## PRESIDENT'S MESSAGE

Dear Cousins,

2000 came in and everything went on working! Guess I don't have as much food and water supply for the next several months as some folks. It sure feels good to be right once in a while.

Your plans should be made and your money in for our big reunion in Sanford, Florida, April 27-29. Be sure you made your motel reservation as a part of the Coffey Cousins group. That gets you our group rate AND credit for another room in our room count. If we don't have enough rooms, we will be passing the hat more times to try and make the difference.

Sounds like Gail has a fun time lined up for us and I hope you are looking forward to it as much as I.

Have a fun time getting to Florida, in preparation for a fun time while there!!!

'til next time

*Cousin Jeff*

\* Marvin Coffey wrote that he only has 5 copies of the book JAMES B. COFFEY, ANCESTORS left. There will not be another printing. Marvin is going to Utah in April for his youngest son's college graduation. He will to spend a few days in the Family History Library in Salt Lake and plans to search for the elusive Mary Joliffe and John Coffin / Coffee!!

Dear Cousins,

The last three months have been real nasty! Jim and I both, got the flue bug during the Christmas week. Jim had to spend a few days in the hospital. We left a couple of days late for South Padre Island, Texas hoping the sun and fresh air would take care of things. Then Jim had to spend a few more days in the hospital for cellulitis and arthritis. We haven't got out much since we have been here. (Now stop complaining!! It's sunny and in the 90s.)

As I promised in the last issue, I have printed the subscription list. We used to print it every year but with the 205 subscribers, it takes most of the newsletter. I have received some information from some of you that wouldn't fit in this issue. I'll make every effort to get it all in the next issue. I often get more material this time of year as people are renewing their subscriptions

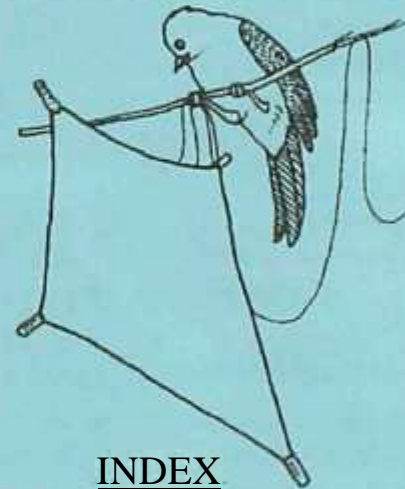

I'm sure you all have found my big mistake in the December issue. I left off the convention dates. I intended to send cards after Christmas but Bennie Loftin reminded me that the dates were in the two prior issues and I've been really pressed for time. I hope you will forgive and attendance will be really big. We haven't met in the east for quite a while and never in Florida. My library continually grows and I have made another afghan to raffle. Gail Bachman hosted the convention in Maryland a few years back so we already know what a good job she does. I look forward to the cruise on the river and hope to see a manatee. It's wonderful to be able to meet our cousins. I hope to see all of you there.

I'm writing this letter in Texas and plan to be home in time to mail it when the printer is finished. (Good Lord willing and the "creek" don't rise!)

YourCousin,

{Bonnie

P.S. The issue of John Coffey and Mary Joliffe is being raised again on the internet. One person claims to have some evidence and we hope to have more to report on this in the next issue. Please don't add this to your lineages until we see the proof. We have also asked some of our best researchers to check into these alligations and see what they could find. Keep an open mind and look for proof. BC

**NEW COUSINS**

\* Loren Jenkins just missed getting her query in the December issue. Loren descends from Chesley and Jane (Cleveland) Coffey whose son Eli married his cousin Mary Coffey (dau. of Nathan & Mary (Saunders) Coffey) whose son was Newton Eli. This line moved from Kentucky to Indiana, Illinois and to Wayne County, Iowa. Many still live in this area. Loren's grandparents, Emory Elous and Alice Bertha (Chadwick) Coffey, with their children moved to the south end of Tulsa County, Oklahoma. Loren's father George Richard Jenkins married Myrtle Mae Coffey on April 27, 1913 and lived near the town of Mounds, OK. Loren would like to hear from others working on the Chesley Coffey line. Address in the new cousins list.

\* Cecile Purcell is the sister of a new subscriber listed in the December issue, **Wilma Herndon**. They descend from Mary Coffey Montgomery daughter of Larkin and **Tempie Coffey** who was born in Georgia. Mary Coffey married Daniel T. Montgomery in Alabama. Cecile and Wilma would appreciate any help. Address in new cousins list.

