PRESIDENT'S MESSAGE

Dear Cousins

Those who did not make the reunion missed a really wonderful time. Harold came through with the weather that was just about perfect the whole time. Darlene and the committee she put together had everything organized so very well and knew what was to happen next - they had it all well in hand.

FOOD !!! WOW !!! The luncheon we had on the tour was one we are not likely to soon forget. Tables that were so beautifully decorated we thought there was a wedding reception to take place. It was served family style, so everyone served their own plate and if anyone went away hungry I don't know who it was - and if they did, it was their own fault. Then the banquet !!!! Another outstanding presentation of delicious food.

If my memory serves - we had 23 first time reunion attendees out of 64 registered for the banquet.

It was another pleasant meeting with lots of loving cousin conversations and exchanging of news.

An announcement that was pretty important was that the lady I brought (Glenna Horton) and I are to be married June **teenth**. (For you yankees - that is June 19th) and if you don't know the significance of that day just check your history. Oh yes, it is to be a Pergola Wedding. Now you will have to go to your dictionary and **find out** what **that is** -- and for the hill billys—it has nothing to do with pergutory!!!!

Great things happened in scheduling future reunions. Gail Bachman accepted the **challenge** for 2000 with the liberty of doing it somewhere along the East Coast.

The Place - SANFORD, FLORIDA - same dates as this year - last weekend of April. For 2001 Jack and Nelda Coffee have invited us to meet with **them** somewhere along the Mississippi River between Vicksburg and Nachez, where ever they can **find** the best deal. 2002 we are invited by Jo Langwell to BIG D - Dallas, Texas, that is. It is really great to have a schedule out three years. That gives the hosts time to look and have better and more choices of where to go and what to do. NOW - YOU be thinking about inviting us to your neck of the woods in 2003.

Hope **all is well** with **all** and hope to see you in Sanford, Florida next year.

Cousin Jeff

Dear Cousins,

I should have stayed in Iowa. I do hope that you will excuse me for being late with the newsletter this month. We had a step granddaughter graduate high school. The next day our daughter Connie married Scott Ball in Springfield Missouri. I hurried home from convention to meet Connie to pick out wedding flowers as I did all of the floral work. (Connie is our widow and Jim and I were thrilled that she found someone to share the rest of her life with.)

The following Monday, I had to be at a Garden Club State Convention. (I got rid of a job. Finally learned to say NO!)

Flower gardening is another of my hobbies, but it hasn't been too good to me this month. I have been bitten by a tick & thought I might have lime disease so had to take antibiotics and this week I got into poison ivy. The medicine for it made me sicker than the ivy.

If you missed the convention, you missed a wonderful opportunity to meet a lot of new cousins and have a really good time. Bennie Loftin took the pictures with her new digital camera. She had some really good ones. I have played with them to make a collage of the ones that I could make print. I know that they could look better by someone who is more knowledgeable than I, but hopefully I will be better by next year. I had so much fun with her pictures that Jim bought me a camera like Bennie's for my birthday. Thanks Bennie (and Jim)

Ream's Goodloe had his index for all of the Coffey Cousins' Clearinghouse completed by convention. It works very smooth and I use a Macintosh computer and he made it on a Windows machine.

How is that for progress. It will be a boon to me and others who help new researchers and will help those who do not want to buy all back issues to find what has been written about their ancestors in earlier newsletters.

I really want to thank Darlene and Harold, Tom and Betty, and Dan and Dorthy for showing us such a good time in Des Moines. I also want to thank Bill & Gail Bachman for their invitation to Sanford, Florida in 2000 and Jack & Nelda Coffee's offer for 2001 and even Jo Langwell's offer for 2002. It's wonderful to have so many volunteers. Thanks again.

