PRESIDENT'S MESSAGE

Dear Cousins,

We are told that time passes at the same speed all the time. They also say time flies when you are having fun. I didn't realize I was having so much fun going to the Doctor, therapy and all those fun things, cause time is sure flitting by. Hope the fun you are having is all pleasant and smiles.

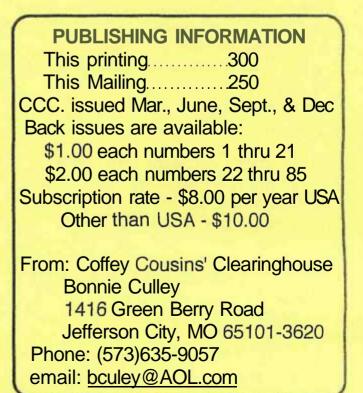

Now, all that means is that if you haven't made your reservations for the reunion in Dallas April 26-28, you better do it now. If you don't time is going to be here and gone and you will have missed some really fun time with cousins. Cousin Jo has really set up some great stuff for us - so do it QUICK. You may even want to check in a day or so earlier just to enjoy it more.

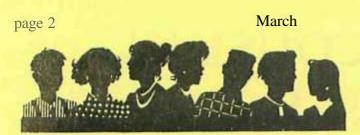

On the plan ahead side, we are now needing someone to host 2003. Cousin Margaret Jobe has had to bow out. On the plus side of that, some might have been a little reluctant to go to New Jersey, just across the river from ground zero. But, anyway - we need for you to step forward NOW and start the ball rolling. You do not need to wait until the reunion to let us know you are willing to set up 2003 for us. And also, we will be looking for someone to do 2004 also. We can wait until the reunion for that one, although we would welcome your willingness now also.

If you will do 2003 - please let Bonnie or me know - NOW!!

See you in April,

Cousin Jeff

I)ear Cousins,

I can't believe we're starting our 22nd year. Who would have believed we would stick together, collecting Coffee/y records this long. My goal is to keep us adding researchers as everyone's knowledge of the families is important. Your records and stories keep us going. Our records are being stored in 27 libraries at present. We are so fortunate to have such an active membership.

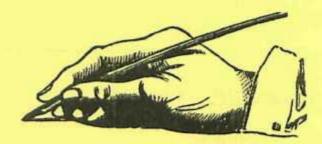

To change the subject, I hope you have your reservations for the convention. Jo will need to turn in her head count for the banquet any day now and the busses will not hold busses for us much longer. Dallas has one of the world's best research libraries and Jo has a great two days planned for you. I always look forward to getting to meet the first timers and see all of our old friends again. Jo says that we don't want to dress up for the banquet as we will be dining at the ranch. Come casual. Check page 17 for details.

I have had a problem with my new email provider and am changing back to <u>bculey@AOL.COM</u>. 1 have saved your messages only to later open them and find the "folder empty" and no way to know what should be there. Sorry to create a problem. Please correct my address back to bculey@AOL.COM.

Jim and I will be heading back to Jefferson City on March 1. The

weather has not been very good this year in South Padre Island, TX where we winter. We haven't gotten much kite flying in this year. Possibly the wind will blow warm in the spring in Missouri.

Sincerely, your cousin, Bonnie

NEW COUSINS

*Juanita Daniel sent the following query full of interesting circumstances:

Perry L. Coffey was my great grandfather who I never met. I have been told some few circumstances related to his untimely death, when my grandfather Noah Monroe Coffey was about two or three years old.

My father, Eugene Frank Coffey (known as 'Bud') was the cousin of Melvin Scott and Melvin told me some years ago that "some guy shot Perry in the back while he was working **in** his field." "An innocent man was always blamed for the murder" but the real killer on his deathbed stated, "I am the one who shot Perry Coffey because I did not want to face him in an upcoming public fisticuffs competition."

Another of my dad's cousins , Walton Crumley, told me that it was **indeed** a family member who was blamed. A great great grandson of Perry's, Tim McGinnis, told me that he had heard that a nephew had been thought to be the killer because of a land dispute. My older sister , Jeanne Mcintosh, remembers hearing that a nephew had been quoted as having said, "I hope Aunt Sallie knows that I am NOT the one who killed Uncle Perry." Perry left my great aunt Ola, my grand father Noah, and my great aunt Georgia who was born the December after Perry's death on June 5, 1885. Perry lived to be only 30 or 31 years old. I have not been able to gain much more about him and do not know how much the years and the telling have flavored these reports. They are, however, all I have. married in Ozark County Missouri to Sallie Sanders in 1873 and was murdered in Ozark County Missouri on June 5, 1885. I am told that "Great grandma Coffey....Perry's widow Sallie....had a 'big old bible" wherein there were records of their lives to some degree. If anyone has any knowledge or information about my ancestors described in this story I would be so very grateful to hear from you." If you can help Juanita, write her at the address in the new cousins list or email letadan@attbi.com (Later info collected from Bennie Loftin, Lorie Okel and Juanita Daniel) Perry's father Andrew Jackson Coffey moved his family to Green Co. Missouri in 1850 then to Ozark Co. abt 1852. He had several wives, one of which was Rachel Jones? (Imes?) who he married 11 Jan 1872. (Ozark Co. Marriage Book "A") Other marriages from this book are Perry L.A.G. Coffey m Sally S.A. Sanders 30 Jan 1873 and Athelery?? Coffey m Z.T. Marritt 27 Oct 1866.

