## PRESIDENT'S MESSAGE

Dear Cousins-

Time is ripping right along and down here in South Texas it has been HOT AND DRY. We have had a few very scattered showers the last few days - we went 34 days without any rainfall.

As some of you know there is a group of Coffee/Coffey families that have been meeting in Texas for many years. As a matter of fact they had their first meeting in 1937 on the family ranch at Miami, Texas. That grew and a few years later they began meeting in Amarillo and have met there ever since in early August — until this year. For the first time they met outside Amarillo - in San Antonio. I was not able to go down for their business meeting, but Glenna and I did join them for dinner on river barges on the San Antonio River. Some of you will remember what a pleasant outing that is. Anyway, they had 60!!! Wish we could get a few of those to meet with us, also. Those who were in Florida will remember Ilah Coffee Merriman. She is from this group. I guess I am also. I was raised in the Panhandle of Texas and remember as a teenager going to a couple of their reunions. Also, I have attended a couple of times in the past 10 years.

I failed to get the dates for next year, but they will be back in Amarillo the first or second weekend of August. In 2002 they will meet in Colorado Springs, Colo. Maybe Ilah will pick up on this and be sure Bonnie gets the dates so we can let you know.

This group is something of a testament of

what happens to families. It began pretty much as a family reunion. Through 60 years that family has grown, married, moved hither, thither and yon - so now they try to accommodate to keep the family ties.

Speaking of marking your calendar - I hope you are keeping the first week end in May open and plan to be in Vicksburg, Mississippi. I know Jack and Nelda will have a great schedule for us to enhance our visiting and story telling.

Looking forward to Vicksburg - - . . . . .

*Cousin Jeff*

Dear Cousins,

This has sure been a hot, dry summer in mid Missouri. Jim and I are dragging like two old dogs trying to find a cool spot. By looking at the mail box, I can determine that not too many of you have made many trips to the library either. More of my mail has been e-mail than postal.

Jack and Nelda Coffee have made some great plans for our Coffee/y Convention next May. I'll finally get to see Vicksburg and not just hurry by it. This should be a great place to visit and seems very reasonably priced. We'll look forward to visiting with lots of you. Please take Jack's advise about calling now for reservations. Be sure to read page 17 and keep it for future reference. I wonder how many Coffees and Coffeys fought at that battlefield.

Jeff Coffey, our president, has moved into a new home. Hope he and Glenna are settled by now.

Our grandson, Dean, broke his leg just before starting school as a first grader. He's keeping me busy helping with doctor's appointments and day care. He's getting a little big to carry.

There are several letters that I published this month with new and interesting material. I hope to get some response from some of you, both pro and con.

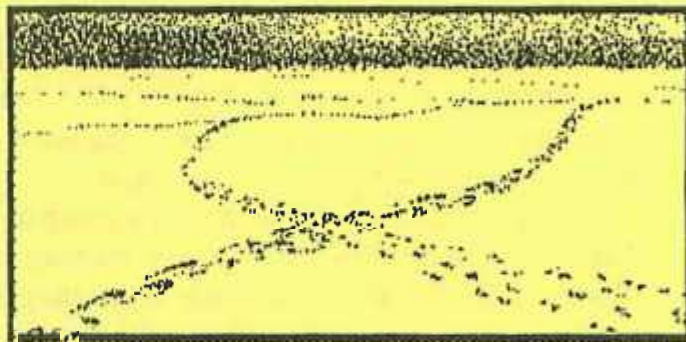

I have read some very interesting reports of a new data base which will be digital copies of the census. As I understand it, they are going to enhance these pages, so census that were nearly unreadable or possibly totally unreadable can now be read!! I'll be happy if it's only half as good as they

say it is. The first one I heard of is at [www.Genealogydatabase.com](http://www.Genealogydatabase.com) and will be available in the fall of 2000. A couple of weeks ago, at a state genealogy meeting, I heard that another company is also offering these census. They are competing to see who can get it done first. I'll be wating.

Happy hunting (genealogy that is)!

