PRESIDENT'S MESSAGE

Dear Cousins -

How time flies !!!! I have been told the older you get the faster time moves. Time may move faster, **but** I sure seem to be moving slower. Maybe the combination is what causes the whizzzzzzzzing by.

Anyway - **REUNION TIME IS NEAR AT HAND** - If you have made your reservations yet - shame on you - do it now before it gets any later. It is later than you think. Don't forget when you make your hotel reservations to tell them you are with **COFFEY COUSINS**. Special meeting room cost (or lack thereof) depends on how many rooms we occupy- so, please don't overlook this wee item.

Our Des Moines cousins led by Darlene Clark have put together what appears to be a wonderful time for us. Darlene said that Harold Butz is in charge of the weather. If he does any where near the job with the weather as they have done with other plans it should be outstanding.

**SEE YOU IN DES MOINES APRIL
29-MAY1**_____

Cousin Jeff

Dear Cousins,

Jim and I have spent January and February In South Padre Island, Texas again this year. The mail service is terrible here, but the heal is great for Jim's arthritis and we've had a great year flying our stunt kites.

I visited the Harlingen, TX Public Library and have added their genealogy department to our library mailing list. They have a new building and have made lots of space available for history and genealogy.

Gene Brewington has sent me one of his new books for our library which I wish to express my thanks. We'll make good use of it. You can information on how to purchase his book on page 18. I am really getting excited about our upcoming convention. I have my reservations made. Don't wait too long. The hotel only holds rooms so long just for us. As many of you know, I always make an afghan for a door prize. Well, we have two of them for this year. Virginia Coffey as generously offered to donate another. Virginia and Bill Coffey attend the convention nearly every year. We look forward to meeting old friends each year.

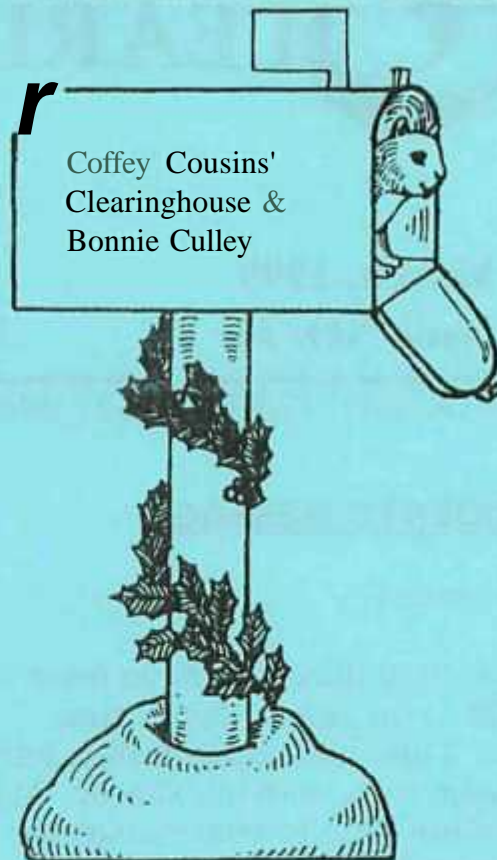

You will never know how much it can be appreciated if you take the time to help a new cousin and often it's a start of a new friendship. We can't have too many friends.

Thanks for your help.

Your Cousin,

Bonnie

P.S. Those who's subscriptions have not been paid for the year 1999 will have a notice added to the newsletter.

I love to get your letters. Write often!

Ancestor**NEW COUSINS**

* Dean and Jama LaVonne (Anderson) Hoel were introduced to us by Lorene Guthery. Jama is Lorene's sister and they descend from Elvira Coffey Cupp. Please write to Dean and Jama at the address in the new cousins list.

* Roy P. Coffey is the son of Roy E. Coffey and Cheryl Haimann is his daughter. This would make them descendants of Benjamin and Polly (Hayes) Coffey. This Benjamin is the grandson of Edward and Ann (Powell) Coffey. Roy E. Coffey is a cousin of Bennie Loftin, therefore both Roys and Cheryl descend along the same lines as Bennie Loftin has outlined in her book "Lizzie's Legacy and Our Coffey Cousins". As Cheryl lives in Des Moines, Iowa, we will look forward to meeting her at convention in April. If you would like to welcome them to the Benjamin Coffey researchers, write them at the addresses in the new cousins list

* Cherri Reuter is searching for information on Louisa Coffey. Louisa was married to Eli Coffey of North Carolina. They divorced and she moved to Missouri with her parents and the children. Reams Goodloe of Florida sent Cherri information from Audrey J. Coffey's obituary. Cherri also thanks Reams for sending her information about a half sister, Edith Faye Coffey born to Emil Coffey and Grace

Grimmett. The Coffeys that moved to Missouri settled near the Camdenton area. If you can help Cherri with this family, her address is in the new cousins list.