Your Cousin,
Bonnie

NEW COUSINS

* Jean Chamberlain descends from John Coffee, born about 1786 -1788, possibly in Vermont. He lived at various times in the Franklin Co. Towns of Georgia and **Fairfax**. He first appears in the **1820** Federal Census, residing in Georgia, age 26 to 44, with probably his wife, age 16 to 25, and three sons under the age of 10.

The 1830 Census finds him in the adjoining town of Fairfax and the Fairfax deeds confirm that he lived there for twenty years or more. In **1820** he purchased a 50 acre parcel of land in Fairfax described in a later deed as "the farm on which I now live." In Nov. 1849, he conveyed this farm, minus a mill privilege and one acre of land previously sold to L.H. Learned of Fairfax, "being all the land I own in the town of Fairfax." Also conveyed to Mr. Learned were "all my sugar utensils (sic) except my five pail kettle."

In 1850 we find John Coffee, age 62, residing again in the town of Georgia. With him is Polly Coffee, age 55, and Norman Coffee, age 14. Ten years later John is still in Georgia, age 74, with Polly age 66. At this time Norman, now age 22 is living in Fairfax with the family of Joseph **Wilcox** whose wife was the widow of James Coffee, who died in **1849** at the age of 27. Other Coffees mentioned in the records of Georgia and Fairfax include the following:

Ramson Coffee, born ca **1811-1820**
Lester Coffee, born ca **1820**

Mary Ann Coffee, born ca. 1827

Louisa Coffee, born **ca. 1834**

Jean would like to correspond with others working on the John Coffee family or others working in the Vermont area. Jean's address is in the new cousins list

* Doris Coffey Beard is the sister of Raymond Coffey of Stockton, MO. They descend **from** Jesse Coffey **1817-1885**. We thank Raymond for introducing us. If you have anything that might help Doris or Raymond, write to Doris at her address in the new cousins list.

* Daniel Coffey attended the convention at Des Moines. He descends from Chesley Coffey through Nebuzaraden and Salathiel. He would like to hear from others working on this line. His address is in the new cousins list.

* James **Scott's** grandfather was James Wesley Coffey of Adair Co., KY. James Scott is interested in **Robert** T. Coffey that married Elizabeth Gilcrest. He was one of the founders and president of Columbia Institute for Boys & Girls (**b.12** Feb. 1853). They also had a son, Robert Sidney Coffey, b. 4 Jan 1853 and other children were Joseph, W.W. Fannie and Stapp. If you have information this family, please write to James at the address in the new cousins list

DEAD END ROADS

* Ilah Coffee Merriman wrote that she has spent the last several years working on a Scottish line. Mac Coffey and Mac Koffey are found in records in 1506 on the Islands of Calonsay and Islag. This is a variation of the spelling of Macfie. The Macfie Clan were the record keepers for the Lord of the Isles Somerled, about 1120 A.D. The Macfie Clan has a long and exciting history that many books have narrated. Ilah is trying to find if any Mac Coffey and Mac Koffey went to Ireland and became "Coffey". (She says that she is fully aware of the history of the O'Coffey Clan and their roots in Ireland since 240 A.D.) She may be able to do some research this fall in Ireland as she will be in Scotland, also doing other research.

Ilah has found and photographed 5 O'Coffey castles (ruins) in County Cork, with the help of a helicopter and Antiquities Department of the University of Cork. If she gets to Ireland this fall she plans to search for two more castles that she has heard about; one near Sligo and the other south of there. These two locations are consistent with the possible arrival into the "Ulster Plantations" of Mac Coffey. They were also a part of the rebellion of Sir James MacDonald in 1615 A.D. and may have fled to the safety of Lord Antrim. She plans to look for these records in Ulster. She would welcome any information that others may have on this. She also needs research locations in the north area of free Ireland as well as in England and Ireland.

She would like to know if any of the cousins has done any research on the Mac Coffey in Ireland or Scotland. If you have anything at all that might help Ilah, write to her at 8 Rue Du Lac Street, Dallas, TX 75230-2834 or fax 972-934-8360.