Sincerely, your cousin,

*ffionttie*

**NEW COUSINS**

\*Sandy Frew is researching her Coffey roots and is stumped on Mary Ann Coffey who married Henry Sellars in Pulaski Co. Ky (or Wiley Co.) They married 17 Apr 1842. Mary Ann was born ca 1820 in Pulaski Co as well as Henry Sellars. They both died ca 1890 in Pulaski Co. Their daughter Amanda Elizabeth Sellars, b. 18 May 1855, Pulaski Co. KY married Meredith Balon Vanover. This generation also lived and died Pulaski Co. They married 29 Jan 1879 in Scott, TN. They were the parents of Zola Isabel Vanover, b. 18 Feb 1895, Pulaski Co. KY. She married Elijah Harrison Marlars, 10 Feb 1912, Flat Rock, McCreary Co. KY. If you can help Sandy with this line, it would be greatly appreciated. Her address is in the new cousins list.

\*Kay Coffey is not a new cousin but one that we are so glad to have back as a reader. He is researching the family of Thomas Coffey.

\*Jean Lilley and Richard Short are brother and sister. They just heard about Coffey Cousins and will send a query later.

\* David Shock says: "I have Stewart Coffey, 1845-Russell Co. Ky., and his descendants. I have information from other trees on his ancestors and siblings, but no documentation. I am searching for this documentation and

information about their journey to Russell Co. Ky. and in Stewart's case, Metcalfe Co. Ky. If I have anything that would help anyone else, please fell free to ask. I am excited about finding your group and look forward to being associated with it." We hope some one can help David. His email: [dshock@scrtc.com](mailto:dshock@scrtc.com) and postal mail is in the new cousins list.

**NEW BOOK**

Jo Langwell called my attention to a book BUSH MEN ft VIGIL ANIES that will be of interest to some of the Coffey Cousins. It is about the turmoil around the pan handle of Texas because of the Civil War and the mixed sympathies of the area residents. It seems to be written with to show the anti slavery side. There were many Coffee/ys in the area and several of you have followed the stories of Holland Coffee.

This book may be purchased from Delta County Public Library, 300 W. Dallas, Cooper, TX 75432 or [deltalib@neto.com](mailto:deltalib@neto.com) or 903-395-4575. The cost is \$25. or \$29.mailed.

## COMPUTER NEWS

Hello Cousins,

Tom Coffey has submitted information to Coffey Cousins' on the James Sylvester and Sarah Carter Coffey family, along with a photo of some of their children and spouses. You can view the info by clicking on this URL:

<http://freepages.genealogy.rootsweb.com/~coffeycousins/coffeycousins.html>

Then click on the Text File graphic. Go to the very bottom of the next page that appears, and click on the James and Sarah file name.

I also want to let you know that I am moving the Coffey Cousins' webpage to Rootsweb, from Geocities, where it has been for the last couple of years. Rootsweb offers unlimited web space. With all the photos that I am getting, I was running out of room at Geocities. So, make sure you update your address books, and if you happen to run across any other Coffee/Coffey webpages with the old Geocities link, please let me know. Everything should work the same at Rootsweb as it did on Geocities. I did have to edit all of the pages to show the new Rootsweb directories, etc.,

that I created, and might have missed editing one or two links here and there. So, while browsing, should you find where I still have a link back to Geocities, or a broken link at Rootsweb, please let me know.

Best regards - Jack

## DEAD END ROADS

\* Norma Cabbell Kley descends from Chesley Coffey and Jane Cleveland. She is also related to two of their sons—Nathan who married Mary Saunders and Salathiel who married Elizabeth Leach (she think). Next Ellas and Mary Polly Coffee (first cousins) and last -Cyrena Coffey (or Cyrena) who married Darius Campbell. Norma would appreciate any information that would help her verify the accuracy of this lineage. Her address is 503 Oakmont Ct., Wooster, OH 44691 and email: [Nkley4332@aol.com](mailto:Nkley4332@aol.com)

\*Berniece Miller Vaughan of 2044 Kenway, Lodi, CA 95242-3218. She writes that she had a wonderful friend when she attended Park College whose name was Margaret Coffey. She had an uncle Dr. Coffey who lived near Parkville, MO. Berniece doesn't know who Margaret may have married, but would like to know if any of our subscribers might be able to tell her how to contact Margaret.

**CURRENTS IN THE STREAM**

\*Beverly Bagwell says that she should have saved some articles on the Coffey attorney for the Miami relatives of the now famous Elian Gonzelas. She did send the following from "Orange Co. Register" July 14, 2000.