MAIL BOX

Millie Coffey wrote that she has moved. They are in a bigger place now. She says that she has improved greatly from her fall and is doing well. She hopes that they will finish the repairs on her teeth soon and says, "Please don't fall, it's costly." We're glad to hear that she is better and hope to see her sometime in the future, all mended.

Clifford Carpenter, son of Ella, writes that Ella hasn't been well lately. She would love to hear from cousins. Her new address is in the new address list.

Brunetta Stewart wrote that her branch of the "Coffey Tree" had a Cousins Reunion Oct. 31 and Nov 1, 1998 in Comanche, OK. They descend from Calton Coffey and his son, Franklin David Coffey. Attending were: Brunetta Coffey Stewart and Roy Coffey and his wife Lillie, children of Hillery N Coffey; Jim Coffey and wife Helen, son of Edgar B. Coffey; Jayce Coffey Warren, daughter of Benjamin Coffey; Clayton Hashell, Hazel and Bill McFatrige, children of Christine Coffey McFatrige. Lots of visiting and looking at old pictures took place and

plans were made for 1999. A trip was made to Terral and Fleetwood Okla Cemeteries where several ancestors are buries. (These types of reunions do a lot toward finding and sharing family histories and stores. Great story!)

Darleen Wade wrote that 98 was a hard year for her. Her mother was ill and passed away in April. We send Darleen our sympathy and hope that 99 is kinder to her.

Beverly Bagwill writes that her husband has just come home from a six and half week hospital stay. She says that recovery will be slow but sure. We hope it speeds along for him and he is "up and at 'em soon".

Myrtle Weaver of Junction, TX wrote that she and Johnnye Brown visited and both are well.

Noreva Sharr didn't get to work on her genealogy in 98 because of illness. She cracked a couple of bones and has been in a wheel chair and walker most of the year. We hope 99 will be better for her.

Lillian Neighbors certainly missed not getting to come to the convention in Oregon. She and Tom were married in Oregon and lived there for ten years. Maybe we'll get to see her this year in DesMoines.

"Hi, I'm looking for information on the family of Phoebe Warren born 1809 in N. Carolina. I assumed she was born in Wilkes Co., because she married Abner Coffey of Wilkes Co., however, it is possible that she was born in Caswell or Burke Co. There were many Coffey cousins in those counties, and perhaps Abner's father William moved there or Abner went and visited family. They were married about 1828 or so and moved to Gwinnett Co., Georgia, with an Uncle Lewis Coffey, Abner's brother John Edmond Coffey, and Jesse Crumpton. By 1840, Abner and Phoebe were living in Heflin, Alabama. Phoebe is my g-g grandmother, and I am anxious to **find** out about her. Also, Abner and Phoebe's son looks very Indian. Sandy ??? "

*Camilla LaFavers wants help with the following: Seeking information on Joel Coffey b. 1819 Russell Co. KY and his first wife **Permillia** Haynes b. 1819. They were married in 1836-37. CURRENTS IN THE STREAM

I would like to share a great letter that I received on the internet last week.

Hi Coffey Cousins on the Internet,

I have been in contact with some of you already, and I thought I would send this E-mail to all of you that were listed on the CCC "on line" list. I have only been receiving CCC for about two years. Earlier this year, I ordered and received, from Bonnie Culley, some back issues of CCC. I enjoyed reading them.

At this time in my life, I don't have as much time to put into researching as I would like. I am 38 years old, with two young children ages 10 and 11. They are active in athletics and I coach some of their teams and enjoying it very much. This takes up a lot of my time, along with working to. Someday I would like to attend the CCC Convention, but I coach my son's Baseball team and the Convention is held during our season. Maybe someday.....

Earlier this year, we lost a person who was in my Coffey line. She was a family researcher and a source of much information on my Coffey family history. Her name was Janie Ramsey (b. April 8, 1899 Rockcastle Co., KY; d. April 12, 1998), DAR member and daughter of Joseph Love Ramsey and Glathia Jane Coffey. Glathia Jane Coffey, mother of Janie, was the daughter of James Madison and Lydia Wolfe Coffey. Janie was 99 years of age at her passing. She was a 1st cousin to my Grandfather, James Madison (Jim Matt) Coffey (1897-1976). I have been told, that people from all over the country who were researching their family roots from the Rockcastle Co, KY area, would visit Janie with hope that she would have

information to share with them. Maybe some of you knew her. I met cousin Janie only twice, both times when I was young. But, I enjoyed the stories that she had to tell very much.

