PRESIDENT'S MESSAGE

Dear Cousins.

Has the time flown by for you? I feel like the clock must have gone into double time. I hope you have had a good summer and have been able to stay in the air conditioning.

For those who are interested: Clan MacFie (Scottish) recognizes Coffee/Coffey as part of their Clan. For those who saw me in Kill a few years back, that was the tartan I was wearing. Some discussions were held about whether Coffee/Coffey Cousins Clearinghouse should 'join' The Clan organization. Since we are not an organized group with dues or any other requirement than being interested in socializing and making whatever progress can be made in furthering ancestral searches, we therefore have no funds to become a part of such groups regardless of how much we might want to do so. The \$8 you pay each year is for a subscription to the Coffey Cousins Newsletter, not dues. HOWEVER, if you are interested in joining Clan MacFie (McFee, MacAphie, or any other spelling) you may do so. I personally have been a member for a number of years. They produce a quarterly newsletter that has news pertaining to the Clan internationally and keep you updated on Scottish gatherings and games all over the world. I believe their dues are only \$10 per year, so if you have any interest it is well worth it.

As most, if not all of you know I was married June 19 and have moved in with my bride pending the sale of my house. There are so many things I

can't find it has ceased to be funny!!! Therefore, I do not have the address for you to send your \$10 to become a Clan member. Hopefully, Bonnie will have it to add somewhere in the letter because I sent her my last newsletter.

Keep Florida in mind - that's our next gathering in 2000.

Have a happy Halloween and a good Thanksgiving.

'til next time

Cousin Jeff

Dear Cousins.

Boy has this been a hot summer!! Our yard is gone. They show rain all around us, but we must not be putting enough in the church collection box because we sure haven't had any rain. Jefferson City feels blessed that we don't get much moisture in the winter and snows go north and south of us. It's just the lay of the land, but we blame it on the hot air from the State Capitol when legislature is in session.

Jim and I became great grandparents in August. Our granddaughter Michelle and husband Christopher Cole had a son, Caleb Michael Cole. They live in Ozark, MO. He sure is cute but doesn't look a thing like his grandmother!

Please note that Jeff Coffey, our convention president has moved. You will find his address in the NFW ADDRESSES section on page 15. If you have read his letter on page one, you know that he and Glenna have married. We certainly wish them a long and happy life.

I have a subject that I have been thinking a lot about lately and wondering how I can better handle it. I had a letter from a lady a while back complaining about all of the references to computer lists and email. She is right, much of what I get for the newsletter now, comes from email, as well as many of our new subscribers, but I certainly don't want to shortchange our long-time researchers and dependable subscribers. They are the roots of the Clearinghouse and it wouldn't exist without them. I almost see this as the turmoil created when I was a new researcher in the late 60s, early 70s and we first began to use copy machines to copy records. There was a love / hate relationship with the machine. Possibly the "computer" cousins

could assist the "record" researchers in searching some of the indexes on the internet in exchange for actual record copies when they are found. One of the big problems with email is that most people do not want their addresses passed on line. You have all read terrible things on this subject in the papers, so I often do not have a postal address. I am more than willing to forward a letter to any email subscriber from a non computer cousin. I would, however, appreciate your input on this subject.

I hope you have been doing a lot of genealogy research this summer and we will hear about all of your new finds. I haven't had a lot of mail lately. Your help is always appreciated.
Your Cousin,

Bonnie

NEW COUSINS

* Murl O. Black is looking for parents for James Coffee, b. 1795 in Delaware, Pennsylvania. He died in Delaware or Shippenburg, PA. Murl doesn't explain, but James must have had more than one wife as he says "Mary Highlands is the wife I'm from". Murl found us on the web, but didn't send an e-mail address. Possibly next time! If you have any information on his James Coffey, please write to him at the address in the new cousins list.

