergency service system, each residence has been assigned a more definitive address. His is now 79 Payne Rd. He hasn't moved.

Lorisa McDoanld **would like to** correspond with other Coffey researchers on the internet through email. Her e-mail address is lmcdonal@direct.ca.

Bernie Coffey writes that he was really surprised to see Bob Johnsey's genealogy in the last issue of CCC. They both were very involved with the National Boy Scout Council and had traveled together to Cimarron NM to look at the Philmont property being donated to the Scouts by Waide Phillips. Bernie was not aware of Mr. Johnsey's Coffey connection. Bernie has generously requested a copy of the June issue for Mrs. Johnsey.

Bernie Coffey has also provided us with a pamphlet he acquired at the 1995 Summer Lecture Series, at the Dallas Genealogical Society and Dallas Public Library. The title is **TRACING YOUR IRISH ANCESTORS ON BOTH SIDES OF THE ATLANTIC** by David E. Rencher, A.G. It is an excellent guide to sources for Irish genealogy. I will put it in a binder and take it to the Coffey Conventions as part of our library. Look for it in '96 in Baltimore.

Margaret Yates writes that her enthusiasm is boundless! She had a great time at the Coffey Convention. She and Gail are excited about the 1996 convention. Margaret has joined the Monmouth Co. Historical Association and a genealogy club and is going to make some inroads on her family history. (We applaud her enthusiasm.) She says that she hopes there will be a good turnout in Baltimore in '96. It is such an interesting, historical and beautiful city. The Harbor Front is unique with state of the arts aquarium, shops, restaurants, The Star Spangled Banner, Francis Scott Key, Edgar Allen Poe, **McCormick** Spice Company (sometimes you can smell the nutmeg) and on and on. Margaret says that she is so glad that Bernie Coffey introduced her to so many nice people. (What a nice letter. BC)

It was a real treat to hear from Walker Coffey. His compliments for CCC are appreciated.

Myrtle Harwood sent a schedule for the 1995 National Genealogical Society Conference held in San Diego, CA, 3 - 6 May 1995. We received it too late to print, but if you are interested in the next conference, you might write - National Genealogical Society, 4527 17th St. N., Arlington, VA 22207-2399.

OBITUARIES**ROGER COFFEY**

Roger L Coffey of Lutz, FL, formerly of Richmond and Lynchburg, VA died Friday June 9, 1995 at age 49. Mr. Coffey ran for eight different political posts in Richmond between 1977 and 1990 and lost every race. In an interview Mr. Coffey said he hoped he'd at least be remembered here as proving "a candidate from a working-class background with little money can run and be viewed as a viable candidate - that a candidate doesn't necessarily have to be one of the elite."

Mr. Coffey served as pastor at several churches in Southampton County, Suffolk, Mechanicsville and Cartersville. He is survived by his father, Marshall B. Coffey of Lynchburg; and a brother, Phillip W. Coffey of Midlothian. He was buried at Spring Hill Cemetery at Lynchburg.

DON COFFEY

Don G. Coffey, 49, a retired Knoxville Police Department lieutenant, died June 7, 1995. Lt. Coffey, a 24-year veteran of the Police Department, was a supervisor of the department's Power Squad. Coffey also worked in the Metro Organized Crime unit, made up of city and county narcotics investigators. Lt. Coffey is survived by his wife, Karen Coffey; son & daughter-in-law, Jeff and Gina Coffey; father George A. Coffey; brother, Jeff Coffey. Interment was in Woodlawn Cemetery, Knoxville, (The Knoxville News-Sentinel, Fri. June 9, 1995, submitted by David & Pat Coffey)

MARVIN'S MESSAGE

Dear Cousins,

I need to clear up a misconception in my book. On p. 37 in the supplement the Joel listed with "no further info." is correct. However, I should have mentioned the elimination of the material about this Joel on p. 99 of the book. That information (wife Martha Cobb, etc.) belongs to the Joel, son of Jesse on p. 4 of the supplement as I have indicated there. There seems to be no information about the Joel, son of Joel on p. 99 of the book, at least as far as I can determine at this time.

Some additions to Lewis Elbert Coffey (son of Jesse S. Coffey) on p. 14 of the Supplement: Lewis E.'s wife was Hettie Gravett, b. ca. 1828 in GA. Their son William L. Coffey (1853-1905) had a son Leonard Edward Coffey (1876-1964) who was the father of Ella Mae Coffey (1902-1953). the grandmother of Jerry Adkisson of Harriman, TN.