\* Norma Kley's query was in Dead End Roads in issue 77, but she would like to make contact with others working on the line of James Coffey and wife Elizabeth Cleveland. Norma descends from their son Joel and his son Nathan (1760) and his daughter Mary (Polly)

Coffey b. Dec 7, 1887. Address in the new cousins list.

\* Grace Vaughn is the cousin of Al Carhart a long time member and supporter. Their grandmothers were first cousins. Grace's grandmother was Angelina (Lina) Coffey the daughter of Rice Abner Coffey, b. 1833. He was the son of the original Rice Coffey, son of James Coffey. If you have information on this line, Grace would like to hear from you. Her address is in the new cousins list.

**NEW FINDS**

"I am pretty excited about this and have to tell you all what I found out today that there is a headstone in the Dean SW cemetery in Parker County, TX for William B. Coffey! He is the father of Rich Coffey, John Coffey and Elizabeth Coffey Beddo.

All the cemetery record says is, William B. Coffey 12/20/63 "Early Pioneer Family", (no other info or date). I am working to find out just where this cemetery is and will let you all know." JoAnn Hatch P.O. Box 1123, Pinedale, AZ 85934-1123

**MAIL BOX**

\* Darlene Clark writes that she and Harold look forward to seeing the Coffe/eys in Sanford Florida in April. She also enjoyed reading Dana Mireles essay and the mysteries of this family.

\* Bess Coffey wrote that Francis Coffey has had a stroke. We hope he is much improved by now. I'm sure he would enjoy hearing from some of the Coffey researchers. His address is 865 E. Silver, Tucson, AZ 85719

\* Ralph and Ina Coffey of Prince Albert, Canada wrote that they are fine, but would not get to Florida for the convention in the spring unless a miracle happens. (We're praying for a miracle.)

\* Noreva Sharr wrote that she is doing a lot better and doesn't need her walker any more. She enjoyed the picture in issue 77. She and a neighbor remembered the Dudleys and Pyles. Noreva and the neighbor have lived side by side since 94 and just found out that they have common family lines. Harris, Harper, Campbell, Coffey, Buchann, Jones and Lambert. They're having a great time sharing stories.

\* Margaret Billing wrote that she and her husband Andrew are doing well and still taking care of themselves. She is 91 and he is 93. [We send our congratulations and wish you many more goodyears.]

\* Connie Platt wrote that she especially enjoyed Dana Mireles research on Elizabeth Coffey, since she descends from her son Eli and Nathan's daughter Mary. Connie says "She has obviously done a lot of work and I really appreciate it."  
[Thanks Connie, I agree.]

\* Millie Coffey is making plans to attend the convention in Sanford Florida. We hope we see her there.

**PEAP ENP ROADS**

\* Jerry Lou Rickman is hoping to find parents for great grandmother, Lucinda P. Coffee. Jerry asks if the "P" might be for "Pleasant" and is Lucinda's father General John Coffee? Jerry's address is 2047 Rainbow Drive, Santa Ana, CA 92705.

• Lorie Okel reminds us that she is looking for anything on the Collins Coffee family. Collins was born 1809 in North Carolina and died September 1864 in Howell Co., MO. His second wife was Sarah Hinkle. Lorie's address is 18625 N.E. August Ave., Battle Ground, WA 98604-0255.

\* Willard Duncan and his daughter Julie Duncan Wilbur are looking for decedents of a Hiram Coffee who died at age 50 in 1851, Grayson, Tx. They would like to see if anyone has information on Hiram's family after his death in Texas. If anyone knows about Hiram's children, contact Julie at [Jdunc55@aol.com](mailto:Jdunc55@aol.com) or Willard Duncan, 285 S. Kings Road, Ormond Beach, FL 32174-6171

\* Rosanne Brueggemann, 5855 Hilltop Dr., Springfield, MO 65810 is searching for information on James Crittenden Webb and Susan Coffey of Ozark County, MO. She would appreciate corresponding with other working on this line.

\* Joseph C. Carroll is searching for Eliza Coffee (or Coffey), born c1821 in TN, who on June 25, 1850 in Maury Co. TN married William Wyatt Walker. At age 44 this was the second marriage for William Wyatt Walker to 21 year old Eliza. Since nothing has been found on Eliza or her parents after 30 years of searching, it is possible that this was

also a second marriage for Eliza and Coffee was not her maiden name. Wyatt and Eliza had eight children. Eliza died c1865 in TN and Wyatt died Sept. 12, 1889 in Maury Co. TN. Any information or suggestions appreciated in exchange for considerable information on the Walker line. Write Joseph at 465 Sunset Terrace, Cedar Park, TX 78613, or email [CARROLL465@aol.com](mailto:CARROLL465@aol.com)

**CURRENTS IN THE STREAM**

\* Kathryn Johnson is now on line at [[Johnson@coastalnet.com](mailto:Johnson@coastalnet.com)]. She researches the Coffeys and Hayes of the Benjamin Coffey line.