* Nancy Williams descends from (grandfather) E. L. Coffey b. June 22, 1878 in Boone Co. Arkansas. The family moved on into Texas. Nancy's Coffey Cousins are in the Fort Worth metro-plex area, San Antonio and Houston with the exception of one working temporarily in Virginia. She plans to touch base with them. She has her grandmother's correspondence and autograph books so she has a pretty clear idea of the towns they lived in. There was one mention of E.L. as "Edgar" in a newspaper clipping but Nancy figures that it was E.L.'s brother, father etc .She would appreciate any help that she can get. Her address is in the new cousins list and email is willco5@IBM.net

* Barbra Baker is working on the lineage of her family and at present has found several generations of Coffeys. From Barbra⁰, they are her father Chester Erthur Duke, Jr⁵; his mother, Julia Anne Mree Coffey⁴; her father, Jackson Lafayette Coffey^{*}; his father, Alfred Alfonzo Coffey² and his father, Elijah Coffey¹. If you can help Barbra, her address is in the new cousins list and she would appreciate hearing from you.

*Betty Campbell will receive her subscription from her mother, Lois Bertram, a long time subscriber of CCC. Lois says that Betty has retired and spends her time working on genealogy and that she and Janice Autry are corresponding and working on "Dear old Benjamin Franklin Coffee". We at CCC are very glad to have Betty as a new Coffee researcher. If you have anything to add to Betty's research on Benj. Please write to her at the address in the new cousins list.

* Jeff Coffey is not really a new cousin, but he has had an address change. We have not had correspondence from him for over three years and are really pleased welcome him back. He is researching the line of George Stanley Coffey. If you can help Jeff, his new address is in the new cousins list.

MAIL BOX

* Marie C. Ryals is known to most of you and again I list her with the new cousins because we haven't heard from her for a while. She has moved and has been very ill. As always, we hope she is doing better every day. Marie is researching the line of **Reuben**¹, **Jessie**², **McCaleb**³, **C. Jones**⁴, **John F.**⁵, and **John S.**⁶. For anyone working on this line, I suggest that you contact Marie as she is a powerhouse of knowlege. Write to her at the address listed in the new cousins list. (You can just welcome her back too!)

* **Ione** Parrish's letter was received just before going to print. Hopefully she will let us know what line she is working on before the next issue in December.

* Ruth Ratliff was given the September issue which contained a "Partial Autobiography by A. A. Coffey." Alfred Alfonzo Coffey was Ruth's late husband's ggrandfather. She says that she was delighted. (Thank you Coffey Cousins.)

Ruth has gone to the Coffey Family Page (on the web) and found information there re: Elisha Coffey, son of Thomas Coffey and 2nd wife Sally Fields. The information says he married Polly Hill/Hull and that he went to Georgia in 1836. Ruth says that she may be mistaken but she believes this should be **ELIJAH Coffey m. Polly HEULME**. The autobiography states that Elijah and Polly moved to Georgia about the last of **1839**. Ruth asks how she can get further information regarding Elisha and Elijah. If you can help Ruth, her address is in the new cousins list.

* **ELMA SUE DAVIS** writes that she has had cataract surgery in both eyes so has not been able to do much research lately. She hopes that she will be able to attend the 2000 convention in Florida and we hope she will be able to attend too.

* We heard from **RUTH LANNING**. We've been worried about Ruth & Thurman for quite a while. It seems that Thurman, now 80, had a triple bypass and Ruth is having trouble with her **back**. They have had a duplex built and moved. Check the new addresses for this. It's been a big job for them, but we're glad to hear that they are still researching and hope that they are well enough to **plan** for the convention in Florida in 2000.

* Lillian Neighbors missed the convention in Iowa. She was looking for someone to travel with but couldn't make contact with Betty Coffey. She will start early to try to get to Florida and this will be closer for her. She says that she enjoys hearing from Robert Coffey occasionally. She send her best to **all** of the Coffee/eys.

* **A1 Carhart** generously sent me a copy of the San Antonio Express-News with a nice write up on South Padre Island. It is appreciated.

DEAD END ROADS

* Gloria Harding has just returned from visiting with Tom Coffey and visiting the old Coffey Cemetery in Maries Co. Mo. She is a descendent of Elizabeth Coffey who married William Petty who was supposedly shot on his front porch in Maries Co. by rebels during the Civil War. She was hoping to find his grave and supposes it is probably in the same cemetery.