I would like to thank Bonnie Culley and everyone else that makes this Newsletter possible. I would also like to thank all that have helped me so far.

I welcome any and all contact from **y'all**. I know a few of your Coffey lineages and I would like to request that, those of you who don't mind, to please send me your Coffey lines. Below I will like to share with you my Coffey Lineage.

Hello to all and Thanks

*** JUST WHAT AN EDITOR
LOVES TO HEAR!**

Sandy Otos writes: "I found the name of Josie Brumley of Louisiana in a back issue of CCC at the Oregon Convention and called her. We turned out to be third cousins. Her father and my grandfather were both orphaned and we had lost all knowledge of one another. Strangely her father and my grandfather were both fanners in northern Louisiana within a hundred miles of each other. She had been looking for information for fifteen years. She (Josie) also said she was going to cry as soon as she got off the phone."

Sandy says that maybe we can have the convention in her area after she retires. She says that there are lots of Coffeys in Los Angeles.

She would also like to know if anyone is researching the Warren or Ferguson families from N. Carolina. **If you** can help, her address is **1109 Fonthill**, Torrance, CA 90503

Then I heard from Josie Brumley: "I need to share how much the newsletter has helped me to **find** my Coffey line. Sandy Otos of Torrence CA was at the Eugene, OR reunion and found my name and family. We have been 'in touch' and I have her to thank for sharing her information as we are descended from William Abner Coffey of Bento, Calhoun, **Cleburn of Alabama**. What a thrill it was to share information."

Bennie Loftin sent the following offer that she received from Jackie Robinson: Hawkins County Genealogical Society will make available a Reprint of **FAMILIES OF HAWKINS COUNTY 1786-1994**, if enough interest is shown. At least 100 copies must be pre-ordered and pre-paid before we make a commitment to the printer.

The book will be hardbound, **8.5x11** inches, with over 600 pages, over 200 photographs and an index of over 200 names.

Full payment must be made (check or money order) in the amount of: \$50.00 + \$4.00 shipping and handling. TN residents must add **\$4.38** sales tax. Send order & payment to HCG & HS, P.O. Box 429, Rogersville, TN 37857-0429. More information at: <http://www.rootsweb.com/~tnhcghs/>

I forgot to keep the name of the person who I received this from, but: The Dallas Morning News had an article on Dr. Stan Coffey, pastor of the 7,000 member San Jacinto Baptist Church of Amarillo, will lead the newly formed Southern Baptists of Texas Convention. He was elected on Nov **10, 1998**. He is 53 years old. (Congratulations to Dr. Stan Coffey.)

JoAnn Coffee, sent a picture of the last of Pat Coffey's children. [I wish I could have printed it.] It is a picture of Sam Coffey, Thelma Kite, **Iva** Henderson and Bob Max Coffey. Their father Pat Coffey descends from William Joel Coffey or Coffee of **Sommerville, AL**. He was reported to have died in TX. The remaining family formed a wagon train and started to TX. Most ended up in S.E. Oklahoma. They are descendants of Daniel Webster Coffey and JoAnn's husband was a descendent of his brother John James Coffee. The lady who sent the picture to JoAnn is also named Joann Coffey (of Tishamingo, OK) which struck JoAnn as funny since her name is JoAnn Coffee!! If you want to contact JoAnn, her address is 302 S. Broadway St., Coalgate, OK 74538 2614.

Connie Platt of Eugene, OR wrote that they had 83 days without rain last summer. She also sent a clipping about **THE CASTOR ASSOCIATION OF AMERICA**. Connie's husband descends from this line. Connie has the index and says that there are **16** other spellings. They also have a lending library for Castor books. She will check her index for anyone interested. Write to her at 2667 Fairmont Blvd. Eugene, OR 97403-2603.

Gene Brewington sent two obituaries. He says this family was living right in the middle of a bunch of Martin Coffey's descendants but so far he can't **fit** them in. Wanette is in southern **Pottawattomie** Co. OK, about 20 minutes southwest of Shawnee. It is close to being a ghost-town today. There is a cemetery with several of Martin Coffey descendants buried there. If you can **identify** this family let Gene know. His address is 4728 NW 59th

THREE GIRLS DROWN IN CREEK

Daughters of T.B. Coffey at Wanette drown while wading in stream. Mother nearly drowned. One got beyond depth. Others die trying to rescue drowning.