* Rod Coffey sends the following query: REUBEN COFFEY b. 1815, (s/o Ambrose Jr. & 1st wife Lucinda Day) married Emily Nichols and they had; Mary J., b. 1841, Susan, b. 1844, John, b. 1847, Wm. H., b. 1849, David, b. 1854, Thomas, b. 1855, Elizabeth, b. 1857, James, b. 1858, (Alice) Melissa A., b. 1859 and Tempa, b. 1866 and two grandchildren, Pearly b. 1875 and Finley, b. 1879. In the 1870 and 1880 Greenup Co. KY census, (Alice) Melissa A. is listed as Margaret. Rod's question is who were the spouses of Reuben and Emily Coffey's children and what is the surname of Pearly & Finley?

* Rod Coffey has another puzzler for us to solve:

In the 1870 Greenup Co. KY census:
Coffee, Margaret (T or J?) 42 KY

Wm. A	23
Sarah A.	25
James E.	21
Mary A.	19
Elizabeth	17
John (Tor J)	14
Amos D.	13
Rolla	10

In the 1880 Greenup Co. KY census:
Coffee, Mary (T or J) 53

Sarah	35 dau
Amos D.	22 son
Susan	12 Gr. Dau
Lizzie	7 Gr. Dau
Jas.	4 Gr. Son

Rod asks who's widow is Margaret / Mary? Just next to her in the 1880 census is:

Coffee James	30 KY
Susan	30
Katie	7 dau
Polly H.	5 dau
Rolla	20 boarder

This is the James and Rolla living with Margaret in 1870. Wm. W. Coffee, s/o Ambrose Coffee Jr and 2nd wife Margaret Norman are also in the 1870 Greenup Co. KY census. The names

Amos, **Rolla**, Polly & Raleigh are common to the descendants of Ambrose and Ailsey Coffee.

Rod wants to know if there is a connection between Wm. W. Coffee and Margaret Coffee of Greenup Co. KY. Rod's address is 1729 So. Downing St., Denver, CO 80210.

* Joseph Carroll looking for **anything** on ELIZA COFFEE, b. 1821 in TN, who on June 25, 1850 married William Wyatt Walker in Maury Co. TN. Joe says that after about 35 years of genealogy research, he has yet to find any positive information on the background of Eliza Coffee. She is his most recent bottleneck of his family history that consist of over 30,000 names. She and Wyatt Walker had eight children and since she was the second wife of Wyatt, it is also possible that she had also been previously married. She died c1865, likely in Maury Co. TN. Wyatt died Sep 12, 1889 in Maury Co. Any information from your Coffee/Coffey readers would be appreciated. Joe's address is 465 Sunset Terrace, Cedar Park, TX 78613, e-mail: Carroll465@AOL.Com.

*Bennie Loftin has heard from a lady who is searching for her older half sisters, twins, probably born before 1939. She thought they were born in Southeast Kentucky or near the Kentucky - Tennessee border. Their mother was a Coffey lady that probably belonged to a Penecostal Church or Church of Jesus. Her father was Woodson Williams, a preacher and she thinks he fathered these girls out of wedlock to one of the church ladies. Her mother told her about the girls and she said that he did go see them once in awhile and she also mentioned Cincinnati. If you have any ideas who these girls might be, write to Bennie Loftin, Rt 1, Box 270, Kiowa, OK 74553-9727.