Gloria's great grandmother was Mary Ellen Petty born **1860-died 1893** buried in Taney Co. Mo. in the Old Chorn Bluff Cemetery on Beaver Creek. She married Jacob Mooney Cummings **born 1849- died 1932**.

Gloria's grandmother Mary Eliza Cummings born **Dec. 19, 1888** in Taney Co. married William Harvey Gideon in 1905. He was born in 1878 and died in 1948. Gloria's mother is Thelma Louise Gideon she Married Roy H. Clark. Gloria is one of 11 children most of which live very close to Taney Co.

Gloria would love to have any information you have on the Petty, Coffey or Boone line. Her email address is hauto2@juno.com

* Donna Winters writes "My Coffey didn't live in Pittsburgh County, although there are some here now." One of my grandmothers was: Hannah Coffee-Land Born: abt **10/6/1836** and married to William B. Winters. Hannah is the daughter of: Morgan/John Morgan Coffee/y. Hannah and Winters had a son, Joseph Winters, and lived in LeFlore Co., OK. If you can help Donna, write to her at her email address or write to Bennie Loftin or me, Bonnie Culley and we will see that Donna hears from you. She says, "Thanks", Donna G. Winters-Bailey, Wolflady37@aol.com

* Norma Kley has been talking with Vikki Lyn Cleveland regarding a Cleveland connection through Coffeys. Vicki suggested that she might be interested in receiving your Coffey Cousin publication. Norma's Coffey ancestors were James, Joel and Nathan Coffey "if she has it **all** straight." I (Bonnie) seem to have missed her email address when I saved her message but expect to hear from her again soon.

* Shirley Dawson, lives in West Plains, Howell Co., MO. Her Maternal Gr. Grandmother was Phoebe Coffee. She was the **daughter** of Arnett Coffee and Kissiah Gray. Arnett was the son of William E. Coffee and Sarah Lucinda Coffee. Story is they were 1st double cousins, both from Grainger Co., TN. William E. Coffee being the son of George Coffey and Sarah Lucinda Coffee being the daughter of John Coffey who were brothers, their wives were Rucker sisters.

Recently Shirley has gotten back into genealogy, her children all grown and married. She is expecting her 1st grandchild any day now. Anyway, Shirley is getting back on the track of her Coffey ancestors and need help. Would love to hear from other Coffeys. Shirley Dawson, bd.sd@townsqr.com

*Jo Ann Coffee is still trying to find any information on William Joel Coffee of Sommerville, AL. Possibly he died in Texas. Some of his off spring were inclined to believe he just started a new life. She could use any information. Her address is 304 S. Broadway, Coalgate, OK 74538

CURRENTS IN THE STREAM

* Jo Ann Hatch says, "I have something new on the Rich Coffey family that you may not be aware of. I made contact with a descendant of John II. Coffey, Rich Coffey's brother, who is shown on the 1860 Parker Co. census. Anyway, Jayn Babyak of Leander, Texas sent me the following family for John.

JOHN HENDERSON COFFEY,
 B. NOV 22, 1833 IN GA.,
 D. 15 APR 1908 in Mason Co. TX.
 SPOUSE: MARY ELIZABETH GRAY
 Children: JOSEPH WILLIAM COFFEY
 BELLZORA COFFEY
 SUSAN COFFEY
 ISAC G. COFFEY
 MARY H. COFFEY

In an earlier addition we mentioned getting the Rich Coffey line back to Hugh Coffey, but this is the way Jo Ann believes the Rich Coffey line goes: Rich Coffey, son of William B. Coffey, son of John Coffey, b. abt 1773 in S.C, md. Margaret Baskin. This John Coffey of 1773 was the son of another John Coffey. (We'd like to hear more about this! Bonnie) Jo Ann's address is: P.O. Box 1123, Pinedale, AZ 85934-4597 and e-mail jahatch@Whitemtns.com

