PRESIDENTS MESSAGE

Dear Cousins -

Well, Bonnie had to punch my button again to get my message for this letter. So much going on!! Moving into a new house and trying to condense two households into one when one of us had lived in the same house for over 30 years and the other in the same house for over 20 years!! And I think all were pack rats. Can you imagine trying to decide just how you will dispose of all those things you just can't live without? We are still struggling with that one with a garage full and storage on the outside - whew.

I hope all of you had a good Thanksgiving and look forward to a wonderful Christmas or whatever holiday season you celebrate and a **HAPPY HAPPY HAPPY NEW YEAR.**

Thanksgiving was especially special for us. All my children, grand children and great grand children were together along with all Glenna's children and grand children. Fortunately we all gathered at my son's house in the hill country - 35 people. It was great.

Now, planning ahead. **VICKSBURG - HERE WE COME!** I hope you have made your reservations with the mo-

tel. Don't delay too long in getting your money to Jack for the special activities- site-seeing, banquet, etc.

Don't hesitate any longer if you have not made those motel reservations - there are a limited number of rooms and you'll miss out on a lot of the fun if you have to stay somewhere else, like in Louisiana.

SEE YOU IN VICKSBURG !!!!!

Cousin Jeff

Dear Cousins,

Jim & I wish each and every one of you a very Merry Christmas. We expect to have **all** the children home this year so we will have a great time. The new little grandchildren and g.grandchildren will keep it wild here.

List, also a birth and/or death date. This will help identify "which John, Joel, etc."

Happy Holidays,

Bonnie

Note that our president, Jeff Coffey has moved and has a new address. I'm sure he and Glenna are enjoying their new home.

We have several new cousins that need your help. Consider giving a Christmas gift of answering their query and make a new friend. We never get too many friends!

I need to thank Linda Roberts for the large collection of records that she has collected for us. You'll be seeing them for sometime in the future. When you find one of your family in these records, you still need to send to the record holder for a copy of the original.

Check out the New Idea on page 18 and let me know what you think. I would appreciate someone responding and writing about their experience.

It's also subscription renewal time again. (Still \$8 and \$10 for other than U.S.) Please let me know the you want listed with your name in the Ancestor

NEW COUSINS

* **FRANK V. COFFEE** is the Frank who collaborated with Dr. Carol Coffee on the research of Peter Coffee's transportation from Newgate Castle England to Potomac, VA in 1731. Of course, Frank descends from this Peter Coffee (1692-1771). I'm sure he would like to hear from other Peter Coffee researchers.

* **THERESA FOSS** is researching Sarah Coffee, who's mother was Elizabeth Franklin Coffee. Theresa is trying to prove that Sarah Coffee was married to Martin Gryder/Grinder and from there who Martin Grinder was or rather "**which**" Martin he was. She says "**It's** confusing right from the **start!**" Theresa would appreciate help.

* **JOSEPH B. COMSTOCK** Jr says, "Thanks to the Eliza Coffey McGlennon query in the June 2000 issue of CCC, excellent info came from **K. Coffee**, Brighton, Ontario and **W.D. Amell**, Peterborough, Ontario, both of **Canada**. He seeks further info on Eliza's parents, John Cuffy and Anne Shields of Inch, County Donpatrick, Ireland. Also where is birth place of John McGlennon (1809-1880). Eliza and John McGlennon settled in Lake Port, **Cramhe**, Ontario, Canada. If you can help Joseph, his address is in the new cousins list.

Joseph told us a little more about himself. He attributes his energy and drive to his **mother's people**, the McGlennon, Shaw (Isle of Jura, Scot-

land), Coffey, Healey, **Flynn** (South Ireland). He served 20 years in the military career, followed by Public School Teaching.

* **KIM MOODY** is researching the line of **her g.g.grandfather** Albert Coffey b. 1880/81, who married Lillian **Webb**. **Their** daughter and Kim's g.grandmother was Myrtle Coffey who married Alva Singleton. Albert was in Morgan Co. Ky in 1910 and Clark Co. **KY** in 1920. Lillian Webb's parents were William and Mary Ann (Lewis) **Webb**. Kim would appreciate any **help**.

