## **PRESIDENT'S MESSAGE**

Dear Cousins,

Has it really been that long since we were in Vicksburg? Time is getting by quicker than I can wag my head back and forth to watch it go by. Now it is almost time for Santa Claus. Better use toothpicks to keep an eye open so I don't miss him as he goes by.

Now, all that means is that you better get your reservations in for our convention in Dallas April 26-28. You know you can go earlier and stay later and add to your fun. This should be a real humdinger. Just look at the special plans that have been made. All that and your cousins that will be there to visit with, also.

With all that has gone on starting Sept. 11, I guess we have all had our concerns and worries. But stopping in your tracks instead of going on with your life puts you in jeopardy of being run over, because life will go on - so go with it, make the most of it, enjoy it and make it more pleasant for those around you. How were you planning to get to Dallas for our gathering? If you were going to fly - it still is one of the safest means of

travel available. It is said that a thing that is 95% good can be made to look bad by concentrating on the 5% bad. So look on the bright side and see the silver lining - receive and give the 95% and we will all know it really is good.

**IT WILL BE GOOD GOOD GOOD TO  
SEE YOU IN DALLAS. MAKE YOUR  
RESERVATIONS NOW NOW NOW NOW  
NOW.**

Cousin  
*Jeff*

Dear Cousins,

The last quarter has been a very busy and confusing few months. After the horrible day of September 11, I haven't seen much genealogy mail cross my desk. I truly believe everyone is staying home, worried about what will happen next. Thanks to Bennie Loftin, I do have a few documents to publish.

October 13th Jim and I celebrated our 50th wedding anniversary and all our children and grandchildren were here. It was a wonderful day.

Jo Langwell has been working very hard to make sure that we have a good time in Dallas in April. She has lots of places and things for us to see and do. We had a terrible time getting her information here for the newsletter. We just couldn't understand why all the attachments that she sent didn't arrive in my email box. Finally she resorted to the old "tried and true" US Postal Service. Jo had to change her email carrier. At least we now know what happened.

I have also changed my email address. It is now [bculey@netscape.net](mailto:bculey@netscape.net). The old address will be gone by January.

It seems that it's been a long time since I published a subscriber list and this seems to be the perfect time to do it. It does take a lot of space, but can be very helpful. I have added another sheet (2 pages) to the newsletter to make up for the long list. (I haven't checked the price with the printer. Hope it isn't too expensive!) Subscriptions are due in January as usual. I think we can still make it on \$8.00 a year. The postage went up in price, but the printer has stayed the same - so far. We have enough subscribers at present to hold the price at

this level. The more subscribers that we have, the less they cost each.

Last but not least, I want to wish each and every one, a very MERRY CHRISTMAS. I look forward to hearing from everyone often in 2002.

Sincerely, your cousin,

*ffioattie*

\* Lynne Castellano is the daughter of Margaret Yates and we had to privilege of meeting her at the Vicksburg convention. She descends from Michael Coffey, b. 1861. We are glad to welcome another of Margaret's family to CCC. Her address is above and email [lbug\\_43@yahoo.com](mailto:lbug_43@yahoo.com)

\* Don W. Spencer is not a new cousin as he was a subscriber from '94 through '97 but has been busy in relocating to the Kansas City area. He is researching the Peter Coffee line. I'm sure he would appreciate being caught up with the research being done on this line. His address is above.

\* Harding Coffey, writes "I might have some interesting info for anyone checking on their lineage and have not been able to get past Martin Coffey. I got connected with Ancestry Message Boards and received some interesting info. I have Martin as having been born on 15 Sept. 1762, in either VA or NC, and died on 27 Nov. 1867, and buried in Russell County, KY. I also have him as having been married to a Nancy Hereford, one of three marriages. The info I have received from the Ancestry Message Boards, from several people contacting each other thru the Board, that they are researching a William Martin Coffey, born 15 Oct. 1762, in Essex County, VA, and died on 27 Nov. 1867, in Russell County, KY.