**DEFENSEMAN COFFEY  
signs deal with Boston**

The Boston Bruins signed free-agent defenseman Paul Coffey to a two-year contract, filling a spot on the team's defense created by Ray Bourque's departure in March. Last week, the Bruins also added defenseman Peter Popovic as a free agent and re-signed Don Sweeney, Bourque's longtime defensive partner to a three-year contract. Coffey will make \$2.25 million each year. While Popovic and Sweeney will be counted on for defense, Bruins general manager Harry Sinden said he's counting on the 39-year-old Coffey, the NHL's all-time leading scorer among defensemen, to help the team score more goals.

\*Murl Black asks: "Do you know if Paul Coffey, the 20 year NHL defenseman, now with the Boston Bruins is descended from any of our Coffey families. Some of my Coffey relatives would like me to claim him as one of the descendants of our James Coffey, but I have no hint of a connection." If you know the answer, let Murl know at 1100, 5th St., Lohrville, IA 51453-1041 or her email: [mblack@cal-net.net](mailto:mblack@cal-net.net)

\*Ray Coffey and a few other cousins have written about Kendal Coffey who is working on the Elian Gonzalez case, which seems may never end. Ray says that he has also done some work for the White House. This was a story in USA Today.

\*A1 Carhart and Jack Coffee exchanged the following info and we were privvy to a copy. I thought the Coffee/ys would enjoy reading it. Jack,  
"The reunion pictures are great!! Whose crest was Jeff & Glenna standing in front of? Did you take those pictures with a digital camera? They really are clear. I have some some pictures I took at the 'Lee reunion' This family is descended from Rice Abner Coffey b. Dec 24, 1833, and Sarah "Sally" (Helton) Coffey b. July 5, 1851. This Rice Abner was my great, great uncle, my great grandfather, Weightstill Avery Coffey's brother. One of Rice Abner's daughters, was Angelina "Una" Coffey married W.W. Lee, thus the 'Lee' name appears. At the reunion, They were good enough to share information from "Una" (Coffey) Lee's family history "Diary" that she started keeping in the late 1800s. This was especially interesting to me as my mother lived with this Lee family for 4 years and I have met some members when I was a small child but had completely lost touch with them. Lina was my grand-mother's 1st cousin.

Enough of this boring stuff! We came through Baton Rouge on June 30th. I was going to call you but we got caught in the worse traffic jam I have ever been in just west of the River Bridge and it took us one hour and fifteen minutes to get through Baton Rouge. They should do something about that! I am really looking forward to next year's Coffey/ee reunion so that I can meet you and Bonnie Culley. You are doing a wonderful job on the Coffey Web Site so keep it up!!"

\*I found a copy of a story on my computer hard drive with no reference as to where it came from, but in reading it appears to have so many errors that

even if it wasn't copyrighted, I would not want to print it. The Reference Source: Rockcastle Roots by John Lair - A Genealogy of Rockcastle County, Kentucky Families - Edited by J. Allen Singleton - Copyrighted 1992 by Polly House Publications. First Edition Aug. 1992

It begins with the questionable John Coffey 1637 from Ireland or Scotland. Then moved on to Thomas Jefferson Coffey from Bedford Co. TN listing him as grandson of Gen. John Coffey. Later this Thomas Jefferson is the son of Ausburn & Matilda Dalton Coffey. So much of this Information is incorrect that I warn anyone reading it to not use it in their genealogy. Ausburn is in my line. Thomas Jefferson Coffey is indeed a son of Ausburn and Matilda Dalton Coffey, but his is NOT a grandson of Gen. John Coffee. He was the grandson of John and Elizabeth Rucker Coffey and the great grandson of Benjamin and Polly Hayes Coffey, g.g.grandson of John and Jane Graves Coffey and g.g.g.grandson of Edward Coffey. There are truths in this story. One must check the records to correct the errors. Bonnie (Ye ed.)

## MAIL BOX

Al Carhart writes that he is now a Bionic Man and feels better already!! "This pacemaker just may have cured my dizziness and low pulse." We're glad that it is working so well. He also has his reservations in for the 2001 convention. GOOD SHOW AL!!

Millie Coffey wrote that she had a great time at the convention and enjoyed being with Ilah. It's the first she has had an opportunity to attend for a few years. We were certainly glad to have her healthy and back with us.