* **ROBYN COFFEY** came to us through **Jerry** Coffee of Piano, **TX**. She is interested in the **Peter** Coffee line and descends from the family of Toss Coffey at **Zephyr**, TX. I'm sure she will give us **more on** her family later and would appreciate hearing from others working **on** these lines. Her email robyn@willhiteseed.com

* **MADLYN DILL SIMKULET** descends from^{om} Jackson Lafayette Coffey b. 28 **Jan** 1862 in Rabun Co. GA, who married **Ella Mahle** Horton, b. 30 Jan 1871 in **Ringold**, Co. **GA**. Madlyn will be pleased, I'm sure to read the **informa-**tion copied from the Coffey Cousins **Web** site on Alfred Alfonso Coffey, Jackson's father, that is in this issue. Madlyn would appreciate hearing from others working on the same **line**. **email** is coffecup@flash.net

* Bob Coffey wrote: You can run into a "cousin" in the most unlikely places. I'd like to tell you about a couple of chance encounters I've had with Coffey Cousins, that I think you would get a kick out of.

First, I had an opportunity to call the General Motors Co. Travel agency to check some terms and conditions on a tour we were considering. When the agent who took the call heard me identify myself as Bob Coffey, he said, "You've got to be kidding, that's my name too." In the conversation that followed, we explored our ancestries to see if we had any close common relatives. We didn't, but he told me an interesting story about his family's emigration to the U.S. The two people who would become his paternal **grand**-parents emigrated as singles from Ireland in the early 1900's. The future grandmother sailed from Queenstown, County Cork. She arrived at the shipping terminal too late to get passage on the preferred ship and had to wait for a later ship. The ship she had missed was the Titanic!

The second story has to do with a recent trip that Joan and I had in **Canada**. We traveled by rail from Toronto to Vancouver with intermediate stops in the Canadian Rockies. At Banff, British Columbia, as I was checking in at the Ptarmigan Inn, the perky little clerk told me that her maternal grandmother's maiden name was Coffey, and she had lived her whole life there in British Columbia. She, the clerk, went on to tell me that at the time she was married, the **grand**-mother weighed a petite 100 pounds. The grandfather, who had a sense of humor, liked to joke after paying \$5 for the marriage license, that he had bought 100 pounds of Coffey for \$5.

I sure enjoy reading through the Clearinghouse every time it arrives. We have a new computer now and are looking forward to some more serious genealogical searching. Best wishes to you and Jim. Bob and Joan Coffey, 961 E Loos St, **Hartford, WI 53027**

*We had an email that Kathryn Johnson fell and banged herself up pretty bad. We understand that she is doing better but it will take a while to heal. We hope to hear that she is Ok and going again soon.

* Virginia Goodloe has been ill. She and Reams had to cut their research trip short. We hope she is feel better by now.

* Lillian Neighbors wrote that she was sorry to have missed the 2000 convention in Florida and hopes to make the 2001 convention in Mississippi. We hope to see her there. She is looking for a traveling **companion**. If you would like to travel with her, write to her at 5 Sunset Drive, Anniston, AL 36207.

Jack Coffee participated in the rifle and pistol **shooting** events in the Louisiana Senior Olympics. He won a silver medal with his pistol and bronze medal with his rifle. **CONGRATULATIONS**

COMPUTER NEWS

Hello Cousins,

I also want to let you know that I am moving the Coffey **Cousins'** webpage to Rootsweb, from **Geocities**, where it has been for the last couple of years. Rootsweb offers unlimited web space. Make sure you update your address books, and if you happen to run across any other Coffee/Coffey webpages with the old Geocities link, please let me know.

Everything should work the same at Rootsweb as it did on Geocities. I did have to edit all of the pages to show the new Rootsweb directories, **etc.**, that I created, and might have missed editing one or two links here and there. So, while browsing, should you **find** where I still have a link back to Geocities, or a broken link at Rootsweb, please let me know.

The Coffey Cousins Clearinghouse Index is up to date, thanks to Reams Goodloe and can be found through the Coffey Cousins webpage. Check it out

Best regards - Jack

OBITUARIES**DR. WANITA BAILEY**

We are unaware of when Dr. Wanita Bailey passed away, but the newsletter was returned with a "return to sender, Deceased". We hope to learn more about Dr. Bailey's death and do express our sympathy to her family.