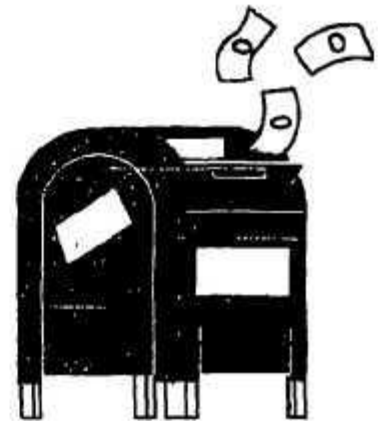

CURRENTS IN THE STREAM

* I.V. Crawford was looking back through old newsletters and found an article in issue #71 June 1998 on page 14 about the old log house written by Ralph Underhill. This was I. V.'s great grandfather's home (David Pleasant Coffey) John D. Coffey the Confederate soldier was her grandfather. The article was published **Sunday**, May 22, 1960 in the Arkansas Democrat Magazine section pages 4 and 5. The house burned not long after this article was published. In 1980, I.V. Visited the spot where the house used to be. She wants to tell the cousins that the house is no longer there, so no one will be disappointed if they **plan** to travel there.

* Rod Coffey seems to have a problem. He says that the families of Ambrose (b. 1755, Ireland) and Ailsey Coffey used the same names over & over. In just the Coffee/eys, he has 2 Alwildas, 7 Ambrose, 5 Charles, 6 Elijahs, 5 Elizabeths, 4 Ezekiels, 4 Harveys, 4 Henrys, and 2 Herberts. There are 2 Isaac F.s with 6 wives between them and 15 James, 4 Jesses and if anyone is looking for a John, he has 16 of them along with 3 Lillies, 12 Marys, (& 5 have E. For a middle initial). There are 3 Minnies, a Myrtle, Nancy & a Nannie, 5 Rebeccas, 4 Sarahs & a Tootsie. There are even 18 Williams. He even has a Gene Autry in his file. He has about 400 Coffeys so far and too many from the female side to **count**.

Rod Coffey also wanted to share his graduation story with us. "Rod's son, Rod Jr. and his wife Jennifer both graduated from B.Y.U. this April. Jen as a teacher and Rod's degree is in law. Rod Jr. said that there was a Todd Coffey there at B.Y.U and they had

gotten each other's mail a couple of time and had credited Todd with Rod's rent check on two occasions. At a **tea** ceremony before graduation, Jen was chosen to say the prayer but the program listed a Jennifer Lynn Coffey instead of Jennifer Hoyt Coffey. As it turns out, Jennifer Hoyt Coffey led the prayer, but Jennifer Lynn who also attended the tea is Todd Coffey's wife and Todd is Marvin Coffey's son. " Was Rod ever surprised. He says "small world."

MAIL BOX

* Edward Coffee wrote that he and Phyllis are grandparents again. **Kristina** Marie Lang was born Feb. 17, 1999. She is the fourth child of their middle daughter Alison Ann Coffee Lang. He also said that Debbie (**who** used to attend the Coffey Conventions with Mon & Dad when she was younger), is engaged and planning a wedding for July 31st. Her husband to be is in the Marine Corps and currently stationed at Camp Pendleton, CA. We congratulate Debbie. We'd love to have a picture of the event Debbie was our mascot for many years as the youngest at most events.

* Kathryn Johnson wrote to suggest that we send cards to Ella Carpenter. She **is** in a nursing home now and could use some "sunny" letters. Her address is %Clifford D. Carpenter, 1720 Murdock Blvd., Orlando, FL 32825. Wouldn't it be wonderful if she were able to attend convention next year.

COFFEY COUSINS' CONVENTION**1999**

Des Moines 99 will be remembered fondly for a long' time. Darlene and her assistants were very creative and innovative. They were Darlene's husband Harold Butz, Dan and Dorothy Coffey of Newton, IA and Tom and Betty Street of Scotch Grove, IA.

After greeting old friends and meeting new ones, as we picked up our pins and packets, we were off on a great tour led by Haven's Tour Service. We went to Pella first. It was one week before the Pella Tulip Festival and we saw Pella with the tulips at their peak of bloom. Lunch was at the Cardinal Inn, Prairie City, served family style (lots of good food). Next was "A Farm to Market Experience" hosted by Jeff DeUeus from the Farmer's Cooperative Exchange. We visited their plant and facilities, asking many questions. We learned how fanners decide what to plant and how they market it. We also watched fields being cultivated and planted in the area. Next they took us to the Neil Smith Prairie and Learning Center. It is a prairie being re-established in prairie sod which is already home to elk and buffalo.