* Bennie Loftin sends the following: Tennessee State Death Index 1908-1912 is available on
 ><http://www.state.tn.us/sos/statelib/pubsvs/death2.htm>

Bennie also forwarded this message from Grainger Co. TN Historical Society. "We will be getting the Grainger County Heritage Books again, Grainger County, Tenn. and Its People 1796-1998, sooner than we originally thought." You can mail your checks for \$59.95 (Book \$56.00, S&H \$3.95) to the following address:

* Sandy Otos writes "I've been researching Coffeys and looking for an Indian link. I just received this info today. Elizabeth Napier was born 1897 in Casey, KY to Mattie Watson Napier and Sam Napier. Mattie was full Cherokee. Elizabeth married a William Coffey. This came from Vicki ? who has a tribal enrollment card for the Western Cherokee nation of Ark and Missouri. I have her e-mail if you want it. I also heard from a woman who said that the Charity who married Smith Coffey was full Cherokee, but she couldn't prove it. I also have her e-mail. She also said that Israel Boone married a Cherokee." Sandy's address: 1109 Fonthill Ave, Torrance, CA 90503 & email: cgoslo@earthlink.net

* Sandy Otos wrote again, "I'm looking for a photo of William Abner Coffey, Abner, who was born 1809 in Wilkes Co., N. Carolina, moved to Gwinnett Co. GA before 1830, and then settled in Benton Co. (Cleburne), AL before 1840. They are redoing the courthouse in Heflin, AL and want photos of past public officials. I have given them a photo of his son Lewis Coffey who was Tax Collector, but I do not have a photo of my gg grandfather. I thought one of your readers might be a descendant and have one hidden away somewhere. Thanks. Sandy Otos" Her address is in the query above.

* Bennie Loftin wrote: My cousin Gaye Coffey Seals' husband seems to come down from Lillian Coffey Harrell's John Jackson Coffey line? We are all excited about working his Coffey line out.

We knew his grandmother was Mary Coffey, married James H. Chasteen, but not which line. Their daughter Cathy's latest husband may also be in my Clark line. Bennie's address is Rt. 1, Box 270, Kiowa, OK 74553-9727.

* Darlene Clark sends the following: Thanks to Virgil's contribution to the CCC, Issue 73, December, 1998, p. 12, we have information that Selathiel Coffey's wife was Elizabeth Gore. I have used the Familysearch.com, the web, and books from the IA Genealogical Society to learn more about Elizabeth Gore and her origins. I plan to study the movements of this large Gore family to see if there are clues as to where Selathiel Coffey and Elizabeth Gore may have met.

According to the information in these sources, Elizabeth was the youngest of 11 children (seven boys and four girls) born to James Gore, JR. and Elizabeth Dowden Gore. James Gore, JR was born in Prince George County, MD and died in Kershaw County, SC, October 29, 1784. Elizabeth Dowden Gore was born August 29, 1716 in Queen Ann Parish, Montgomery County, MD. She died in November 1788/89 in Chester County, SC.

Land records in Settlers of Maryland, 1751-1765 by Peter Wilson Coldham show that James and Elizabeth owned 746 acres of land in Frederick County, MD in 1758. These tracts of land were known as "Gores Adventure" (586 acres), "Grandmother's Gift" (100 acres), and "Grandmother's Goodwill" (60 acres).

Next, I found listed in Maryland Militia, 1732-1763 and 1732-1774, Captain William Lockett's Company with James Gore, Jr. as a Corporal and his sons, James Manner Gore, Clement Gore, and Thomas Gore as soldiers. Their dates of service were not identified.

The son, Thomas, (1735-2/18/77)

was killed in a battle at Fort McIntosh in Brantley County, GA. Surfing the web, I found the article, "Satilla River: Site of Ft. McIntosh". This article states the exact location of the fort has not been established but a Georgia Historical Marker at Atkinson, GA, proclaims, "Near this town on the northeast side of the Satilla River, Fort McIntosh was built early in the Revolutionary War to protect extensive herds of cattle ranging between that river and the Altamaha. It became an important post on the southern frontier...".