CURRENTS IN THE STREAM

* Bonnie Bellamy writes that her great grandfather was William Coffey (Joel William) who married Elizabeth Ann Moore in Morgan Co. AL in 1848. She is still searching for parents of either, but she does have some additional information on William Coffey that came from an older relative's bible record. William died in Cook Co. TX, town of Dexter in Sept. 13, 1885 of congestion. She assumes that he is also buried in Dexter. Bonnie says that this is different than a family traditional story that says that he left Alabama in the early 1880s and came to Texas alone and never returned to Alabama, so the rest of the family moved to Texas and presumably never found him. My mother was born in Dexter, TX, Cook Co. In 1888, so the family resided in and around that area from 1882 to 1890 or 92. They then moved on into what was Indian Territory, which is southern Oklahoma now. If you would like to correspond with Bonnie, her address is 1726 Oakwood Dr., Morman, OK 73069-4438

* Reams Goodloe asks if anyone knows who the Special Counsel Paul E. Coffey belongs to. I quote from **THE SPOTLIGHT**, p.1 Sept.11, 2000. "Special Counsel Paul E. Coffey, the prosecutor in charge of the Deutch case, is said to have sent Attorney General Janet Reno a preliminary summary of his findings late last month, recommending indictment of the former director. (We also are hearing more on the Attorney Coffey in Florida. This time he is working on the election problems. This is a different attorney. Ed.) You can write to Reams at P.O. Box 942, Ormond Beach, FL 32175 e-mail 102751.3473@CompuServe.com

*I, Bonnie Culley, need some help. The newsletter from the Kentucky State Historical Society was returned with the note "no such number". I have sent a newsletter to this address every since I became editor in 1989 and it was an address that Len Coffey had used and Donna gave me on disk. If any of you know or can find out what their new address is, we will add them back into the address list. Help is appreciated.

* Jo Ann Hatch has made contact with the descendants of another one of Rich Coffey's siblings. His sister, Clominda Jane Coffey married Solomon G. Maxwell. They ended up in Llano Co., TX. where she died in 1898.

Clominda Jane and Solomon G. Maxwell had the following children, all born in Parker Co., Texas: **MARY BYLER MAXWELL**, b. 1858; **RICHARD (DICK) MAXWELL**, b. 1860; **MARIHA M. (MATTIE) MAXWELL**, b. 1861; **BETTY MAXWELL**, b. 1864. Jo Ann would be glad to correspond with anyone interested in this line. Her address is P.O. Box 1123, Pinedale, Arizona 85934. Phone 520-739-4597 and email jahatch@whitemtns.com

*Betty Moss went to Myrtle, MS with her daughter, Cathy, and prowled an old cemetery there - Gerazim. There were several Coffey graves. She took pictures but did not have anything to write with. When she gets the pictures developed, she will send us the names. Maybe someone out there is looking for these folks, if so she will send them the pics. One she remembered married a Dodds. Myrtle is between Tupelo and Holly Springs. Near New Albany which is the county seat. Sneeze and you miss it. Betty's address is 3007 Whispering Pines Ln., Fultondale, AL 35068

ALFRED ALFONSO COFFEE

The following information was forwarded to Coffey Cousins' on Nov. 8, 2000 by G. A. Coffee. Please contact him via gcoffee@alltel.net if you need additional information.

The following was sent to G.A. by Ruth Ratliff. It is a short autobiography written by Alfred Alfonso Coffee. It clears up whom Elijah married, most have speculated it was a Hull, and no one has been able to find anything on her. A.A. has her last name as Heulme, from the Nashville, TN area. G. A. will check this area out.

G.A. Coffee says that the following clears up whom Elijah Coffee married as most have speculated it was a Hull. A. A. has her last name as Heulme from the Nashville, TN area. He also said that he received it from Ruth Ratliff. This was copied from the Coffey Cousins web site. There is more documentation there. Check it out!

ALFRED ALFONSO COFFEE COFFEY, THOMAS B., EDWARD JOSHUA, JOHN, HUGH was born 10 May 1831 in Wilkes Co., NC, and died 10 Dec 1915 in Chattanooga, Hamilton Co., TN. He married JULIA ANNIE DAWKINS Bet. 1858 - 1859, daughter of JOHN DAWKINS and MARY WHEELER. She was born Feb 1834 in Habersham Co. GA, and died 1904 in Chattanooga, Hamilton Co., TN.