Another addition comes from Rod Coffey of Denver, CO who is a descendant of the Ambrose Coffey on p. 26 of the Supplement (b. in Ireland). From Rod's data it appears that Ambrose, Jr. had additional children, Irma or Irena (b. 1813), and Elijah and Ezekiel, both b. 1817, in addition to the ones I have listed. I believe that Ambrose, Jr. 's wife, Lucinda Day must have died sometime after 1817 and Ambrose md. (2) before 1824 Margaret (last name unknown). The children, Ambrose (III), William, James, Rolla, Alsa, Cynthia and Susan would then likely be from Margaret. Rod had some information that Ambrose Sr.'s parents were William Coffee and Sarah Ralieggh from Ireland, but this is not proven. He also says that Elijah who md. Peggy

Patrick later md. Elizabeth Bowen, and Alcey Coffee (md. Elijah Brown) who I have as a probable dau. of William is actually a sister to William and Ambrose, Jr.

Dana Ann Mireles has indicated to me that the information concerning Willis Coffey on p. 39 of my Supplement is incomplete. The oldest child is not Nebuzaradon but rather Eliza Coffey. b. 28 Jul 1829, prob. Russell Co., KY, md. Willis Washington Warriner, on 30 Aug 1848 and d. 17 Jul 1870, prob. ether DeKalb or Buchanan Co., MO.

John Gray has sent a great deal of information on his family, much more than can be included in CCC. If anyone wants more they can write him at 3124 Maple Drive, Sand Springs, OK 74063. His line is Andrew Jackson Coffey, son of Cleveland and Susan (Hayes) Coffey, (p. 19 of the Supplement.) By his first marriage to Louisa Jane Hutchinson (md. 1 Sept 1851) he had children: 1) Susan J. Coffey b. abt. 1857, Gainsville, MO; 2) Thomas J. Coffey, b. abt 1859, Gainsville, MO; 3) William W. Coffey, b. abt 1860, Gainsville, MO; 4) James Timp Coffey (John's ancestor), b. abt 1862, Ozark, MO, md. Martha Jane Anderson, & d. abt 1914; 5) Andrew Jackson Coffey Jr., b. abt. 1864, Gainsville, MO; 6) Cleveland P. Coffey, b. abt. 1868, Gainsville, MO; 7) Mary J. Coffey, b. abt. 1869, Gainsville, MO. Louisa Jane Hutchison d. 13 Sep 1871 and Andrew Jackson then md. Rachel Imes (not Imas as I have it) 11 Jan 1872. They had 11 children as follows: 1) Joseph Ambrose b. abt. 1872; 2) Louisa J., b. abt. 1874; 3) Mahala, b. abt. 1876; 4) Avarella, b. abt. 1878; 5) Robert S., b. abt. 1879; 6) Mellissa, b. abt. 1881; 7) Charles ,b. 8 May 1882; 8) John A., b. 16 Apr 1884; 9) Francis

M. (Frank), b. 8 Jan 1886; 10) Effie, b. 4 May 1889; & 11) Albert, b. 22 Jun 1891. All were born in Gainsville, Ozark Co., MO.

I guess this is about all for this time.

Sincerely,
Marvin3k Coffey

The 1810 and 1830 census indicates that the Collins were of Indian descent. Lettie must have also died young, because Jesse T.'s brother McCaleb Coffey, came from North Carolina to take their two young daughters home with him to raise.

Everett W. Coffey's ancestor, William Coffey, had this Bible and recorded family information in it. It also has the only birth record found for John and Elizabeth Rucker Coffey. William M. Coffey probably came into possession of the Bible at Jesse T. Coffey's estate sale. Edmund Collins was administrator of Jesse T. 's estate. William has been proven as John and Elizabeth's son by land transactions and John's War of 1812 Bounty Land papers. It has also been proven that Jesse T. is not John and Elizabeth's son by land transactions in Ashe Co. NC.

Ginny Sharp Sommarstrom **is** looking for **HELP**. She is researching the line of Marvel Coffey who married Rachel Boone. Ginny descends from Marvel through his son Squire Coffey, who's daughter Martha Elizabeth (**Mattie**) Coffey married John William (Hiram) Swicegood, the grandparents of Ginny's mother Nancy Leah Swicegood. Ginny says that Marvel has been a major thorn in our ancestry for about fifteen years now. So far Ginny and her mother has found sources attesting to Marvel as the son of Smith, Benjamin, James, Asbury and Reuben. Even given the assumption that there were at least two Marvels floating around, one who migrated with the Boone family to Maries Co. MO (Ginny's) and one who stayed in North Carolina, or Tennessee or Kentucky, that's still a few too many fathers! Can anyone shed any light on this mess? Ginny address is 6035 - 30th Ave. NE, **Seattle, WA 98115**.