On Saturday, some of the cousins took advantage of Mini-Tours which Darlene had arranged and others stayed in to listen to Theresa Liewer, volunteer, Iowa Genealogical Society. Her topic was: "The Theory for a Coffey(ee) Scots-Irish Connection. The Scots-Irish in Ireland. The Scots-Irish Migration." It gave us something new to think about for our clan.

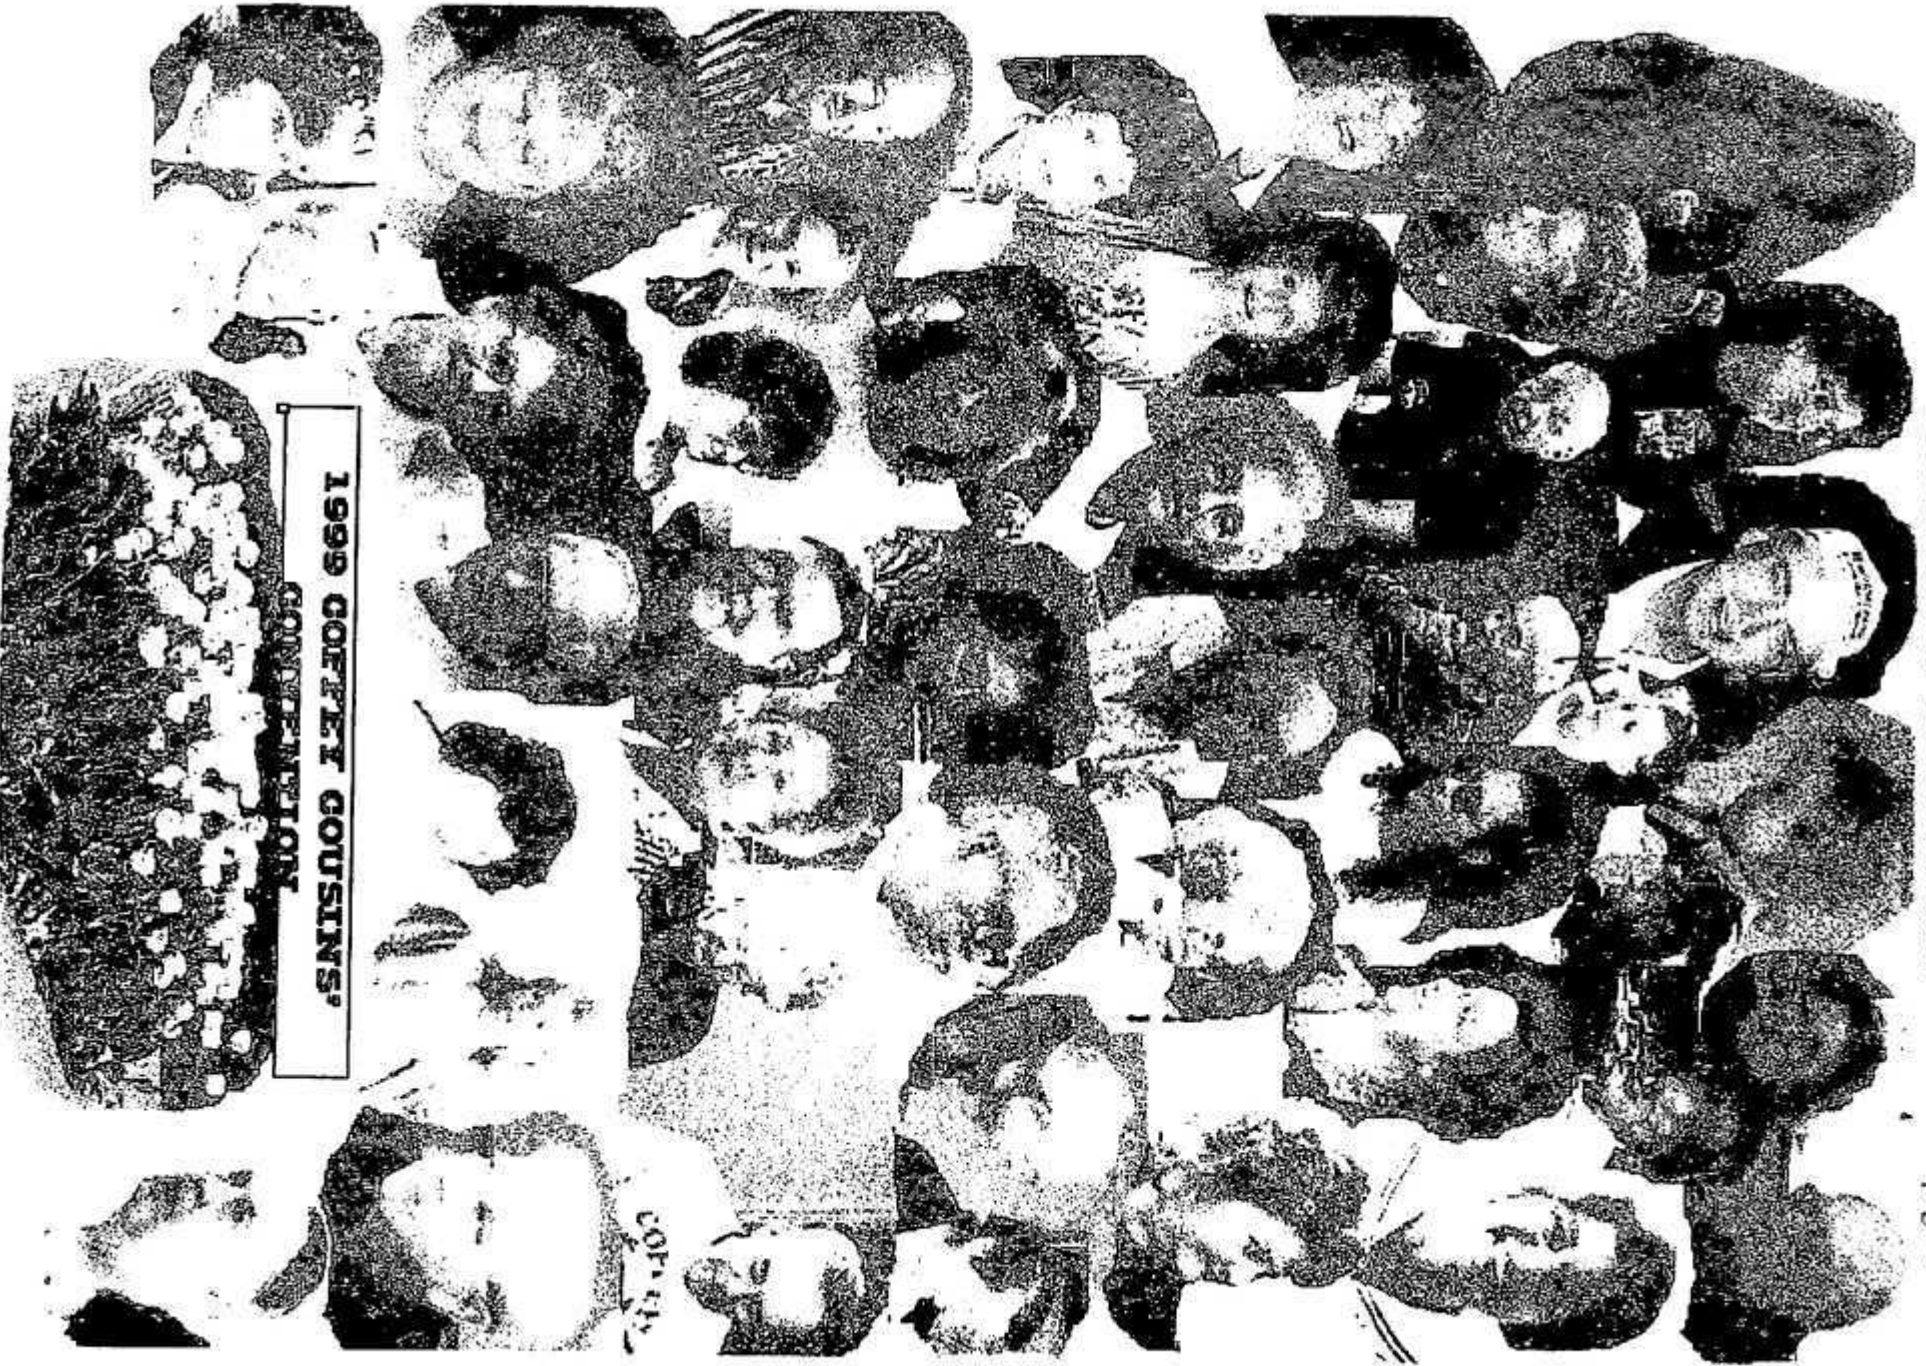

The banquet on Saturday evening was charming. Darlene surprised us again with another product of Iowa. We had the best pork roast you have eaten in a long time. The gathering started with Celtic Entertainment by students for Valley High Orchestra & their Director, Phil Peters. Then we continued on

with our annual meeting as Jeff Coffey called us together again by banging his shillelagh. He again called for people who had attended various number of meeting with the best part being all of the first timers who were there. Jack Coffee read the minutes of the last meeting and I gave an editor's report. I promised again not to raise subscription rates unless absolutely necessary and recognized some who had contributed a lot to the newsletter.