\* Kenneth Coffee of Del Rio, TX sent a copy from "EXPRESS NEWS", San Antonio, TX dated April 2, 1997. It has a good picture of Billy Graham and reads as follows.

Nov. 7, 1918 - William Franklin Graham Jr. Is born on his family's dairy farm near Charlotte, N.C, the first child of Frank and Morrow COFFEY Graham.

\* Bob and Betty Fansler have a new E Mail address: [fanslr@aol.com](mailto:fanslr@aol.com)

\* Jo Ann Hatch wrote for Jim and I to have a good time on South Padre Island this winter. She said that her ggrandfather spent the time he was in the Confederate army on the Island guarding against invasion by "those Yanks". What Jo Ann doesn't know is that last year Jeff Coffey took us to Boca Chica which is just across the channel from SPI to visit the site where the Confederate service men camped to "guard against those Yanks". I don't know how they survived and I doubt they had a very pleasant time of it. It's still desolate there, with no drinkable water, mosquitoes, etc. You have to drive to Brownsville, TX to get to it.

\* Robert C. Coffey sent a card with the address of Globalnet <[WWW QUIXTAR.COM](http://WWW QUIXTAR.COM)>IBO/QUIXTAR#:5587953 key code cof. This should help our computer people get to Robert for info on his line. He would like to correspond with other working on the line which descend from Edward Coffey through John & Jane (Graves) Coffey; Thomas Coffey: Austin & Polly (Coffey) Coffey; Joshua & Selena (Stone) Coffey, Thomas Calvin & 1st wf. Mary Huston, 2nd wf. Margaret Moulder, Coffey; Cornelius (Doc) & Irene (Moore) Coffey to Robert.

His family left Caldwell Co. NC in a wagon train with an ox cart, on the Tarheel Trail. They settled in Macks Creek, **Camdon** Co. MO between **1857** and **1859** and were in the 1860 census there. Roberts address is 3085 N. Star Lane, Fresno, CA 93722-4841

\* Grace **Krumm** Posey sent an extract from **THE ELDER DANIEL BURFORD: HIS ANCESTORS & DESCENDANTS OF AMERICA (1684-1996)** by Betty Arnold Loftiss. Those working on this line would gain a lot more information by purchasing her book. Betty's address is **1397** Scotland Road, Coldwater, MS **38618**. Grace found the following Coffeys on page 193.

Emma Mariañ Ria McCown was b. 12 Jan 1849 in Lincoln Co. TN. She was the daughter of James Patton McCowan and Lucinda Collin Isaacs. She married John Nathan Coffey abt. 1972 in Lavaca Co. TX. He was b. Titus Co. TX and is buried in Brown Co. TX, Zepher Cemetery. Their children: 1) baby Coffey, died as infant; 2) baby Coffey, died as infant; 3) Elizabeth M. Lizzie, b. Dec. 1872 TX, **m. William Burl Nesmith**; 4) Cecil Isadora, b. Abt **1876**, m. Andrew Frank Shelton; 5) **Martha T. Mattie**, b. Feb **1877 TX, m. Cecil McCutcheon**; 6) **Zula P.**, m. Ivan L. \* Dr. Carol Coffee sent copies of his correspondence from **Fank** Coffee. Frank descends from Peter Coffee, Jr. who settled in Powelton, GA in 1800, but it seems that one researcher claims that he moved there just after the Revolution, about 1780. Peter died in Powelton in **1803** and his son John E. resettled in what is now Telfair County as a result of the land lottery of 1806. His wife Ann Penelope Bryan was from Jones Co. NC (b. 9/23/1984). In 1838, just as the last of the Indians had been force-marched to Oklahoma on the infamous Trail of Tears and two years following his death, half of General John E.'s progeny, along with his widow Penelope, moved down the Coffee military road to Madison, Florida. Carol says that he thinks the Coffees would enjoy reading about their French connection as Frank's ancestor Christopher Columbus Coffee married into a french family that reads as follows:

1st generation;

### DANGERS OF RESEARCH

Murl Black wrote the following disser-  
 tation.

"I destroyed our two most treasured  
 family stories with my research and for  
 awhile I wasn't very popular among the  
 older family members. Both of these  
 stories surrounded my grandfather  
 Eden Robert Coffey."