Dr. Robert J. Coffey

William (Bill) Amell writes that the obituary of Dr. Robert J. Coffey, age 86 appeared in issue 59 of CCC with no mention of his parents, or of who were his ancestors. Who's Who in America 1964-73 reveals that Robert James Coffey, surgeon, born Elmira, NY, 14 Nov. 1908 s/o Jeremiah Coffey & Mary McElligott. They married 21 July 1897, St. Patrick's Church, Elmira, NY. A copy of the Certificate of Naturalization issued 14 Feb 1910 to Jeremiah B. Coffey lists four minor children including "Robert Coffey 1 year old resides in Elmira NY". The statement corresponds with age and place of birth in his obit. His youngest sister Mary Alice Coffey, Elmira, has the original certificate which was presented to her father. Jeremiah Coffey was s/o Patrick Coffey & Honora O'Connor. They married 17 Nov. 1854, Church of St. Gregory, Oshawa, Ontario, Canada and a decade later moved to Orillia, Ont. Their fam-

ily census chart was printed in CCC March 1990. Obituary for Patrick Coffey, grand-father of Robert Coffey, was reprinted from Orillia newspaper in CCC, Sept 1988. Patrick Coffey was s/o Timothy Coffey & Johanna Breen, natives of Glen Carr, Co. Kerry, Ireland. (Bill sent a copy of the Naturalization Certificate for Jeremiah Barnabas Coffey. I'd never seen one.)

SALATHIEL COFFEY

Virgil Coffee has sent a very important record for the Salathiel Coffey researchers. I quote Virgil: Numerous books refer to a Salathiel being a son of Chesley Coffey and Jane Cleveland. He was born in the early 1750s and married an Elizabeth. I (Virgil) found in the Chester County, SC reference to the July Court 1788, the following. "Elizabeth Noland, late widow of Salathiel Coffee and Pearce Noland, Plaintiff against James Marion Gore, Defendant." There was a list of jurors then the verdict. Elizabeth and Pearce lost the case. That case establishes the maiden name of NOLAND to the widow of Salathiel Coffee.

BRAIN TEASER

Virgil Coffee has a new brain teaser for us. I quote: Over a period of years we have conjectured about a Nathaniel or Nathan Coffee in the Hugh Coffey line. Perhaps it can be explained by Nathan's habit of using an intermediary in his negotiations. Examples follow 1st Nathan Coffee bought from Sampson Noland, 4 Feb. 1794, 50 acres for 35 lbs. sterling on Sandy River, Pickney District, Chester Co., SC. (There is that Noland name again.) What was the relationship between Salathiel and Nathan, if any? 2nd. (Out of order!) Nathan Coffee bought 126 acres from John Gore and his wife Mary, on 5 Oct. 17???. It ap-

pears that Salathiel and Nathan were brothers, living in Chester Co. SC. Their parents were (by tradition) Chesley Coffey and Jane Cleveland.

3rd. Patrick McGriff assignee of Nathan Coffee, Plaintiff versus Jeremiah Thomas, Defendant: Order Book 1795 - 1799, 1796 court.

Virgil says "Here we have a Nathan of the Chesley Coffee family who married Mary Saunders and went to Texas. (Or did he?)" Virgil finds no record of them being in Chester Co. SC. Then we have a reference to a Nathan Coffee of the Hugh Coffee line who went to Chester Co. SC. His wife was unnamed or unknown. Virgil asks: "Are these two Nathans the same?" "Are the Coffee lines mixed up?" Virgil wants this answered in the newsletter so everyone gets the answer. (Thanks Virgil)

ESTATE OF ABSALOM COFFEY,
JACKSON CO. AL

The following was transcribed from the original documents found in the basement vault of Jackson Co., AL courthouse by Glen and Mary Johnson of Abilene, TX. They have copied these documents exactly as they were written and punctuated, including misspelled words. Glen is the great grandson of JAMES WILEY COFFEY, who was the son of Langston Coffey, who was the son of Absalom. (For the sake of space, I will not copy all of these documents, only portions. If you would like more, please contact Glen Johnson.)

LIMITED EDITION AND SPECIAL OFFER
FROM TRAGEDY TO TRIUMPH
By - Carol Coffee

From Tragedy to Triumph is an historical memoir of the participation by the author as a young sniper and Squad Leader in the American 66 Infantry Division that saw combat in Europe during World War II. The book reveals for the first time the complete and tragic story of the torpedoing and sinking of the 66th Division troopship, the S.S. Leopoldville, by a Nazi U-Boat as they were being rushed to France to stem the tide of the surging Wehrmacht in the Battle of the Bulge. The work is the result of more than two years of exhaustive research by the author who accessed information and documents that were for many years shrouded in secrecy by both the United States and its involved allies. The author, himself a survivor of the tragic sinking and the Division's recovery and march to victory, draws heavily on first-person and

eye-witness accounts by surviving veterans of the Panther Division. Facts of the sinking, which took the lives of 802 Panther men and wounded hundreds more, were heavily classified for almost 50 years and became available only after passage of the U.S. Freedom of Information Act. This book completes the record of a splendid American Military unit, while finally keeping the faith with the more than 2,000 killed and wounded and their families, many of whom, until now, have known little of the circumstances under which the dead and missing made their sacrifice.