You apparently have to be a member to direct messages to each other, which I (Harding) am not. I'm going to check on how to join. I haven't seen any info in the CCC Newsletter in regards to any such info as this, so I thought I might pass it along. I think there are too many connections to be coincidental. Write Harding C. Coffey at [JOK359@cs.com](mailto:JOK359@cs.com)

\* Cecile Purcell says that following the Vicksburg convention, Jack and she went on to Moulton, AL to visit distant cousins and do more research. She has found and photographed the grave stone of Larkin D. Coffey, son of

**Jessie S. Coffey.** This is the Jesse Coffey from Forsythe Co. GA and Lawrence Co. AL. The grave of Larkin was found in Montgomery Cemetery in Moulton, AL.

She is still looking for John Coffey, the oldest child of Larkin D. Coffey and her grandmother's brother. She found so many of the family that she says her new computer is loaded. Cecile is planning to bring us copies of her work at the Dallas convention in April. We will look forward to seeing the results of her work. Cecil's email is: [Rcmpurcell@aol.com](mailto:Rcmpurcell@aol.com)

\* Rod Coffey writes, "It was nice talking with you & I am sorry to hear about Gene & Marvin both. It's sort of strange to feel like you are "friends" with someone you have never actually met & then they pass away & you feel that sense of loss....."

The address for that fraudulent lineage or genealogy site is:

Be sure to get it all ~ the add. is rather long. Be sure to put the fraud/fraud.htm after the xymox/O.K. ?'

### DOCUMENTS GALORE

#### LEE COFFEY

by Bennie Loftin

James Lee Coffey may have had three names. A 1928 Pittsburgh School Census records him as W.L. Coffey, signed Lee Coffey parent. The children listed were Juanita Coffey, Oweta Coffey and his wife, Julia Coffey. Julia was under 21 - everyone in a household under 21 was counted. Lee was born Feb. 23, 1883 or 1886 in Missouri. He was the son of Harman and Ella Coffey.

Harman Coffey and Ella Coffey were divorced January 1892 in Pittsburgh County. Ella Coffey married James Bullard of Krebs on Feb. 20, 1892. Ella was born Sept. 10, 1867 in Missouri, died July 12, 1920 at Blanco, buried at Blanco. Ella's parents were Marion Raley and Ella Howel. She was the wife of J.R. Bullard when she died.

Lee was known in the mining community as an excellent "shot fireman". It was told that he placed the shots (dynamite), set them, then pulled his plaid mackinaw jacket (which he wore the year round) up around his neck, fell to the ground and rolled out of the way of the blast. He was killed in the William's Mine in Leflore Co. near Wilburton, OK on Aug. 7, 1946. Lee and most of his family are buried at Blanco.

Lee was married four times. He first married Emma L. Martin on Dec. 24, 1903 at McAlester, divorced in 1906. His second marriage on August 1, 1914 was to Eva Hollifield. They lived together at Brewerville. Lee worked for the Brewer Coal Co. Eva was very young, born in 1899, her mother, Josey Hollifield signed for her to marry. Lee and Eva were divorced in Nov. 1914. Lee didn't have any

I LOVE AMERICA

children by Emma and Eva.

Lee married for a third time to Bessie Rebecca Bullard about 1915, divorced in 1924. Bessie died Oct. 20, 1969, buried at McAlester's Oak Hill Cemetery.

Lee and Bessie's children:

Ella Juanita Coffey was born Oct. 13, 1917. She was married to Booker Cross and then to a Watson.

Floy Oweta Coffey was born April 5, 1921, died April 10, 1982. Oweta was the mother of 14 children. All her children were raised by someone else, some were adopted out, others were placed in foster homes. Oweta had been married to S.P. Bowers, Paul Dewese and a Madewell, but was the wife of John Sharp and lived at Kiowa when she died.

Lee married a fourth time to Nancy Julia Bollinger on Aug. 25, 1925. Julie was born Feb. 18, 1909, died Oct 31, 1977.

Lee and Julia's children:

Leona Coffey born Aug. 1, 1926.

Walton Coffey was born March 13, 1928, died April 12, 1928.

John Harman Coffey born Aug. 9, 1930. Harman married Tabitha Mae Hart. Mae filed for divorced Oct. 1970 on grounds that Harman had deserted her. Their son, John Harman Coffey Jr. lives in McAlester.

Infant girl stillborn premature birth on April 8, 1932.

Infant boy, born and died March 28, 1935.

Lee and his family lived in a "company" house in Pittsburgh - a house owned by the coal company.