Alfred Alfonso Coffee
Partial Autobiography by A. A. Coffey,
Transcribed by Katie Taggart Dunn,
Great Granddaughter of A. A. Coffee
(Comments in parentheses are Ms.
Dunn's. The rest is exactly as A. A.
Coffee (Coffey) wrote it)

I was borned in Wilkes County, N.C. May 10th, 1831. My father's name was Elijah, a native of N.C. My mother was reared near Nashville in West Tenn. Her maiden name was Heulme. My Father moved to Georgia about the last of 1839 and settled on what is known as Little Betties Creek in Rabun Co., 7 miles north of Clayton. I lived there on the farm until I was 21 years of age, going to school a few months of each year at which time I commenced going to school to Philon P. Brown's at the Academy at Clayton at which time I went 4 times through arithmetic, 4 times through English, 4 times through dictionary, and partly geography. After this, I worked in dry goods store for John Wyley for a time. After this, I went to Atlanta and clerked in the Records office in the State Depot for the W & A R(ail) R(oad). Also the Depot at Resaca for a while at which time I went to Running on the Road in the capacity of Conductor. This was in 1854. Continued on the Road until the first of 1856, at which time I left the Road and went West and was in the Kansas Trouble. (Note: Alfred Alphonso's cousin, Col. Asbury Madison Coffey went to Kansas sometime between 1850 and 1859 where he was appointed Indian agent by President Millard Fillmore. Coffey County Kansas was named for Col Asbury Coffey. Therefore, it is quite likely that A. A. Coffey went with Col Asbury Coffee to Kansas.) Was in the Battle at Hickory Point against old John Brown by whom

I was captured but afterward relieved by Summers commanding US Troops. I am the only living man I have any knowledge of that was in that battle. Brown kept up his deviltry until captured at Harpers Ferry and was executed. (Note: John Brown was obsessed with the idea of taking overt action to help the black people. In 1855, he followed **five** of his sons to Kansas Territory to assist Anti-slavery forces. With a wagon laden with guns and ammunition, Brown settled in Osawatomie and soon became the leader of **anti-slavery** guerrillas **in** the area. Brooding over the sack of Lawrence Kansas by a mob of slavery sympathizers [May **21, 1856**], Brown concluded that he had a divine mission to take vengeance. Three days later he played a part in the Kansas struggle by leading a nighttime retaliatory raid on a **pro-slavery** settlement at Pottawatomie Creek in which five men were dragged out of their cabins and hacked to death.) I returned from Kansas the latter part of 1856. In **1857**, I married Julia Dawkins, daughter of John Dawkins of N.C. Her mother was Mary Wheeler. They resided in Habersham County, 4 miles south of Tallulah Falls on Panther **Creek**. In 1858 and **1859**, I clerked in the GA Legislature, one session in the House and one in the Senate. I March, **1862**, I enlisted in the Confederate cause. I was mustered in to service at Big Shandy. I was standing nearby when Andrews and his followers stole the engine from Bill Fuller. In the fall of **1866**, I came to Walker Co., GA and **remained** there and Catossa County until **1879**, at which time I came to Chattanooga. I have lived here ever since. I haven't gone into detail as I might have done.

P.S. I was discharged from service on account of disability. I went home and

was appointed tax assessor of tax in kind for 3 counties by quartermaster Bacon of Georgia. I taught in the first colored school ever taught in GA.

NEW IDEAS

Kay Coffey of Brighton, Canada recently was able to help a new cousin with their Coffey lineage which takes the family back into Ireland. He has a good suggestion for us if we can make it work. As he says: "How about a corner in your computer that would have names and addresses of people who have searched in Ireland? They could make suggestions such as where and how to get records, etc. Where you can get the most help. Professional genealogist who gave the best service. Possibly we could share web sites that have anything about Coffeys in Ireland.

I (ye ed) would be more than glad to start a column with stories of your research trips to Ireland, what you found and where you found it. Knowing more about our Irish cousins will certainly help us learn more about our American ones. Good idea, I hope someone will take the lead and write before the June issue needs to go to print.