Story 1:

My great grandparents owned a coun-  
 try store/bar in Shippensburg, PA. They  
 were in the store one day when Robert

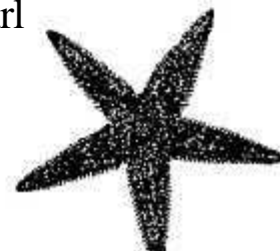

E. Lee and a band of raiders entered  
 the store to take their fill of goods and  
**drink**. When Lee came in he saw that  
 my great grandmother was nine  
 months pregnant. Being the gentleman  
 that he was he had his men drop ev-  
 erything and get out of the store. As  
 Lee was leaving he turned and saluted  
 my great grandmother and said "Mam,  
 if it is a boy name it after me. That  
 child was a girl (born 1865) but the  
 next was my grandfather so he was  
 named Robert Eden Coffey. Too soon  
 people were calling him Bob so she  
 changed his names around to Eden  
 Robert.

The truth. Lee did raid into southern  
 Pennsylvania in the early parts of the  
 Civil War but by 1865 he was much too  
 busy attempting to defend the South as  
 well as much too high a rank to lead a  
 small band of raiders. Anyway Lee's E.  
 stands for Edward. It made a great  
 story.

Story 2.

My grandfather rode with his family in  
 1878 in a covered wagon from  
 Shippensburg to Wilson, Kansas. That  
 was a fun romantic story also with  
 much to build on.

The truth. My grandfather did move  
 from Shippensburg, PA to Wilson, Kan-  
 sas. A friend of mine found the notice  
 in the archives of the Shippensburg  
 newspaper when the Coffey family left  
**ON THE RAILROAD TRAIN** for Wilson,  
 Kansas and a week later a second no-  
 tice that they had arrived at Wilson.  
 Luckily I found out the above after  
 grandpa passed away, but that didn't  
 make his children any happier (my  
 aunts and uncles). Murl

## SUBSCRIBER LIST

The first line is the name of subscribers with addresses listed for the year 1999/2000. The second line is the ancestor that I have listed in my data base on my computer for that person. It is simply to help me know what you are researching. Some have additional information to help identify which **[John or Jesse]etc.** I see that I am missing some people's ancestor in the **list.** Possibly you can correct this for me. **I** hope you can use this list to make research contacts.

Jack Coffee forwarded the following message. We hope some of our readers recognize Alice's line and will assist her. Her letter reads:

I now know who my grandmother's (Maggie Belle Coffee) father & mother are, John Brinton Coffey, m. Nellie Steely and thus far I found out from my 92 year old Aunt that 3 other children born to John & Nellie were Bill, Dave, & Jess & of course my grandmother, Maggie Belle. If you have anything else on my family, as always I would be ever so grateful. They were from Jackson County, Alabama. I do know Maggie was born in the town of Trenton, I also found John had a huge farm on Cumberland Mountain.

I am 57 and my mom was 57 when she passed away. I want my children to know all about their roots.

Alice

**DIVISION OF CORRECTIONS**

Juanita Sage corrected my mistake in the September, issue 76. Since Frank Coffee introduced her to Coffey Cousins, I assumed they were from the same line. I stand corrected. " Juanita descends from William Coffee b. 1729 in Ireland. He married Sara Raleigh, b.1733. They had a son, Ambrose Coffee, b,1755 in Ireland. He married Ailseys last name unknow b.1759 ( Ambrose died in 1820 in Slate Creek m. Ky ) Ambrose and Ailseys had a son name William Coffee , b.1785 in Fayette Co.KY. He married Elizabeth Lacy, b.1787 In Virginia. They had a son named Mason Coffee,b.1813 in Morgan Co, Ky. He married Martha Ferguson in Jan 01, 1835. They had a son named Issaac Ferguson Coffee, b.1842. He died in 1931. Issaac was married 4 times. (Juanita does not

have all the names of the wives yet.) He married a Nancy E.Hamilton in Aug 1894. They had a son named William McKinley Coffee was born 1895-1963 .He married a Hattie Ann Hopkins and had 8 kids. That's where Juanita's father comes in, Ludwig Jerome Coffee b.Sept 30,1922-died July 2,1997. Ludwig married Nannie Coffee b.Dec 31,1923. She is the daughter of Harvey Lee Coffee and Elizabeth Lykins Coffee and went by the name of Bets. She was b. March 24,1889 the daughter of Frank and Alifair Lykins ( Alifair may have been a descendant of Mason Coffee but Jaunita has not found any proof yet.) Jerome and Nannie Coffee had 3 daughters which include Jaunita." Juanita's address is 2688 E. Snyder Rd., Piqua, OH 45356. [sage2688@aol.com](mailto:sage2688@aol.com)
