Mr & Mrs Loy L. Coffey
1309 Carnation
Lewisville, TX 75067

Dear Loy & Wanda:

I am enclosing a printout of the descendants of Edward Coffey as promised you although delayed a bit.

Also I notice upon a quick review of it, that not all the information I have has been entered in the computer therefore does not show up. I will have to bring this up to date and make you a new copy. In the meantime maybe this will help you.

The picture enclosed is a copy I tried to make of the original which is several times a large and is of very good quality. I usually have my copying done by "Mal" Malcolm at his M & C Photography in Grapevine, TX. Incidentally, he is our speaker this coming monday at the Dallas Genealogical Society meeting and is about how to copy old photographs. Maybe I will learn something.

This picture was probably made about 1909 when our great grandmother Tabitha died. The two little girls in front are my sisters Rena & Ruby. Ruby was born in 1906 and she looks here to be about three. Rena would have been about seven at the time and she also looks it here. Sorry I do not have an exact date. The grave sites are at Highland Cemetery near Anna.

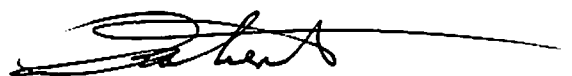

Of those in the picture, IF these are all siblings, from the left, Cynthia, Mary, possibly Belle, (there were only three girls) I do not know the next two men, the last is James Perry. One of the two I do not recognize could be Matthew. Of the four boys Matthew, George, James Perry were living at that time and since I do not have the death date of William H. I cannot say whether he was living or not. Maybe you know these other two.

I think I will get the original back and see if I can have a good copy made by a professional.

A lot of people have worked on the Coffey Line but there is still so much to be done. I am delighted that you are interested and I will be happy to assist you any way I can. There is no use in your spending hours in researching those things that have already been done by others except to be sure what data they have is correct. Much of what I have seen was originally in error and has been copied and recopied until it is hard prove it is incorrect.

Happy researching.

Your cousin,

Robert W. Johnsey