### MORE CEMETERY INFO

Sarah Fielder and Richard Smith Coffee are buried in Fritts/Coffee Cemetery in Center Star, Lauderdale County, AL. They have stones. Mary Knight and Thomas Graves Coffee are said to be buried there also, but they do not have markers. Thomas is older brother of Gen. John Coffee of TN and AL. John and some of his family are buried north of Florence, AL. Glenn Lee has info on that cemetery and who is buried there. It is a family plot. If we prowl any more, I will look. **PETER COFFEE**

Dr. Carol Coffee, Ph.D. Of Houston, TX wrote that many of the researchers of the Peter Coffee Line have not yet established the precise dates, times of departure and arrival in the New World from Britain, as well as the transporting vessel and other circumstances for old Peter, the following information and references may be useful. More work is being done to identify how much further information can be developed regarding Peter. Carol says; "Len Corbaley persuaded a friend to do some research on Peter Coffee in London. Here are the results."

[Note: The Pro Ref# is the Public Record Office reference number that was given, examined that source reference and discovered it to be only a monetary payment made to what appears to be the captain of the Patapscoe for 'storage' of the 155 passengers. The source reference has nothing to do with the specific case or transportation of Peter Coffy. As further note to this entry - Newgate is not where Coffy was from, but merely the name of the prison where Coffy was held prior to his sentencing.]

[Note: Failed to make proper note of the Publisher of the reference source. The Brits don't know how to spell Potomac. PRO Ref# is regarding ship the Forward, no information regarding convict transportation. CLRO is the Central London Record Office, which no longer houses these records.]

**SUMMATION**

OK. The truth between all three of these entries is simple enough if you understood what was going on with these convicts. Coffee was held at Newgate Prison, which is a London prison which housed offenders from London and Middlesex. How long he was there is unknown from these records, but he was tried and convicted in October 1730. He was sentenced to transportation to the American colonies for 14 years. On 28 Oct 1730 he was put aboard the Patapscoe which was bound for Maryland. But the Patapscoe never left for Maryland. What is also strange about this is that the Master of the Patapscoe is not

Buckeridge but a Captain Darby Lux. Convict transportation ships did not sail until their passenger list was full. Quite often they sat in the harbor for indefinite periods of time slowly filling with prisoners, they were considered floating prisons. Sometime between Oct 1730 and December 1731 Coffee was moved from the Patapscoe to the Forward. The Forward sailed in December 1731 and arrived in Port South Potomac, Virginia, in January 1731 (Old Style Calendar - using modern dating this would be January 1732). This is where the passengers were put ashore.

Now that we know he WAS, and WHEN he was, I went looking for WHY he was. "After 1615 it became increasingly common for convicted individuals to be offered a pardon on condition of transport. After 1718 transportation was to America and was standardized at 14 years for those entitled to conditional pardons. Transportation for 7 years was also introduced as a sentence in its own right for non capital offence." [Public Record Office - Legal Records Information Sheet 16]. Transportation records for those transported after 1718 are held in the assize court records, specifically "Criminal Trials at the Assizes" records, only for those sentenced for 14 years, which Coffee was. Unfortunately, the Assize court records for Newgate are not held at the PRO, they are at the London Metropolitan Archives. [This research was done by M'Lisa in Suffolk, England at the request of Carol Coffee, 2028 Bingle Rd., Houston, TX 77055-1453 and Frank Coffee, 25 West 16th St., New York, NY 10011. I'm sure either will be glad to answer question regarding this research and will be more than pleased if you or someone you know has the opportunity to trace this farther.]

NORTHERN LINE - DOCUMENTS

Mrs. Smeltzer-Stevenot, 150 Johnsonstown, Rd., Sloatsburg, NY **10974-1104**, (author of YE OLDE COFFEY GROUNDS) has provided us with some assorted records for Coffeys to help with those northern lines.

PATRICK COFFEY, born in Ireland in the 18th century, conducted a private school in lower Manhattan. A private letter (unsigned) found in the files of the Orange County Genealogical Society (NY), stated that Patrick was educated for the priesthood, changed his mind about taking orders and emigrated to the Colonies. In 1740 he advertised that he was prepared to instruct young gentlemen in Greek and Latin. In 1786 Patrick moved his school to Smith St. Manhattan (source not stated). The writer equated Patrick with the wife and children of John Coffey of Central Valley NY, who died in **1811**. However, the dates disagree with the year John was living in Lee, MA.