page 4 MAILBOX

* Brunetta Coffey Stewart sent a picture of Rev. Stan Coffey, pastor of San Jacinto Baptist Church, that appeared in the Amarillo Globe-News on June 14, 2001. (If we had his address, we will send him a sample newsletter.) Brunetta says that we might like to know that her brother, Roy E. Coffey of Arkansas City, KS is making a nice recovery from surgery for colon and pancreas cancer. (We're sure glad to hear that he is doing well.)

* Eulah Coffey writes that she and Don have a new grandson. He is Brian Patrick Coffey Burns, born Sept. 13, 2001, to their daughter Carol and her husband Patrick Burns in Baltimore, MD. (We send our congratulations.)

* Elma Sue Davis says that she reads Coffey Cousins' from A to Z. That quite a compliment from someone who has been a subscriber since 1986. At least that is what my records show. She may have subscribed before that as I only became editor in March of 1989. Thanks Elma.

* Noreva Sharr writes that she has had a lot of health problems this year but says, ''So far I'm doing alright.'' She has a good neighbor who keeps a watchful eye out for her, plus she is a genealogist and they are working together. Noreva's line is James and Mary (Leeper) Coffey and her late husband's mother's line is through Edward and Ann (Powell) Coffey to Joel Benjamin and Exia (Stepp) Coffey. Sounds like she is keeping busy. She would love to hear from any of the cousins.

*John & Mary Ann Taylor are very proud of their son Mark. He gradu2002

ated Cum Laude from VCU with a Bachelor's in Biomedical Engineering and is now in Law School at George Washington in DC. John also says that they were sent a photograph of the old school house in ''Coffeytown'', evidently one of the very few available. This gives them another subject for a sketch for the second edition (John says ''if they live long enough) of the Coffey Family History Book, which they will entitle COLD MOUNTAIN CAGGABE.

*Edward and Janet Patterson have been traveling last year to Gran Canyon and Hoover Dam. They also went to Milwaukee to the VFW annual convention where they also did some sightseeing. Said they had to do some camping in the new camper. Sounds like fun.

*Janice and Oscar Autry are moving. They have sold their home in Woodland Park, Co and are building a new one in Surprise, AZ. She says that they expect it to be finished in May but for now are living in Livingston, TX. The Texas address is in the New Addresses but watch for their next one in May. (Congratulations on the new home.)

* LV. Crawford is doing better since her surgeries but still uses a walker. Her husband's health is also very fragile. LV. Is still hoping to attend the Dallas convention. She is also getting back to writing a book for her line of Coffeys. We will look forward to seeing her work and hope to see her at convention.

*Cecile Purcell has been working on a one woman art show but plans to find time to update her Coffey files with her brand new version of Family Tree Maker before coming to the convention in Dallas.

COFFEY COUSINS' CLEARINGHOUSE

* lid Coffee was in a car accident on Dec. 21. He stopped at a stop light and was hit from behind, ramming him into a large SUV. He says that he wasn't hurt seriously, but I know how long it takes to get over all the soreness. He still wasn't up to par when he wrote in the middle of January. Ed says that he misses his 86 Chevy Cavalier which ran like a top.

OBITUARIES

THOMAS ROY COFFEY

Tom Coffey, 95, Vienna died Dec. 12, 2001, at Vienna, Missouri. He was born Feb. **13, 1906** in Vienna, a son of Hiram K. And Mary Ann Sally Evans Coffey.

He owned and operated Tom Coffey's Swap Shop in Vienna for 52 years, retiring in 1997.

He was an Army veteran of World War II and a member of Coffey Brothers Memorial American Legion Post 12, Vienna. He was a member of Vienna United Methodist Church. He was buried in the Vienna Cemetery. (This was extracted from the POST TRIBUNE, Jefferson City, MO Dec. 13.) I felt that this was scant information on a man who meant so very much to the community at Vienna, MO. I wish to relate a few of the things that I knew about him: He bought a fire truck and built a fire station for the area. He bought computers for the public school and Catholic school. He supported the Historical Society, Boy Scouts and Girl Scouts. He was chairman of the County Fair for years. He has left trust to provide for many worth-while causes in the county. He received a key to the city. The street that his store and home were on was named "Coffey Street" in his honor. Tom entertained us at the Coffey convention, Jefferson City, in 1989 with his one man band.