BYARS, OKLA., May 19, 1910

Three daughters of T.B. Coffey, a blacksmith at Wanette, Jessie, Rosa and Sadie, their ages **16, 14,** and 12, respectfully, were drowned in Pond Creek, half a mile from Wanett, at five o'clock this afternoon. Their mother, who sought to save them, was rescued by a man who chanced to be crossing the stream as she was sinking.

The three girls and their mother were wading in shallow water. Sadie, the youngest, ventured too far toward the center of the pool and was swallowed up in the pool fifteen feet deep. Nearest her, was Rosa, who sprang into the deep water, in an effort to save her sister, but they both went down together. While they struggled, Jessie, the oldest girl, plunged also into deep water and sought to save the other two. She, too, **sank**. Apparently the real danger did not impress the mother until she heard the choking screams of the girls. She was nearly drowned when Lois **Melo** who was crossing the stream, saved her. An hour later George Adams and Peter Decott took the three bodies from the bed of the stream. They lay side by side.

Janet McGill found a **cemetary off**RL92 near Yamacraw, KY with a remote, rough drive to it. Some graves were Benj. F. Coffey Sr. and Jr. Sallie Belle

Clark, Litton Keith, husband of America, James Perke Coffey, Martha Cerelia Dobbs & Dlara Mae (Corrall) Coffey Phillips. Janet found her great grandparents wedding date in the Dec. issue and looks forward to "rest of the list".

Janet is also looking for Dorothy Coffey, wife of Elmer. She is still living but Janet could not find a phone listing for her. Dorothy should be able to help answer some of Janet's questions. Janet's address is 3601 W. Pinchot, Phoenix, AZ 85019.

DIVISION OF CORRECTIONS

Reams Goodloe sends the following correction:

I must take exception to the paragraph on pp.13 &14 of CCC #73 which states that Jesse Coffee brother of Holland of Red River (sons of Ambrose-James-John-Edward), was in Texas in 1860. Assuming there was a Jesse Coffee in TX in 1860 it was not the above Jesse. Jesse, son of Ambrose. He was my gg grandfather and died in Warren county TN on valentine day in 1835. and his wife Ann Amelia Hackett Coffee died four years later. I have been to the cemetery where they are buried and though the stones are no longer readable, there is no reason to doubt them being there. There are many Warren county court records of the guardianship of their children of the next several years. See CCC #48 pp. 16 & 17.

I am certain Delma Turnbow Freeman is in error on this matter and I hope CCC readers will not take it as gospel. I also question the preceding paragraph about Holland Coffee having been married more than once.

OBITUARIES

Gene Brewington received the following obituary a few months ago without date or return address, but thought it was interesting.

PATRICK COFFEY

Funeral Mass for Patrick C. Coffey, 74, will be today at 10 a.m at the Sacred Heart Catholic Church in DeSmet, Idaho. Burial will follow at the DeSmet Mission Cemetery. Kramer Funeral Home in Tekoa, Wash., is in charge of arrangements.

Mr. Coffey, an Alaskan Eskimo tribal member, died Wednesday. He moved to DeSmet in the 1940s after serving with the Navy. He moved to Plummer four years ago.

Survivors include his wife of 44 years, Christine; two sons, Dennis Coffey of Spokane and Frederick Coffey of Arizona; four daughters, Rosemary Yuriar of California, Deborah McCoy and Margaret Coffey, both of DeSmet, and Carol Dohrman of Tensed, Idaho.

KENTUCKY MARRIAGES. contd. from issue 73

Virgil Coffee has copied marriages for Coffee and Coffeys married in Kentucky. I typed and sorted them. There a great many of these **marriages**. We **will** print a few each issue until we have printed them all. If we are unsure of the accuracy of a record, there will be a ? mark following the record. We suggest that you get a copy of the original record if you plan to use these in your records. You will then have the actual spelling, dates etc. You probably will **find** more than just a **date**.

**Heredity: A Genealogy Poem
by Grandpa Tucker**

**I saw a duck the other day.
It had the feet of my Aunt Faye.
Then it walked, was heading South.
It waddled like my Uncle Ralph.**

**And when it turned, I must propose,
Its bill was formed like Aunt Jane's
nose.**

**I thought, "Oh, no! It's just my luck,
Someday I'll look just like a duck!"**

**I sobbed to Mom about my fears,
And she said, "Honey, dry your tears.
You look like me, so walk with pride.
Those folks are all from Daddy's side."**