IRISH MARRIAGES (Hibernian Magazine) 1771-1872, Henry Farrar, ed. Mary Coffee mar. Thomas Orr 1829 Thomas Coffee, baker of Co. Meath, mar. Mrs. Sidney Higles of Temple Bar 1802.

Thomas Coffee, mar. Miss Mollhill O'Brien, May 1774.

PETER COFFEY apprenticed to John Snow for four years in Nevis (West Indies) arrived by the Jamaican Merchant, May 1, 1679.

William Dickate ALIAS COFFEE from Newgate Prison, London, reprieved, to be transported to Barbados or Jamaica 12/5/1699.

DEAD END ROADS contd.

\* Linda Grider says that she needs to place a query on her gggrandmother, Nancy Coffey. She was born in Russell Co Ky. possibly as early as 1844, or as late as 1852 (different ages on two census). She had a daughter, Etha "Cordelia" who is listed under the household of Willis Coffey, who must have been Nancy's brother-in-law. He married Julia Coffey, Nancy's sister. From what Information Linda has gathered, she must have been the daughter of Joel Coffey of Russell Co KY. She married Joel "Dudley" Stephens on Feb. 18, 1884 in Russell Co KY. Linda would appreciate any other information anyone has on Nancy Coffey, or her father, Joel Coffey. Linda's email: [lmgrider@duo-county.com](mailto:lmgrider@duo-county.com)

\* Virgil Coffee has sent a theory on Collins Coffey. He says that people who have presented information on Collins in past issues are: Marei Coffey Ryals, Robert Coffey, Edith Vines, Marvin Coffey, Jefferson D. Coffey, Marcus Coffey and John Gray. Virgil thinks that Collins could be a son of Jesse Coffey and Margaret Edmisten.

The first record Virgil finds for Collins is the 1840 Bradley Co. TN census in which Collins is 30 to 40 with 2 sons under 10. These sons would be John B. and Ambrose L. Collin's wife Sarah was 20 to 30.

In 1850 Greene Co. MO census:  
Collins Coffey age 41, born NC  
Sarah age 33 born SC (later corrected to GA. Both her parents b. PA)  
John B. age 12 born TN  
Ambrose L. age 10 born TN  
Nancy age 7 born TN  
Louise E. age 5 born TN  
William age 4 born TN  
Joseph age 1 born AR

In the 1860 census for Howell Co. MO  
Collins Coffey age 51 born NC  
Sarah age 43 born GA  
John B. age 21 born TN  
Ambrose L. age 19 born TN  
Louisa age 14 born TN  
Wm. age 12 born TN  
Jos. age 9 born AR  
Robert age 7 born MO  
Jesse age 5 born MO  
Geo. age 2 born MO

In the 1900 Howell Co. MO census, we find Sarah Coffee, age 83 living with John Davis. Since John does not appear to be married, perhaps he is Sarah's grandson.

Virgil says that one of the things that makes him think Collins belongs in this family is that Zacharia Coffey, (son of Joseph and Isabella Coffey) and his wife, Margaret, (daughter of Jesse and Margaret Coffey) married and produced a child which was recorded as "Collis" in Watauga Cy, NC. Virgil says he can believe Collins, but not Collis!! Virgil thinks this child was named for uncle Collins. If you can add to this theory, write to CCC and/or Virgil Coffee, P. O. Box 2, McIntosh, NM 87032.

\* Bill Amell says that he has received two referrals during the past two months: one from Ontario, Canada and the other from California. I (ye Ed.) had advised them to write to Bill. Well, the fellow from California won the lottery - a genealogical jackpot of information. Bill says that neither of these queries had any connection to his line, however those responses are his first since joining CCC over a dozen years ago.

We hope we never lose Bill as he's the expert on Eastern Canada research for this family. Thanks for helping our new cousins.

Jack says: I can't stress enough the importance of making early hotel reservations! April and May are extremely busy months for motels, inns, hotels and tour organizations in this relatively small town. Because it is small, there are a limited number of adequate facilities to host a group **such** as ours. If you miss getting a room, chances are good that you won't find another one at a quality facility.

**COMBO TOUR**

This is an all day tour with no walking required but will have photo stops. You will soon see why it's called "combo" for only \$55.