General Lachlan McIntosh was commissioned in January, 1776 to recruit volunteers to defend the southern portion of the state. In early 1777, after construction of Fort McIntosh, the independence seeking Georgia Militia intended to launch an attack against the east Florida British but was unable to muster support for an attack. Instead, a group of 800 British Regulars, Loyalists, and Indians attacked the Georgia Militia, a group of sixty. After fierce fighting and with several dead and wounded and a promise of an escort of British Regulars to Fort Howe, the Georgia Militia surrendered and was disarmed. The British Regulars began an escort of the prisoners to Fort Howe but in the late evening, the British Regulars disappeared. The Georgia Militia, realizing they were defenseless and to avoid falling into the hands of the Indians, took a direction through the woods, bays, and swamps towards Fort Howe so as to avoid ambush on the one road to Fort Howe. After traveling 35 miles, they arrived at Fort Howe the next morning.

* The newspaper, USA TODAY, has an article on the front page of the LIFE section (Tuesday, July 13, 1999) "Educated elders do more with less brain" The study at Henry Ford Health System in Detroit quotes a researcher named C.

Edward Coffey. It must be a pretty high level article because it is being published in the July issue of NEUROLOGY. (From Nancy Williams)

* Jo Ann Coffee sent a picture of an Oklahoma Historical Marker. It is located near Spiro, OK. She says that nothing is left of the fort and understands that the corpse of engineers used what was left of the stones for rip rap. The sign reads:

FORT COFFEE - 6.1 Mi. North - Established June 16, 1834 by 7th Inf., and named in honor of Gen. John Coffee of Tennessee. Abandoned by U.S. Army in November 1838. In 1842 site selected by Choctaw Council and established as Ft. Coffee Academy for boys. During the Civil War buildings used as barracks by Confederate forces. In Oct 1863 captured by Federal troops and principal building burned.

DIVISION OF CORRECTIONS

* Reams Goodloe gave us the following corrections for last issue and I seem to have overlooked them. You need to make the following corrections to your newsletter.

Re: CCC. Issue #73 p. 13

2nd paragraph re the E. A. Coffee that married Thomas Hay just a little over a year after Hiram died. It makes more sense that this was the widow Elizabeth Ann Woolridge Coffee, rather than the sister Elizabeth whose middle initial was not A and who married G. W. Jewell.

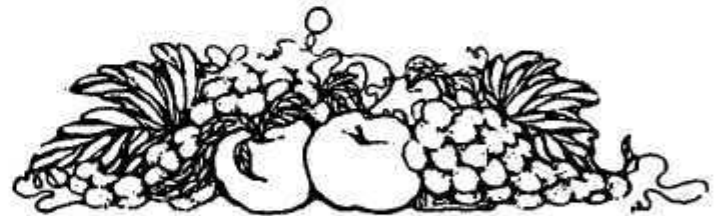

2nd column. The Mary C. Coffee who married Franklin Plummer was no doubt the widow Mary Catherine Isler Coffee. From family records we know she married Congressman Plummer although we had his name as Frederick. It was because Mary Catherine's first husband had died and this marriage was pending that the daughter eloped at age 14 while visiting her Uncle Holland. Virgil is correct that the children were born in MS. Since Plummer was a congressman, we should be able to verify his first name.

Ream's address is: P.O. Box 942,
Ormond Beach, FL 32175-0942.

* Marvin Coffey has some corrections for Issue 75. We need to take note of the DAR Patriot Index on p. 11 of the June issue of CCC. Marvin says, "A long time ago someone filed with the DAR the lineage starting with Joel, b. 1730. We now know from another, more reliable source that Joel was the son of Chesley Coffey, Sr. & Jane Cleveland. As such, 1730 would be a bit early for Joel. It's more like 1745-1750 (I think more towards the latter). Also, he didn't marry Martha Sealey but rather Martha Stepp (Stepp, Stapp), the granddaughter of Joshua Stapp and Martha Coffey (eldest daughter of Ed-

ward & Ann Coffey). Also in the same section is Reuben Coffey, 1759 who is stated as marrying Sally Scott. This was a point of confusion for many years but we now know that the Reuben who married Sally Scott was a son of John Coffey and Jane Graves and born 1744. Reuben the Revolutionary War pensioner, b. 1759 married Millie Morris (tradition) and went to Wayne co. KY. The older Reuben died in Burke co. NC. Reuben 1759 was a son of Rev. James Coffey.