Election of officers ended with a motion to keep Jeff Coffey as president and Jack Coffee as secretary. The motion passed.

Now our biggest business each year is to see where we will meet in the future. Gail Bachman & Donna L. Coffey were to look into several East Coast locations. It was decided that we will meet in Sanford Florida in 2000. The location is good and the weather should be great. We find hostesses at least 2 years in advance now and Jack and Nelda Coffee have agreed to host in 2001 in the Natches, Vicksburg area and Joe Langwell will scout out Dallas for 2002.

As fund raisers we sold ticket for two afghans this year. Virginia Coffey made a really interesting design which I had never seen before and I donated one. We raised \$371.00 to help with deposits for next years convention. \$70 was made from the sale of t-shirts and hats with the Coffee/y logo on them. The committee had a lot of door prizes for us this year, to mention a few: Front Page History Books from the Des Moines Register, Canadian Rock Ducks from Ralph Coffey, Ragbrai posters, Amana Cook Book & Wines, several Prairie Gifts and a washer & dryer (gag gift). I received a basket from Darlene, (she said I was a basket case) and Jack & Jeff got big boxes of Cracker lacks! Every one had fun and no one wanted to leave. Group picture on pg. 18

COFFEY, Titian J. (??)

In one of the shortest tenures as a cabinet official - albeit in an acting capacity - Titian J. Coffey served as U.S. Attorney general for one week. Assistant attorney general during much of the Civil War, he took over the portfolio when Edward Bates resigned the office on November 24, 1864, in disgust over the actions of the more radical cabinet members, especially William H. Seward, Edwin M. Stanton, and Salmon P. Chase. On December 1, 1864, James Speed of Kentucky was permanently named to the position and Coffey returned to his former position.

JAMES COFFEY b. 1759 PA

(I have had this history for some time, but thought I had printed this story before. With Reams Goodloe's index, I can determine if I have printed information about a given person. This story was received from Willard Duncan a long time ago. It probably was copied from a Marshall Co. TN History book.)

