Dear Cousin Bonnie,
I sent a copy of the enclosed to
Bonnie Bolamy & thought you might
not have this in your files.

We might come to Boon in May,
but it is uncertain. I've had my
Third eye operation - 87, 89, 91 - corner
of the right eye lid. It has been over
a month now & is almost healed. I
read & write with a magnifying glass.

I especially enjoyed The Peter Coffee
documents which proved that there are
three Peters. Peter & Susannah, then
Peter Lt born before 1734 as was w/m
& Peter the Third of 1750 could be a
Cousin or Nephew from the old God or
more likely a Grandson. Peter #2
The true Lt obtained land on the Dix
River in Va. I believe Martin was his
son & that his wife was of the Martin
family that were neighbors in Ft. Edward.

Sincerely,

W H Duncan