Jim and I attended the funeral and I learned that he had done more good for the county than could be told here. Usually a 95 year old unmarried man dies and there are very few at the funeral. This man had so many 2002

friends that the church was full. He only had about 5 distant relatives there, the rest were friends. I hope I deserve half as many when I pass.

DEAD END ROADS

*Bill DeGarmo is interested in information on his GG grandmother, Levina (Coffey) Combs, born 1805 in Illinois and wife of Simeon F. Combs. They were married in 1823 in Adair Co. KY at the home of her father Joel Coffey. Bill says that there were several Joel Coffey's in that part of Kentucky, but he believe Lavina's father Joel Coffey born probably about 1773 was the son of Nebuzaraden Coffey born about 1753 in Wilkes County, NC. Bill's reasoning is that Joel Coffey Sr. son of Chesley Coffey was too old to have been Lavina's father, and Joel Coffey son of Joel Coffey Sr. died prior to Lavina's marriage. Nevertheless Bill says that he has very little on Joel Coffey son of Nebuzaraden. Bill address' is 11821 W. 1St Street, Ct.N, Wichita, KS 67212

* Betty Laurent sends the following: "Ann Coffey and W. White were the parents of William White, born in Missouri in 1853. Ann was born in Co. Roscommon, Ireland around 1827. It is possible that Ann and her husband were famine immigrants. The next record of Ann is the birth of a son, John, in Missouri, in 1857, father's name John McDermott. By 1860 the family was living in New Orleans. I am speculating that Ann and her first husband came to Missouri from Ireland, that he died in Missouri and that she then married John. I feel there must be a record somewhere of the death of W. White, the marriage of Ann to McDermott and the birth or baptism of William White. Perhaps some of the Missouri cousins have knowledge of this family." Betty's address is laurent@centurytel.net

* Mary Cooper is researching her grandmother's line. Mary's great grandfather was William Coffee son of John Coffee of Red River Co., TX If you can help Mary, her address is **311** South 9th Street, Hugo, OK

CURRENTS IN THE STREAM

* Beverly Bagwill writes that she has purchased a book "The Littleton Heritage" by Matthew M. Wise, published by Wentworth Publishing Corp., West Columbia, S.C, copyright 1997. It traces some descendants of Col. Nathaniel Littleton (1605-54 and his connection to English Royalty and Magna Carta Barons. It contains various charts and family histories. Beverly says that it is very interesting for those whose ancestry is to Josiah Dyer, father of Mary Constance "Polly" Dyer, who married Elijah Coffey. If you need more info on this book, write to Beverly at 5539 Hazelbrook, Lakewood, CA 90712-1809.

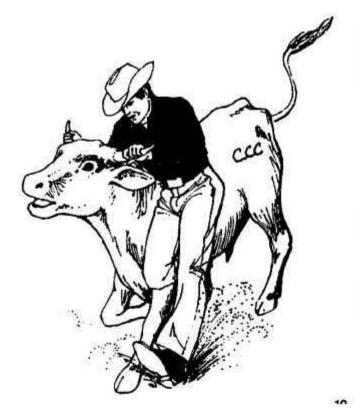

*Pamela Webb writes that she is still interested in exchanging information with anyone descended from: Margaret "Peggy" Coffey, Cleveland Coffey, Susan Elizabeth Coffey or Andrew Jackson Coffey. Her address is 506 Arminda Ave., Kirkwood, MO 63122 and email is Cwebbl3734@aol.com

* Kathryn Johnson writes that she has been working on the Hayes families. With the help of Susan Hayes web site for Hayes, Kathryn has made several new Hayes connections and is able to get more miscellaneous information on the Payne family as well. She is going to get those Hayes sorted yet.

* Len Corbaley of Benicia, CA writes: "I don't know if this has been mentioned already, but Family Tree Maker's Family Archives; Family page 10

History: Southern Genealogies #1 1600s-1800s CD#191, has a lot of Coffee information. For me, it makes connection between Coffee, Donelson, McDougal, Hutchings, Stokley, and Corbaley. He did notice a couple of errors.''

*John Taylor has put together a nice piece, "Goodman, Fariss, Cardoza Family History, Cumberland County, Virginia." The photography is outstanding. John also said that he has not made much progress on the Coffeys this past year, but by no means will he and Mary Ann give up. They know a great deal more than they did in 1993 when they did their first published book and they certainly intend to re-do it and share what they now know. They just need about 28 hours in each day. (1 know when John & Mary Ann do get a new book out, it will be something to be proud of.)