James Coffey was born Aug 17, 1759 in Kenneth Square, New Garden Township, Chester Co., PA and died Dec 20, 1836, a few weeks after Marshall County, TN was organized. He married Mary Leeper, April 5, 1787, in Cumberland Co., near Shippingsburg, PA. She was the daughter of James and Mary (Blair) Leeper and was born June 28, 1769, in PA and died July 27, 1861, in Marshall Co., TN.

In a declaration for pension made on Nov 10, 1830, the veteran stated that he enlisted in the Revolutionary War in the spring of 1776 and served as a private in Captain Murry's company, under Colonel Atley's Pennsylvania Regiment. He was in the Battle of Long Island and in the Battle of Fort Washington where he was taken prisoner and confined in the Sugar House in New York for 7 weeks and 4 days until he was returned to his troops, which were stationed at Valley Forge. His

length of service was one year and 9 months.

He was allowed a pension under Certificate No. S-7297, issued under an Act of Congress, June 7, 1832 and paid at the West Tennessee Agency. His widow, Mary Coffey, was allowed pension on Certificate No. W1187, issued under an act of Feb. 2, 1848 and paid at Nashville, Tennessee Agency.

In 1776 he lived in Chester Co., PA. After the war he resided in Cumberland Co., PA; moved to New Castle Co., DE; then resided in Baltimore Co., MD in Hagerstown, MD and again returned to Cumberland Co., PA; and finally lived in Elbert Co., GA before moving to TN.

About 1880 several Scotch-Irish families settled around Farmington and Belfast. These families were inter-related by faith and blood. Mary (Leeper) Coffey's parents had also come from Georgia and settled on the head waters of Rock Creek, in that part of Bedford Co. Which, in 1836, became Marshall Co. James Coffey settled about a mile from the turn to Round Hill Cemetery on the Liberty Valley Road out of Belfast.

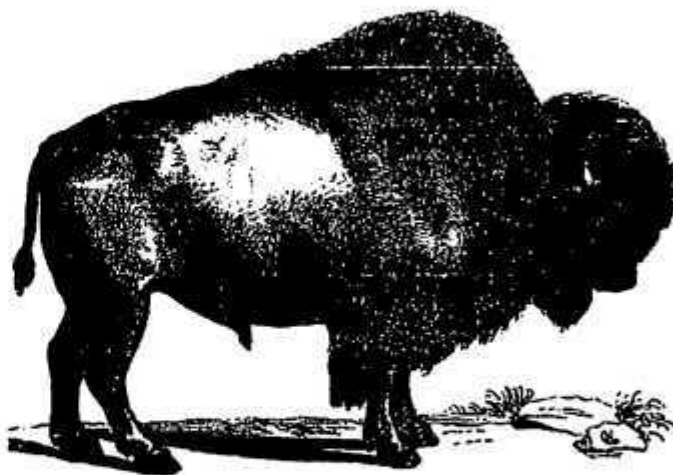

James and Mary Coffey were charter members of the Bethberei Presbyterian Church. He and his wife were buried in Round Hill Cemetery, and their tombstones read as follows:

Sacred to the Memory of James Coffey who was born in Pennsylvania August the 7th, 1761 and died the 20th of December in Tennessee in the year 1836 Age 77 yrs. 4 mos. 3 days

Mary, wife of James Coffey of Revolutionary Fame Born Jan. 28, A.D. 1769 Died July 27, A.D. 1861

KENTUCKY MARRIAGES. contd. from Issue 73

Virgil Coffee has copied marriages for Coffee and Coffeys married in Kentucky. I typed and sorted them. There a great many of these marriages. We will print a few each issue until we have printed them all. We suggest that you get a copy of the original record if you plan to use these in your records. You will then have the actual spelling, dates etc. You probably will find more than just a date.