Another common mistake is given on p. 10 under "The Isbell Family". Sally Ann Isbell did marry Henry B. Coffey but Henry was NOT a son of Reuben & Sally (Scott) Coffey. He was a son of Joel Coffey, a younger brother of Reuben 1759, and his wife Martha or "Patsy". This family went to Wayne co. KY early, and as mentioned above the older Reuben never left Burke co. NC. Marvin's address is 4771 Hillcrest Rd., Medford, OR 97520. Email - coffey@sou.edu

INDEX TO CCC:
CURRENT TO ISSUE 75

Reams Goodloe has indexed the newsletter. He will sell the index on disk in any of the 20 Microsoft Word formats for \$2.00.

If you want to read everything about your ancestor, but purchasing the complete set of back issues is too expensive, this may be your best answer. You can see which issues your ancestor is listed in and buy only those issues of CCC.

NEW COFFEY BOOK

I purchased a new Coffee book, recommended to me by a Coffey Cousin. The title is "CALLED AWAY" by Ronnie Haraway. The price of this book is \$30. He only has about 20-25 of them left, so I feel fortunate to have ordered when I did. Ronnie is a double Coffee, descending from Elizabeth Woodson Coffee through his mother and Richard Smith Coffee, her brother, through his dad. Ronnie's book starts with Peter and Susannah Coffee continuing through the line of their grandson Thomas Graves Coffee. This is the primary line covered in this book. It is well written, easy to follow and documented (and interesting - with some pictures). It would be good buy for anyone interested in the Peter Coffee line. Ronnie's address is Rt.1, Box78, Pine Haven Shores, Rogersville, AL 35652.

DOCUMENTS GALORE

The first is the Theodosia United Methodist and the second is the True Hope Baptist Church. The cemetery is named Lutee Cemetery and is non denominational. In the list of burials are:

Charley Coffey, no date
Tildy Coffey, no date

KENTUCKY MARRIAGES. contd. from issue 75

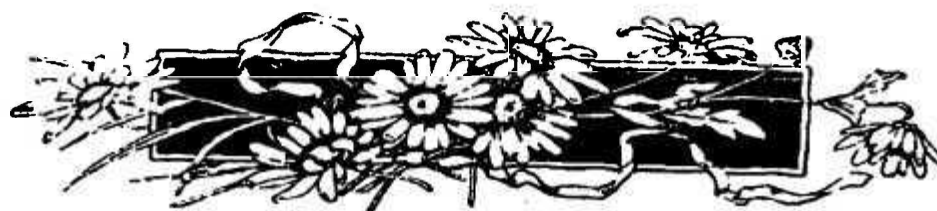

Virgil Coffee has copied marriages for Coffee and Coffeys married in Kentucky. I typed and sorted them. There a great many of these marriages. We will print a few each issue until we have printed them all. We suggest that you get a copy of the original record if you plan to use these in your records. You will then have the actual spelling, dates etc. You probably will **find** more than just a date.

MACFIE CLAN

President Jeff wrote about the Macfie Clan in his presidents letter, leaving it to me to tell you about the cost of membership and address. First is cost and it's better than Jeff remembered: \$7.00 senior membership (65), **\$15.00** for individual and \$25 for family.

Dues are sent to Mr. Norrie MacPhee, 497 Boston Post Rd., Amherst, NH 03031. I would make the check to Macfie Clan Society.

Ilah Merriman was the first to suggest that some of the Coffee/eyes might descend from the Macfie Clan. She is researching this possibility and will let us know more in the future. It is not assumed at all Coffee/eyes came from this clan. I feel that we need to keep an open mind to all possibilities.