\* Patrick M. J. Coffey of Keval Lane, Sea ton, Nr Downderry, Cornwall, PL11 3JJ, England Tel: 01503 250493 has just returned from Dublin and has acquired quite a bit of information. His father was born in 1927 in Toor (S) Waterford, Ireland (under the registrar area of Youghal & Dungarvan). Patrick's Grandparents were Michael Coffey & Catherine McGrath and great grandfather was James Coffey. They seem to have lived in the Toor Grange area of Waterford however he would appreciate finding out more. He would like to hear from other cousins and his email is: [welcombe@talk21.com](mailto:welcombe@talk21.com)

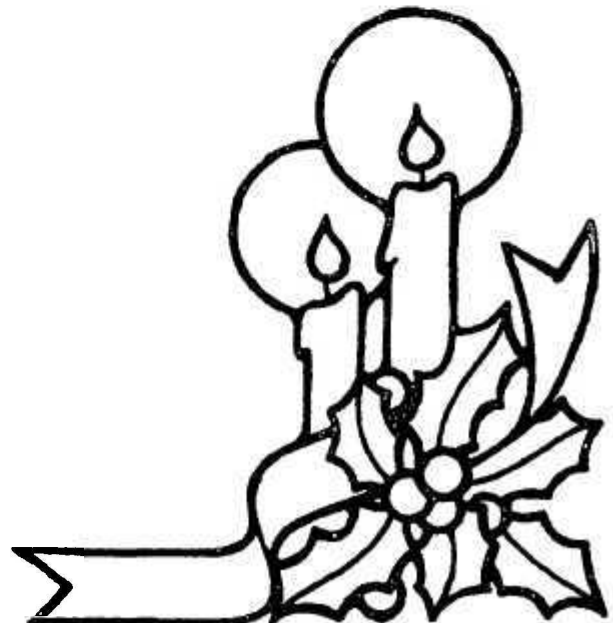

\* Bennie Loftin needs help. She says, "I may have written place of residence down wrong on my notes for Rosetta Coffey. I thought at the time that Rosetta and Cornelia Belle Coffee were from the same place Frankfort, KS. I checked it at the court house, thinking it was the same, but when I went to type it, I found I had written Farmington, KS instead of Frankfort. There is not a Farmington, but there is a Farlington. Looks like I will need to ask to get into their basement again to make sure. Queenie Hawkins did not have an age recorded. I also failed to get where she and William Coffey were residing. Do you recognize any of the families." Bennie's address is R.R.1, Box 270, Kiowa, OK 74553 and email is: [bloftin@indiannationinternet.net](mailto:bloftin@indiannationinternet.net)

death certificates were recorded at that particular time so they weren't able to help me. I thought perhaps you would have run across something or would have a thought or two as to what I might do to find out who his parents were and where he was born. His widow was Sallie S. (Sanders) Coffey.

I think I am of the Andrew Jackson Coffey and Cleveland etc...line and could follow a long way back if could find this link. Thank you for any help you may be able to give....Juanita." [letadan@home.com](mailto:letadan@home.com)

**COFFEY COUSINS' CLEARINGHOUSE SUBSCRIBER LIST**

It's time for a subscriber list again. The subscriber and address are on the first line. The second line is the ancestor that I have listed in my data base for that individual, plus some data that I have added to help identify which "John, or Joel" you may be researching. Ideally I would have the date and place of birth for your ancestor in this space. I can suggest, but may not require that a subscriber submit any information to us unless they choose too. It does make it easier for others who might have information on your line to contact you. You could get anything, from books of info, to good leads as to where to look next.

If you would like to change or add an ancestor to this data base, please let me know, but do say specifically that this is what you want. I do need a prod sometimes. I don't think of this data base when you send queries. I do hope this list helps you make contact with other researchers who have **informaiton** to share on your line. Good luck in your research in 2002 and keep us informed on how your research is going.

\* I. V. Crawford fell in October and broke her hip. We do hope that she is healing and that we hear that she is better soon. She would love to hear from her Coffey cousins.

\* Lillian Neighbors writes that she misses not being able to see and be with her many Coffey cousins. She is still hoping that she can attend a convention in the future. Lillian started subscribing in the 1980s and has been a loyal cousin for all these years, helping others when she could. She attended all of the conventions as long as she was able.
