1. JOHN DOWDEN¹ COFFEE was born November 10, 1760, and died August 23, 1822 in MD at Mt. Olivet Cemetery. He married DARCUS ROBERTS December 21, 1785, daughter of JAMES ROBERTS and MARY ?.

Notes for JOHN DOWDEN COFFEE:

Family data taken from family bible as interpreted by Kathy Leach.

In some preliminary research into the MD area, there was a Philip Coffee in the area that would have possibly been the age to be John Dowden Coffee's father.

Further research will be necessary.

John Dowden and Dorcas are buried at Mt. Olivet Cemetery in Frederick Co, MD as indicated by the Frederick Co Historical Society Records.

The 1790 census for Montgomery Co., MD shows the following information:

Coffee, John D. 1 free white male of 16 years and upward; 3 free white males under 16 years; 1 free white female and 3 slaves. This is consistent with the records shown in the bible, presuming John A. was already born.

Notes for DARCUS ROBERTS:

Name spelling sometimes looks like Dorcas and sometimes Darcus. Presuming spelling is Darcus because of granddaughter's name.

Children of JOHN COFFEE and DARCUS ROBERTS are:

- i. PHILIP² COFFEE, b. October 20, 1786.

Notes for PHILIP COFFEE:

Could have also been born on 10/29/1786???

Notes for JAMES A. COFFEE:

There is more than one James shown born to them. It is presumed that the earlier James died early in life and this James was renamed with an important family name. It is also assumed that James and Robert(s) Coffee are twins.

According to their marriage certificate (I have a copy) they were married at the home of Mrs. Ann Cain (a close neighbor of Charles Grandison Coffee) by Adam McCool.
